

Santa (Satan) Claus and the Anti-Christ

I AM Sananda. I come in service to Our Holy Father of Light God and The Creation. Greetings, precious chela Druthea. Let us begin.

Many of you may wonder what Santa Claus has to do with the Anti-Christ. Everything! The Adversary to God in its wish to place bondage and limitation upon God's Human Creatures upon this plane knows that to garner the greatest degree of deception it must begin with the human in its childhood state.

You see, the adversary, in order to maintain deceptive "control" over you ones, must support its "illusion" of attachment to "physical" matter. The being that so-called Christians have called Santa Claus represents the "god" (of the adversary) to your little children. For example: According to the "myth" (defined as, "An imaginary or fictitious person, thing, event or story.") Santa Claus can BE everywhere around this planet within a short 8-hour-or-so period. He will bring "gifts" to all the "good" children around the planet. These "gifts" are physical toys and objects of desire of the young and "good" child. If the child is really "good," he/she receives many gifts of which he/she has asked for. This begins the human's attachment to having "things" of material plane versus desiring the "spiritual" gifts of our Creator, God.

Now the parents, of course, support this Santa Claus "image," only it is not necessarily based upon the "goodness" of the child, but more directly based upon the pocket-book abilities of the parent. Since there is NO such being called Santa Claus as described in the "myth," it is THE PARENTS who perpetuate the lie of the adversary, by themselves continuously allowing, encouraging and fulfilling the "I want..." list of their children. Essentially, regardless of the "good" intentions of the parents, they themselves are planting the seed of, encouraging and sustaining "materialism" within their child. Those children whose parents cannot "afford" many gifts for their children most often feel "guilty." The child senses this and unless the parent explains HONESTLY where the gifts come from, so that the child understands that it is not based upon his "goodness" or "badness" but that any "gifts" given are based upon the LOVE sharing of his parents (or whoever gives), he will begin "comparing" himself by that which he has not received, against what his "perceived" more abundant friends and peers receive. The child will most often begin to harbor feelings of unworthiness and eventually he may become quite ANGRY with his parents for allowing and supporting a LIE.

Am I saying it is "wrong" to give gifts of material matter? Not at all. Parents, you must FIRST simply nurture and encourage the spiritual "gifts" of Our Creator, God; especially the spiritual creative potential within, personal responsibility, integrity of spirit within, Love and Joy of life and ONENESS with all. If Christmas represents a "time" when family and friends can be close in communion and sharing of LOVE, and a "time" of thankful appreciation for the gifts of LIFE of God and a "time" of remembering and giving back dignity to those who are less fortunate in physical manifestation, then God blesses you. Only, God, Our Father, and We of HIS HOSTS OF LIGHT would encourage you to not save this "time" of sharing for ONLY societal designated "times" such as Christmas. EVERY DAY IS HOLY AND BLESSED OF GOD! MAKE EVERY MOMENT A DIVINE, HOLY CHRISTED CELEBRATION WITHIN!

I AM suggesting, though, that the "image" of "roly poly," Santa Claus who is "everywhere" ("like" God) is really the ANTI-GOD's attempt at a very POOR copy of GOD. Santa Claus represents in his image figure, gluttony and his perceived "jolliness" and "benevolence" is really the ANTI-GOD laughing AT YOU because you parents play his game of seducing your own children into MATERIALISM and away from true SPIRITUALITY. The "myth" says, "Santa Claus" goes "everywhere" where the "good" children are. Do you think perhaps those starving ones, such as in Ethiopia and HERE within your own United States, are loved LESS by God? Well, Satan Claus only gives "gifts" to children who are "good" according to material desire AND ABILITY OF PARENTS TO PAY! Ponder this carefully.

Parents, many of you have given "EVERYTHING" you could of material "desires" to your children, and when they are grown and still depend upon you in their adult years and then even resent you, you are baffled. Don't you see? When you give your child TRUTH and LOVE and GUIDANCE of SPIRITUAL INTEGRITY and ONENESS, THEY WILL HAVE GAINED ACCESS TO THE TOOLS WITHIN THEM TO BE RESPONSIBLE CREATIVE HUMANS OF THIS PLANE. YOU MUST GIVE THEM TRUE "Gifts" OF SPIRITUAL KNOWLEDGE AND POWER WITHIN THEM that they may move forward IN JOY AND INNER PEACE and FEAR NOT the challenges put before them, but instead WELCOME THEM as OPPORTUNITIES TO GAIN KNOWLEDGE AND UNDERSTANDING OF TRUTH OF THEIR HOLY, DIVINE SPIRITUAL HERITAGE WITHIN!

So what am I suggesting? Very plainly, that the "myth" of Santa Claus be presented HONESTLY to your children from the beginning. You need not continue to FEED THE LIE OF ANTI-GOD and thus, cripple your children by feeding the limitation and bondage to "material" objects. They must learn and

So what am I suggesting? Very plainly, that the "myth" of Santa Claus be presented HONESTLY to your children from the beginning. You need not continue to FEED THE LIE OF ANTI-GOD and thus, cripple your children by feeding the limitation and bondage to "material" objects. They must learn and KNOW that THEY create ALL within this experience, including any perceived "lack." You must teach your children RESPONSIBILITY for their thoughts, words and actions and DISCIPLINE of their "minds" by ALWAYS monitoring their own thoughts. For those of you parents who have already taught your children the "myth" of "Santa Claus," NOW is the time to "pop" the phony, gluttonous belly of Santa Claus to release the "hot air" existing within this deceptive "satanic myth." You see, "Satan" Claus is NOT an image of TRUE Christians. TRUE Christians are those who understand and adhere to CHRIST consciousness teachings of THE LAWS OF GOD AND THE CREATION, NOT so-called ones who label themselves "Christian" based on their "belief" in what they are told are the "teachings" of Christ as presented erroneously within your various Bibles.

SEE Santa Claus for that which this image truly represents: a ridiculous, gluttonous image to perpetuate COMMERCIALISM of material "goods" and "services." Face it, precious ones, MANY businesses DEPEND upon your CHRISTMAS season for a major portion of their business. Just as the ANTI-GOD DEPENDS upon your IGNORANCE of Truth to perpetuate its EVIL FOLLY upon you. YOU feed the BEAST by your choice to remain spiritually ignorant.

Many of you now may be concerned about YOUR BUSINESS, especially if yours is one which rides the MASS consciousness tide of Christmas giving. IF that be your FIRST concern and NOT about the integrity and necessity of YOUR product, then YOU need to PONDER YOUR priorities of concern more carefully. If your business is truly one which serves your human brethren by truly SERVING GOD, then you need not concern over its success. GOD'S WILL WILL BE DONE! But if your business rides upon MEDIA molded and created desires, addictions and "social" traditions...it may be time to carefully consider YOUR PERSONAL RESPONSIBILITY to GOD, SELF and YOUR BRETHREN, and therefore, CHANGE your business! IMPOSSIBLE, YOU SAY?! NOTHING IS IMPOSSIBLE WHEN YOU MAKE YOUR FIRM COMMITMENT TO SERVE IN BALANCE WHICH IS OF GOD AND THE CREATION. "Will it be easy to change?" you ask. THAT depends upon YOU! Meaning it depends upon the degree of resistance and dependence upon the "material" plane offered and accepted by your "altered" ego which, of course, is fed by the Anti-God which YOU have allowed within YOUR TEMPLE OF GOD. Whether it is easy or not does NOT matter WHEN your commitment to GOD IS MADE AT SOUL LEVEL, YOUR SOUL WITHIN WILL BRING THE LESSONS TO STRENGTHEN YOUR SPIRITUAL CONNECTION AND COMMITMENT TO GOD. IT WILL BE ENTIRELY UP TO THE SELF-DEVELOPED INTEGRITY WITHIN as to whether or not YOU are successful in YOUR TESTING to allow YOU entrance within GOD'S HOLY KINGDOM OF LIGHT. So Be It.

I AM Sananda, ONE with GOD, in Service to God and The Creation. Thank you precious chelas for this communion. May you receive the clarity and understanding OF GOD, given herein. Bless you little sister, Druthea, for your service. Peace be with you. Salu.
