## The Book of Enoch,

revealed to Dr. John Dee by the Angels.

---

This writing beginning (not at [Arney Vah ] etc. but) at Oxar Varmol is the 2nd Page of the first leaf of the famous Book shown in the stone, which consisted of 49 lines or Rows & every Row of 49 words or letters. The first 40 of this Page have a word in every little square which could not wel be contained in the little Cells of a square table in this Book - Therefore they are writ thus at large as you see. But the 9 last Rows of this Page had but one Letter a piece, & are accordingly set down at the end hereof, pag. 5. All the other leaves of that Book had but a single Letter in each little square & so they are set down, as here after follows in this Book. Vide l.5 Ms. pag. 142, 143 etc. The first Page of that first Leaf is not (it ought to be) all transcribed here before this 2nd Page save only the 49, or last, Row beginning (Arney Vah etc.) But they may be seen (& (if thought fit) copied out thence) in l. 5to Ms. p. 150, 151, etc. [The preceding note is by Elias Ashmole.]
