Preface

This book unfolds a colorful selection of magical spells and rituals that are mostly taken from folklore, yet rearranged throughout the ages according to the individual practitioner in the field. The experience, style, and interpretation of each practitioner, is what truly makes magic one of the most attractive forms of Art.

The work of magic demands special attention and concentration where as the practitioner has to put his/her mind and heart into each and every little detail, as well as remembering the intent and purpose for the work at hand.

More so, it is being realized nowadays that magic is basically a collaboration of 2 elements; a diamond mind that is able to produce clear ideas, and a passionate heart that moves these ideas into action by the power of will. However one element cannot do without the other, and the knowledgeable magician would never let doubts or judgment cause any confusion in the physical manifestation of a spell. He/she knows that manifestation of ideas come to life from the pure equilibrium of mind and heart which are in great contrast to one another yet are never enemies.

Thus, it is important for one to know the wishes of the heart and to understand the rational approval of these wishes by the mind, and only then the actual practice of magical work is to be done.

Spells For Charms

Amulets and Seals and Charms of night,
made up at the time so right,
Conjure a power to work for thee,
that none but the most adept can see.
Herbs and roots and stones of lore,
lead thee naught but excelsior!
Stuffed in sacks of color so bright,
they bring success, or ward off fright.
Sung over and censed and blessed by fire,
they give of their virtue and correctly inspire.
To aid thee as a Magic Charm,
attracting good fortune, or keeping off harm.
The lore of the grizzly gris-gris and ouanga,
came from the jungles of the River Conga.
By powders of power and stones and herbs in a hand,
found in this Country a fertile new land.

TAROSTAR

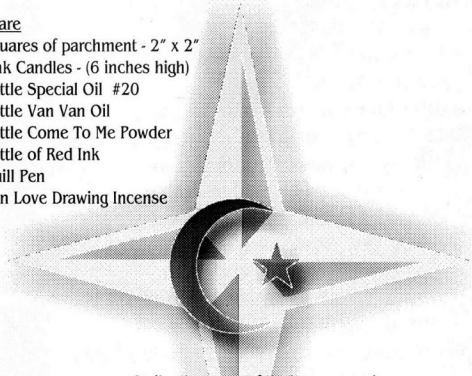

"Come To Me" Love Spell

When the heart desires the company of a special one,
who is with others having too much fun,
a fast action is at hand,
to bring this kind of pain to end.

Begin this spell on a Night of Venus, as Luna waxeth in Water sign.

Prepare

- 7 Squares of parchment - 2" x 2"
- 7 Pink Candles - (6 inches high)
- 1 Bottle Special Oil #20
- 1 Bottle Van Van Oil
- 1 Bottle Come To Me Powder
- 1 Bottle of Red Ink
- 1 Quill Pen
- 1 Can Love Drawing Incense

Scribe the name of thy lover on each
piece of parchment seven times.

Placeth one pink candle on top of each piece
of parchment set to stand in a row.

Light the candles to burn with a fresh match each.

Set some of the incense also to burn and
allow for a fifteen minute meditation and chant:

Lover, Lover, Come To Me!
Only My Charms Canst Thou Ever See!
Thy Love Burneth As I Say!
Thy Eyes Looketh Only To My Way!

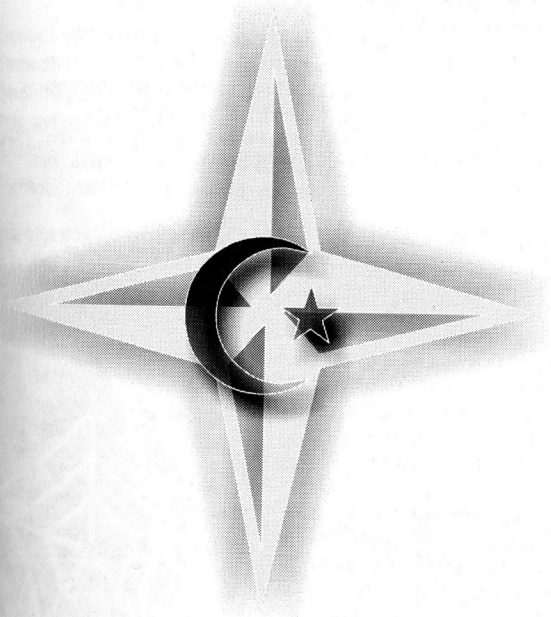

Put the candles out.

"Come To Me" Love Spell (continued)

For the next fifteen days, continueth this routine:

The daily morning bath should be done with three drops of the
Van Van Oil in the water. Dusteth a bit of the Come To Me Powder on
thy body when dressing. Sprinkleth a few drops of the Special Oil #20 on thy fresh
clothing for the day. Kneel before the seven candles and lighteth each one, left to
right, with a fresh match each. Meditate on thy lover being thine and chanteth the
incantation above. Allow them to burn fifteen minutes.

Then put them out in reverse order of lighting until the next day.
Bury the wax and parchments in the Earth after allotted time.

Love Drawing Spell

To help a situation where a loved one seems to be detached, take a portion of this rite - to cure his/her unemotional malady

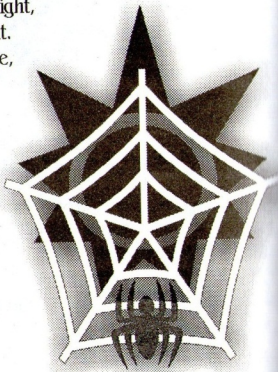

On days of Venus, as Luna waxeth in Water or Air
Do the work of uniting a pair.
Use inks of pink and green so bright,
The colors of the Love Goddess so right.
Scribe names of these thou would unite,
Upon the back of parchment to begin the rite.
Dress then a Love Drawing Candle with oil,
Of Desire Me and allow thy emotions then to boil.
See conjured to thy inner eye,
Thy lover and thee, love knots to tie.
Burn then Incense of Rose,
Which the powers of Venus predispose.
To matters of the heart most fair,
Calling thy lover from here, from there.
Recite this verse as the candle doth burn,
To cause thou love's heart for thee to yearn:

Prepare:
1 Bottle of pink ink
1 Bottle of green ink
Parchment square 4' x 4'
1 Love Drawing Candle
1 Bottle Desire Me Oil
Packet of Rose Incense

Kedemiel and Hagiel, spirits of the Venus power, bind the two whose names appear upon the seal.
Unite these two hearts from this hour. Keep them blessed forever and a day!
Safe with love with never a care. Work thy magic without delay!

Light this candle and hold the seal so tight,
In thy strongest hand by the candlelight.
Pass it seven times through the incense,
In and out the smoke most dense.
Call thy lover's name,
Into the glowing flame.

If done each night for a week,
Soon for thee thy lover will seek.
Keep the Seal safely tucked away,
To bind thy lover from that day.

Lovers Binding Charm

To transform a love situation that is most insecure into a bond of two hearts - so pure.

Prepare:
1 Bottle of Come To Me Oil
1 Nutmeg with Mercury
2 Lodestones - 1 red (for male) - 1 green (for female)
1 Red Mojo Bag
1 Bottle red Ink
A photograph of thy lover
A bit of hair from thine own head

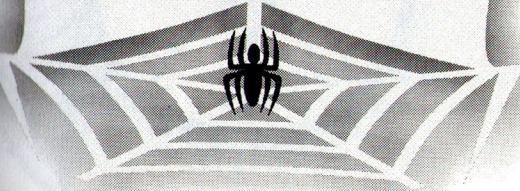

Bind the two by the powers of Venus, doing this work on her night, as the moon waneth in Earth sign...

Scribe both thy name and that of thy lover on the back of the photo.
Draweth three complete circles around the names.
Stuff the photo, the nutmeg, the lodestones, and thy hair into the bag and seal tightly shut.

Anointeth the bag with seven drops of the oil, one at a time, and chanteth:

Be Bound To Me By Powers Of Venus!
Never Shall A Thing Come Between Us!
Never A Thought Of Wandering Away!
Thou Art Bound To Me From This day!

Speak out this incantation with each of the seven drops of oil placed on the Charm Bag.
That is, seven times in all. Thereafter, anoint the bag each Friday with the same amount
of oil and repealeth the same incantation with each drop.

Then carry the Charm Bag on the person as a good fortune Talisman from that day on. Anoint the bag weekly with the oil.

Tradition maintains the good luck needed will then be thine.

Psychic Vision Spell

Incense Blend

To see all things aright, one must develop the psychic sight.
A third eye once opened wide, can look right through the other side.

Prepare:

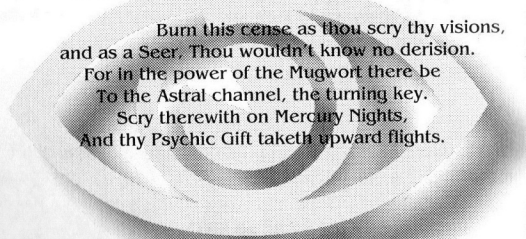

1 oz White Incense base	1/2 oz Dill Leaves
1/2 oz Yore herb (Eye Brite)	1/2 oz Anise Seed
1/2 oz Mugwort	

As Luna exerts Her mysterious pull,
waxing in an Air Sign, or toward Full,
on Her day, to be precise,
During the season of snow and ice,
Mix an incense base of white,
To help establish thy Second Sight.
With herbs of the Psychic, known as yore,
Handed down in Witches Lore.

Take: Mugwort and Dill and the Seed of Anise,
To make thy power of vision thereby increase.
Chant as thou mixeth and say right out,
But softly and calmly, do not shout:

LUNA OF THY ROLLING ORB,
LET ME THY VISIONS NOW ABSORB.
POWERS OF CLAIRVOYANCE AND SECOND SIGHT
COME WITH THEE IN THE NIGHT.
LET ME SEE WHAT IS TO BE!
BETIDE, BETIDE, WHAT ARE BETIDE,
BRING WHAT'S TO BE KNOWN TO MY SIDE!

Burn this cense as thou scry thy visions,
and as a Seer, Thou wouldn't know no derision.
For in the power of the Mugwort there be
To the Astral channel, the turning key.
Scry therewith on Mercury Nights,
And thy Psychic Gift taketh upward flights.

Uncrossing Ritual

Incense Blend

Prepare:

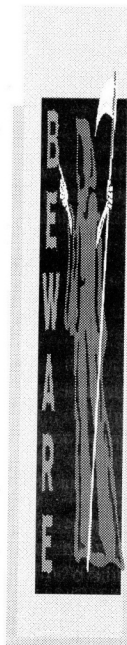

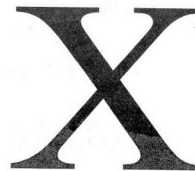

2 oz purple bath salt	1 bottle uncrossing oil
1 oz purple incense base	1 purple uncrossing candle
1 oz white incense base	
1 bottle sandalwood oil	

When thou havest a feeling of being hexed,
Leaving life fretful, messed up and vexed,
Seek a Day of Saturn, as Luna doth wax,
Or of Mercury, Moon waxing in air, and be not lax.

Procure the purple bath salts
Called uncrossing to chase away faults.
Mixeth white and purple base as incense
Into about two ounces, not an amount immense.
Grind into that a bit of sandalwood,
Scenting the base up really good.
Set a bit to burn as thou takest thy bath,
And chant this thrice to chase away the wrath:

UNCROSS THE EVIL FROM MY DOOR!
DRIVE IT AWAY FROM BEHIND AND BEFORE,
BREAK UP THE NEGATIVE FORCE OF STRESS,
BRINGING THE GOOD, MY LIFE TO BLESS.

Light a purple Uncrossing Candle thereafter,
To burn itself out chasing evil from thy rafters.
Weareth the Oil which beareth the same name
To deflect ill will to the Evil One's shame.
Repeat each day, as the candle doth burn,
And to the sender of ill will, the stress shall return.

Chapter Three

Traditional Image Candle Spell

To bring the separation of two - back to one
precede with these writings until all sorrow is gone.

Prepare:

2 Red Image candles of the gender of the subjects involved.

1 Bottle Come To Me Oil, or Cleo May Oil.

1 Packet French Love Incense.

2 Parchment squares 2" x 2"

1 Bottle red ink

1 quill pen.

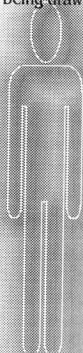

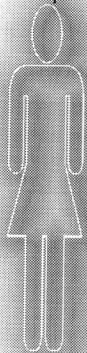

On a night of Venus, moon waxing in water or Earth signs, cast the circle and then proceed.

Scribe the name of the two lovers on each parchment square and draw the dripping blood heart also on each.

Anoint each candle with the oil and charge them to represent in one's mind the persons for whom they stand. Vision the two individuals being drawn closely in a bond of mutual love and happiness.

As they are being anointed, say:

IMAGES OF LOVE, DO BURN FOR ME.
BRING THE JOY THAT IN THY FLAMES I DO SEE.
DRAW THE FORCES OF LOVE AND JOY.
BRING DESIRE, BE NOT COY.

Place each candle upon one of the parchment squares, standing about twelve inches apart, facing each other.

Set the incense alight with these words:

OLD WORLD MYSTIC INCENSE,
WEAVE A MAGIC SPELL SO DENSE!
DRAW THE POWERS OF THIS VENUS NIGHT,
BRINGING LOVE AND FULFILLMENT TO MY SIGHT!

(Traditional Image Spell) Continued

Light the two image candles and say:

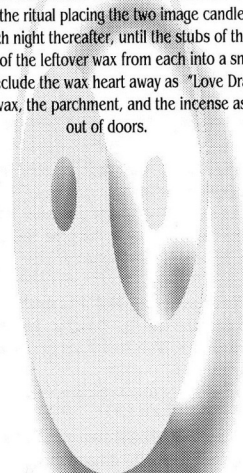

BE THOU (FIRST NAME)! AND BE THOU (SECOND NAME)!
DRAW IN, DRAW IN, DRAW IN TO LOVE.
VENUS BLESS THEE FROM ABOVE.
GROW THY FEELINGS, GROW FOR EACH OTHER!
LET THERE NEVER BE ANOTHER!
PULL THY HEART AND DRAW LOVE IN.
THE JOY OF LIFE THOU CANST BUT WIN!

Meditate on the idea of the two subjects growing in attraction and emotional harmony for each other, for about twenty minutes.

Put the candles out and close the circle.

The next night repeat the ritual placing the two image candles one inch closer together. Continue each night thereafter, until the stubs of the candles touch to burn out. Mold some of the leftover wax from each into a small heart, while it is still warm and seclude the wax heart away as "Love Drawing Charm".

Bury the rest of the wax, the parchment, and the incense ashes in the earth out of doors.

Red & Black Candle Rituals

The RED AND BLACK are used in matters of love and emotional relationships. They are burned to ward off the ills of a rival or an enemy who may be envious or jealous and trying to upset one's love life.

ELIMINATE A LOVE RIVAL

With a Coffin Nail, scribe on the red half of the candle the name of one's lover or spouse. Scribe on the black half the name of the rival.

Anoint the candle with a Love Drawing Oil and use a Come To Me Incense. Light the candle and the incense. Heat up the nail in the flame of the candle and drive it into the candle shaft between the two names, at the point red becomes black. Allow to burn for an hour each day, as the vision of the rival being sent away is emoted over the candle.

It would normally be best to banish the rival's influence as the Moon wanes in an Earth or Water sign on Fridays.

DRIVE AWAY A RIVAL

Should fast action be needed to burn away and diminish the activity of a rival in love, use this Red and Black candle.

With a rusty nail, scribe the rival's name on the black half. Scribe the name of the desired lover on the red half.

Anoint the red half with an Attraction Oil or French Love Oil.

Do not anoint the black half.

Burn a French Love Incense, which is red powder incense base to which red rose buds and lavender buds have been ground in.

Begin to burn the candle for an hour each night just after a new moon, or the first Friday thereafter. When the candle is first lit, heat the nail in the flame and then drive it into the shaft of the candle between and separating the two names - The Lover's and The Rival's.

Allow the candle to burn for an hour each night and meditate on the force and power of the rival diminishing as does the candle. Then take the leftover wax, after the candle has been reduced to a mere stub, and place that, with the incense ashes near the rival's door.

Drive the nail into the wax and ashes to transfix the rival's influence to the spot.

The Meditation:

O, thou who art my Lover's seducer, thou shalt rue this very day!

Double action by candlelight will cause thy dreams many a fright.

No more to enjoy a peaceful bliss. I gaze upon thee and with malice hisssss!

Thou who wouldst steal my lover away, never couldst thou top what I say!

I drive thee down to Hell and Woe. To grave and mold thy bones shall go!

Into the dark and quiet ground I send after thee nightmare and hell-hound.

Skull Candle Rituals

Skull candles are usually available in various colors: black, red, and white, being the most popular. Each color has its own special uses.

Skull candles serve a purpose that ranges from banishing to healing and hexing, and there is one which pertains to the season of Halloween, also known as All Saints' Day.

DRIVE AWAY MALICE

The black skull is used to diminish the ill will from an enemy.

Anoint it with Spell Breaker or Witches Oil and burn Benzoin or coals to lift the bad influence away.

Begin this candle on a Tuesday or Wednesday, as the Moon wanes.

The Meditation:

O, YE OF EVIL THOUGHT, THY POWER COMETH TO NAUGHT.

BY THE DIMINISHING FACE OF HELL, I BREAK THY POWER AND SPELL.

LET THY NEGATIVE WORKS BE NIL, LET ME WITH THE OPPOSITE FORCES FILL.

AS THE SKULL FACE WASTES AWAY, THY POTENCIES AND POWERS

HAVE NAUGHT TO SAY.

DOWN, DOWN, TO HELL AND DROWN.

NONE BUT FAILURE BE THY FRIENDS. I BREAK APART THY EVIL ENDS.

BE DIMINISHED, BE REDUCED

I KNOW THY EVIL CAN BE SEDUCED.

SELAH! SELAH!

To work the Skull Candle thus, stand it to face the direction of the enemy's home.

When it is reduced to a mere lump of wax, cast it onto the enemy's property or yard.

Skull Candle Ritual *(continued)*

PLACE A CURSE ON A FOE

Another use of this black skull candle would be to place a hex upon an enemy.

Anoint the candle with XX Oil and scribe the victim's name on a parchment square - 2" x 2", using the Bat's Blood Ink, which is placed to rest under the candle.

A Black Arts Incense, such as Crossing, XX, Black Cat or Cobra, would burn along with it.

Face the candle in the direction of the victim's home and vision what binding restrictions are to manifest in this one's life. Do it on a Night of Saturn, moon waning in an Earth sign.

Burn nightly until it is reduced to a mere stub base.

Then the leftover wax, ashes, and burned incense would be cast upon the victim's doorstep at the next Night of Saturn, during a waning Moon.

Snake Candle Rituals

Draw Good Fortune

Some use this candle as a symbol of Damballah, of the Voodoo Pantheon, to represent Jupiterian blessings for good fortune and money.

It is burned with Money Drawing Incense and anointed with Wealth Way Oil.

Break up a Destructive Affair

More particularly, it is known as the Old New Orleans Separation Candle to break up emotional relationships of which one does not approve.

In that case, anoint it with Love Breaker Oil. Confusion incense, which is black incense base to which Patchouli, Mullein and Valerian have been ground in, and burn along with the candle.

To break up a bad affair, burn it on a Monday, Tuesday or Wednesday, as the Moon wanes in Water or Air sign.

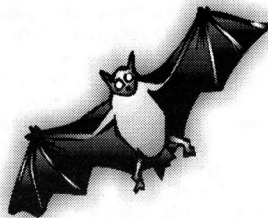

Some may recommend a Separation Powder be also sprinkled around where the person to be broken apart may walk, stand or sit.

The Meditation:

LOVE AFFAIRS THAT ARE BAD,
ONLY MAKE OTHERS SAD.
NO JOY OF LIFE, NO HEALTHY LOVE,
NOT TO BE BLESSED FROM UP ABOVE.
SET THE TWO PERSONS AT ODDS,
MAY THEY FIGHT WITH STAFFS AND RODS.
KEEP ALL PLEASURE FAR AWAY,
NOT TO BE PEACEFUL BY NIGHT OR DAY.
BREAK UP THIS UNHEALTHY CONDITION.
LET THERE BE SUSPICION AND SEDITION.
NO TRUST, NO JOY, NO LASTING PEACE.
BREAK IT UP ! BREAK IT APART !
PAINS LIKE STABS TO THE HEART !
DRAW THESE TWO EVER FARTHER STILL.

LET ALL BE AS I WILL.

SELAH ! SELAH !

The names of the two to be broken up may be placed on a piece of parchment paper in black ink and set to rest beneath the candle. Burn the parchment on the hot day as the candle goes out.

Black Over Red

Reversible Candle

This particular Specialty Candle is about eight inches tall and is a red jumbo sized candle encased in a coating of black wax. As it burns it bleeds red over the black. This type of candle presents a peculiar set of circumstances to the Metaphysical Practitioner. It is a powerful candle to reverse all manner of ill effects, whether from the intentional evil doing of one's enemies or just generally negative trends in situations.

The two-week period of the waning moon would be the ideal time to use this particular candle. That phase of the moon slows down or impedes progress, and banishing can be more successfully done by that force.

TURN AROUND A NEGATIVE SITUATION

A Compelling Incense and a special blend of oil called Reversible would accompany the use of the Reversing Candle.

One would be working contrary to the flow of energy for a set of circumstances already in motion. Therefore a slow but steady and repeated effort needs to be expended to affect the astral or spiritual planes.

Worked for about an hour each day, the effort gradually builds in intensity, by repeating application of vision and will power.

Envision the situation one would reverse as if it were already reversed and as one desires it to be. Begin to stroke a few dabs of the oil you select for the purpose at hand, onto the candle shaft from the bottom to the top, over and over again, for a full five minutes.

That will infuse the intense desire and envision the intention into the natural substance of the candle. When properly done, the candle itself will feel to have taken on "extra weight", at least to the psychic senses.

That gives the candle a "magnetic charge", so to speak. This process of infusing vision and emotional desire into the wax of the candle is traditionally called: "dressing" the candle.

Now, select incense that is of your purpose and set it a bit to burn, and light the candle. Stare deeply into the flame and emote and envision the reversed circumstances to what is really going on and chant something similar to the following:

BLACK BE WHITE, DARK BE LIGHT! HOT BE COLD, FEAR BE BOLD!
REVERSE, REVERSE THE EVIL SPELL FROM MOUNTAIN, PLAIN AND DELL!
CHANGE THE BAD INTO THE GOOD, BRINGING FORTH THE POWERS THAT
SHOULD MAKE THE ILL INTO THE GRAND, KEEPING EVIL OUT AND BANNED.

Love Spell with Image Candles

When a black cat passes between the two
and communication is far past due

Choose a night of Venus, as the Moon waxeth

in Water or Earth sign, havest thou these ingredients in line:

Prepare: 2 Image Candles to represent thyself and thy lover (look at the Astral color page 21).

1 Bottle Oil of Venus, or Love Oil.

½ oz. Frankincense

½ oz. Anise Seed

½ oz. Lavender Buds

1 Packet Charcoal

½ oz. Rosemary Herb

1 Sharp Nail

½ oz. Verbena Herb

Taketh the nail and scribe the name of the person each image doth represent on the back thereof. Anoint each Image Candle with a bit of the oil and say:

NEARER AND NEARER, TO ME DRAWN HIGH.
THY FEELINGS AND EMOTIONS TO ME DO FLY!
THY LOVE I CAPTURE WITH HERBS OF DELIGHT.
TOGETHER OUR LOVE TAKETH UPWARD FLIGHT!

Mixth the botanical together very well as a Love Drawing Incense.

Light thy coal and placeth an Image Candle on either side of thy incense burner.

Face the images toward each other. Set them alight along with a bit of the incense mixture to burn for an hour at a time, as thou concentrates on thy lover being totally thine.

Repeat the incantation seven times.

*Work this daily meditation with thy image
candle burning an hour per day,
until they be gone.*

Bury the wax and ashes.

Voodoo Doll Spell

When the will and desire for a loved one grows inward in pain, dark and deep. This rite to be done - with no tears but much fun, to make sure that - forever this lover you keep.

Prepare:

- 1 Red Image Candle (use as a doll) male or female
- 7 Pink Candles (6 inch)
- 1 Bottle Attraction Oil
- 1 Packet Come To Me Incense
- 1 Parchment Square 2" x 2"
- 1 Red Ink Pen
- 1 Packet Straight Pins

On a night of Venus, Moon waxing in water or Earth Sign, cast a love circle, so fine Anoint one of the pink candles each night with oil, as the desired love relationship is envisioned as you will. Scribe the subject's name on the parchment and pin it to the Doll's back, up near the head.

Set the incense to burn and say:

Powers of love, come here to me!
Fill my chamber with happiness and glee!

Light the candle with such words as

Burn for love and attract success!
Work out the charge I did thee dress.

(Voodoo Doll - continued)

Hold the doll in the secondary hand and one pin in the strongest hand. See in your mind, the intended lover responding as wanted and the desired love relationship in a positive manner. Meditate thus for about twenty minutes.

Heat another pin in the candle flame and thrust it into the doll's heart area with these words:

Love envelopes thee (name), so fast and smart,
As I insert each driving dart.
Turn thy love and attention to me !
I am the only love thou canst see !

Repeat the invocation as six more pins are thus driven into the doll's heart area, seven pins total. To form and close the circle let the charged Image Candle (the doll) rest by the candle until it burns out.

Keep the doll then secluded away as a link to the loved one.

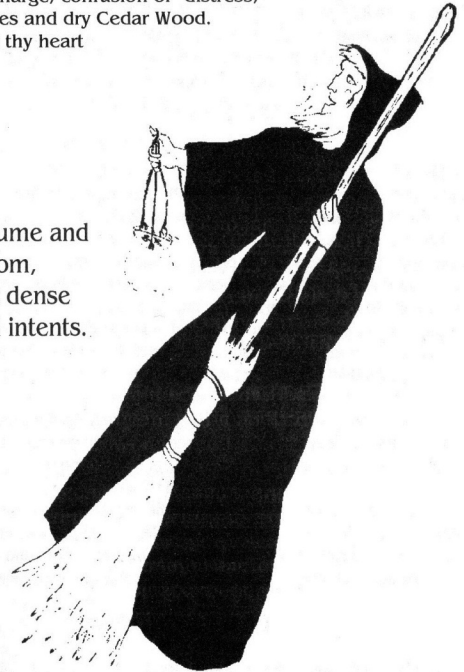

Chapter Four

INCENSE & HERB BLENDS

Censing Chant DO AS I SAY !!!

To clear one's space
from negative charge, confusion or distress,
burn Sage Leaves and dry Cedar Wood.
And chant from thy heart
as you should:

Cense and fume and
scent the room,
smoke most dense
with magical intents.

Banish all I say is woe.
Send it away, make it go!
Attract the Spirits I call to me.
Give them body, to let them be.
Incense made on a planetary day,
work my will,
DO AS I SAY !!!

Magical Incense

How To Use Incense

Incenses are used in magic for metaphysical, rather than aromatic purposes. Therefore, they may not always have a soothing scent. Incenses are for creating magical atmospheres in specific instances to attract good qualities and vibrations, or to banish evil or negative energies.

They are to impregnate the "air" within a magical space with the intention of a spell or ceremonial ritual. Incense is burned to release a magical charge, just as much as a dressed and charged candle does.

They are mixed and designed for specific purposes, with solemn magical intention infused into them.

The base incenses which are mixed for their intended purpose can be purchased in any occult supply house, but a good practitioner of the arts of magic, will add his/her own powers to the base incense by grinding and mixing in things from the list of Magical Botanical, to correspond to the purpose of the incense.

For instance, should the practitioner wish to make a good Lovers Incense, packages of that base can be procured, and he/she would mix into that such herbs as dried Rose Petals, Verbena or Damiana, whichever Venus herbs may correspond to the exact purpose for making incense. This should be done on a night of the proper astrological tide and moon phase, for instance: a Friday as the moon waxes in Earth or water signs, would infuse the base incense with the exact magical intention to make the incense personal to the spell or ritual at hand.

The list of names given here, is of the most widely used incense in standard occult practice. They are powdered incenses which correspond to the purpose of their name. The name is the key to use and the name of a "thing" is the power of the thing itself in Voodoo Law.

As incense powders and herbs are being mixed, the wizard or wizardess should chant a little ditty embodying the idea for the purpose of the incense to charge it up magically with the practitioner's own power of mind and vision. This is the traditional method of working by and with the magical tides.

BURNING POWDERED INCENSE

These herbal combinations in powder form burn right off a match and do not require charcoal to burn. Use a thurible or burner with a bit of earth on the bottom to insulate from overheating. The powders do become quite hot and a hot Thurible could scorch one's altar, cloth or furniture. Make sure then, that the area where you burn incense and candles, is by all means vacant. Only so that when you are doing work of magic, your mind is not preoccupied with safety issues.

Chapter Five

WHITE MAGIC

Undo Spells

White Candle-Clearing Space

So often it happens, that a magical spell will set in motion a chain of events that are strange in nature, or most likely what one would describe as: weird things are happening...

Most people think that strange happenings have to do with magic, yet the reason is usually rooted in the ceremony itself and the one who practices the art of magic and spells while not in full intensity of vibrations which such a form of art requires. The high vibrations needed are gathered in one's aura during the magical ceremony and are purely produced by a heart filled with joy and ecstasy. That means, one has to be really passionate with this kind of work and even when motivated by love, revenge, hate or jealousy for an example, the emotional impacts have to reach very high in order to carry the quality of vibration needed to accomplish the magical task.

"White Magic" is associated with an old school of magic, where methods of Light and clarity are being applied to one's "purity of intent" (some times referred to as The Universal High Intelligence).

The White Light balances all confusing results that are manifested by immature or unwise wishes. Once the White Light is invited in for the purpose of correction, it will set forth a set of personal and universal lessons, for one to expand their learning experience and eventually to know more about themselves.

Friday night is good for white magic experiences. Light a white candle in the same place you had the previous ritual, keeping in mind that this time there is nothing you want or wish for yourself or for others, other then total release and freedom from the last creation.

(White Magic - continued)

It is not necessary to blame oneself or others for an unwanted result of a Spell nor is it recommended to approach the whole issue as being a "bad thing". Be simple about yourself and others while clearly stating your only desire - to see life taking its natural course with no interference of any personal will.

In your silent moment say:

I FREE MYSELF FROM THESE OLD NEEDS
TO GUIDE AND RULE MINE AND OTHERS DEEDS
I GLADLY GIVE THE ONE LIGHT - ALL THAT I AM,
KNOWING THAT I, ME, AND MINE -
ARE DIFFERENT WORDS,
BUT THEIR MEANING IS YET THE SAME.

GUIDE ME THROUGH MY GROWING STAGE
WHERE ALL THINGS AROUND ME
MATURE IN AGE
SHINE THE WHITE AND RUBY BRIGHT,
REVEAL THE PATH OF WISDOM INSIGHT
WHERE ALL DESIRES OF HEART ARE MERELY THE SAME
BUT THE ONE TRUE WILL
TO KNOW
WHO I AM.

Let the candle wear itself out with no interference.
