Intuition Empowerment

(With Astral Experiences)

Intuition Empowerment :

Intuition empowerment aim to be more to develop our intuition abilities. This matter is very usefuls in our life. To get solutions to finishing our problems, because often something that is seen with physical eye not a true matter. Bloom it also be something that of vital importance and be of benefit to a n energy convalescence practitioner, because often we must face something that must not be seen by physical eye.

Astral Experiences :

Astral Experiences aim to give an experience and erudition that there is various dimension at this world, and give an experience and erudition that is energy not limited on the space and time.

Intuition Empowerment and Astral Experiences :

Astral Experiences on 1 package with Intuition Empowerment, will which Astral Experiences be begun at the time of you will run acceptance process of Intuition Empowerment. but, may be not all that run the acceptance process of Intuition Empowerment will get Astral Experiences, therefore all also return in ourself and influenced by several factors before run the acceptance process, example:

- ☞ Well-being is not fit;
- ☞ Mind or emotion in a not good condition, confused;

This Manual Is ©2008 By Hari Andri Winarso. All Rights Reserved.

☞ Way of thinking immediacy to get Astral Experiences;

☞ Fear;

And ... Don't make the Astral Experiences as a hope !

You only enough to run the acceptance process Intuition Empowerment with smile and relax. if you don't get Astral Experiences in course of Intuition Empowerment, don't felt to fail, dissapointed, because above all the Intuition Empowerment have accepted.

Don't Be Worry and Don't Be Afraid !

Don't be worry and don't be afraid, because the Astral Experiences be a safety process, will not happen bad matter and negative effect to yourself.

After you receive Intuition Empowerment, you can give this empowerment to others, but not for Astral Experiences, you can't to pass or teach to others.
