

the ORDER OF PHOSPHORUS

The entrance into the Circle of the Devil
Blackthorn way and serpent skin
Illuminate perversion within
And in darkness bound
There the Flame of Iblis found

Within is both curse and blessing
From which there is no turning back
Read carefully the letter
For flame and serpent power await...

For the members of The Order of Phosphorus only
May a curse befall the uninitiated
And Silence Haunt the ones whose tongues are not stilled
Obey the Witches Pyramid

Oath of the Sorcerer

(From THE BOOK OF THE WITCH MOON by Michael W. Ford)

To Know

Knowledge is key and central to belief systems and advanced techniques of magick. Knowledge of the self is fundamental to your ability to practice this art of the hidden. The statement "Know Thyself" is significant in that therein lies the key to personal power. The sorcerer is an avatar of the magickal current which is embodied through him/her.

To Will

The Will of the sorcerer is the strength of magick and witchcraft, to change his/her surroundings according to the desire held. Without the Will magick is not and holds no power. Focus and belief issue forth an independent view and strength which none can touch. The True Will or 'Knowledge and Conversation of the Holy Guardian Angel' implies knowing the essence of thyself and the direction it should lead one in life.

To Dare

To dare is to test the methods of sorcery, to push the self to the limits both mentally and physically. This is the essence of knowledge and the building of individual strength.

To Keep Silent

Secrecy is the honor of the Sorcerer, the very essence of the genetic make up which defines who a person is. Within the Circle, there is truth and outside the circle this same truth is a LIE (Serpent).

THE GREAT WORK

Know well that the Great Work is the essence of initiation. The Great Work is becoming and the Communion and Knowledge of The Luciferian Angel, the Holy Guardian Angel. Seek the Light which brings liberation, knowledge, self-love and ultimately power. By the Antinomian path can you go forth to become in the image of your Gods and Goddesses, they are made great within you. Let this guide you through your basic steps of initiation, to begin your lifelong journey on the Left Hand Path, to make great that which lies deep within your subconscious. Be prepared to open the gates of hell, and through the darkness shall the Fire of Azazel bring you forth to the Flesh of Cain unto the Light.

Begin your initiation within Phosphorus by the RITE OF PHOSPHORUS found in the introduction booklet. You may in turn prepare a personal dedication as follows for your journey and Pact with the Devil and the Powers of Darkness. Know well that these terms are veiled considerations for more deific powers within your self, that by this path shall you uncover your possibilities and emerge in the Light of Deific Knowledge.

The following is from Reginald Scot's, Discoverie of Witchcraft, 1584. This oath is long practiced in English witchcraft, and has been brought to us by Soror Tekla III^o, and adapted further by Frater A.S.A. IV^o. Prepare the rite in your own way, yet throw yourself into the gates of hell and dance the widdershins path around the black sun, drink the blood of Seth-an which is given as the Elixir of the Serpent, Pay homage to the First Murderer and Satanist, whom you shall cast your shadow as.

Prepare your oath and recite accordingly.

Magical Names

Magical names are reflections of the perceived essence of the magician. One may find their own magical name as a combination of letters and numerical values which represent their current focus. Please look to ABRAMELIN for a plethora of names under specific Daemonic forces, one may use attributes and combine them to discover your name, 777 is an excellent reference for numerical values.

The Oath of the Circle

Know that the very symbol above is a simplistic sigil which represents YOU and the power you have within. Leviathan, the Lord of the Subconscious, the Daemon and Dragon of the expanding boundaries of the Self, brings in union the Blackened Fire of Samael with the Darkness of Lilith, they beget the Son who is Cain. As Cain is initiated with the fallen wisdom of his Father's spirit (the Averse Pentagram), he becomes the First Satanist and Witch begetter. Cain is as Baphomet, the Infernal Initiator.

Perform your Oath in silence in tradition with The Witchcraft.....

The Infernal Pact

o. The Oath of the Fallen

'I deny God and all Religion
I curse, blaspheme, and provoke God with all despite
I give my faith to the Devel, and my worship and offer sacrifice to Him.
I do solemnly vow and promise all my progeny unto the Devel
I swear to the Devel to bring as many into his society as I can
I will always swear in the name of the Devel.'

"I conjure thee O divell, by him, whom I carrie in my hands, that thou exercise not these great visions and phantasies by these men, to the drowning of this people." *Reginald Scot, Discoverie of Witchcraft 1584*

I. The Denial of the Path of Christ

'I deny the sickness of Heaven, I deny the Baptism of blind faith
I adhere to the Devil and believe only in myself and my desires.
I would fuck on the cross with a harlot whose flesh has tasted the tongue
of the Virgin Mother, whose flowerless visage has lent itself to wanton
abandon.

I would fuck the Scarlet Whore, the Concubine of Satan upon the altar
of Christ, whose desire took him from the hanging place to the lusts of
the flesh. I deny Christianity the path of self-dissolution.

II. The Baptism in the Devil's Name

I, ___ Birth name ___, hereby on the day of _____,
announce the dedication to the path of the wise, from which
the Left Hand Path shall be revealed unto me! I proclaim my
birth rite towards the Luciferian Path of ascension.

I free my spirit to be now free unto myself, so that I may
develop the gift of Azal'ucel, the Black Flame itself!

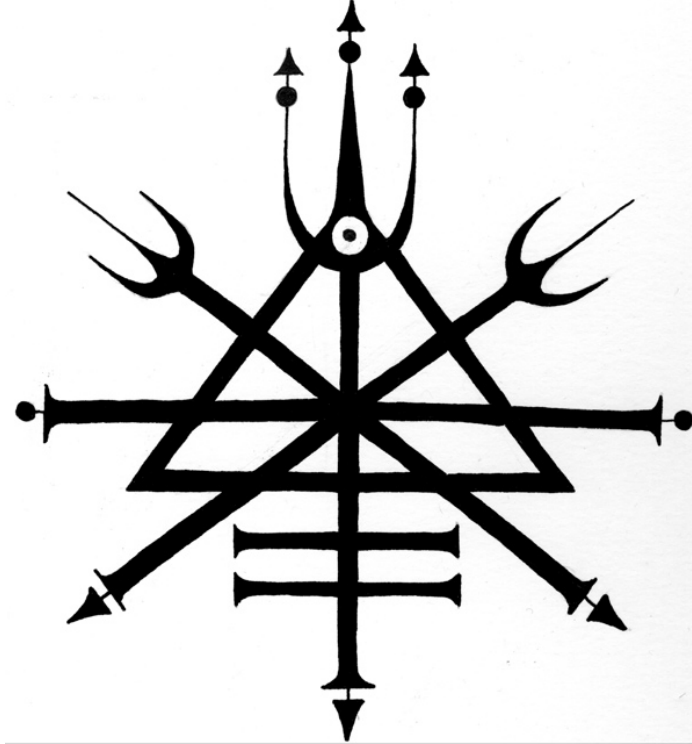

My name shall now be _____, a child of the Fallen Seraph, Asmodeus, Astaroth, Belial and Lilith bless my sacred path to the great serpent-angel Shaitan called Azal'ucel

III. The Black Pact (*From Urbain Grandier's pact*)

·Nos praepotens Lucifer, juvante Satan, Belzebub, Leviathan, Elimi, atque, Astaroth, aliisque, hodie, habemus, acceptum pactum foederis Name qui nobis est. Et huic pollicemur amorem mulierum, florem virginum, decus monacharum, honores, voluptates et opes. Fornicabitur triduo; anno sanguinis sigillum, sub pedibus conculcabit sacra ecclesiae et nobis rogationes felix in terra hominum, et veniet postea inter nos maleficere Deo. Factum in infernis, inter consilia daemonum.

The Luciferian Supper of Cain

The practitioners should have some meat, prepared medium rare or even rare to consume symbolic of the Flesh of Abel. The witches will also need to have some wine or ale symbolic of the Blood of Abel.

“I am that which first caressed stone with the flesh of Abel
Whose last breath sucked at life as fangs on a vagina sucking at the feverish cock of
a fallen priest, a church painted black with the blood of the moon.
The falling rock tore away the ignorance of Cain, who was no longer as Abel,
when the blade tore into flesh the flies heard this delicate call
Like the sound of leather stretching, and a skull cracking open as a cock being
withdrawn from the moment of ejaculation upon a whores beasts
At the moment when the blade and stone destroyed the clay of Abel
Did the thirst of Lilith grow, like serpents slithering from her cunt
And danced upon my spine, burning tendons as Satan stood watching
A dragon woke in my flesh, the slug-slimed saliva of the dead flesh of Abel was
ignited in the Blackened Lightning of a Serpent, and did then this fire arise up to
me.

In this moment of death did life emerge, a wolf whose pulsating member violated
with welcomed abandon the whore who sought the flesh of Lilith, turned gaping
and dripping jaw up towards the burning sun, which was eclipsed by the Moon,
and a serpent hissed towards the moon with fangs and tongue knowing the depths
of the womb of my own Spiritual mother, Lilith unto me at the moment of
orgasm and death!

Cain as I am now as a God, yet cursed by the sheep fucking majority, their
farming communities denouncing those who seek a isolation beyond their
understanding. Satan be thy name, as my father the Devil!

The fruits of the Skull had opened up, drinking deep of the blood and venom of
the Cup from a spirit-less skull, did I devour and seek the Beast within! My
Demon was now fed, feasting with the heat and lust as the torn core of a woman,
whose serpent tongue flickered me to spilling seed in her teeth ripping womb.

I drink the blood of my father in the honor of the Sun and the Moon!”

Coena Domini Sathanas

The Flesh:

“Behold, the flesh is the nourishment of the shadows, let us eat this flesh in remembrance of the first falling stone, let us praise the darkness which lifted Cain up as the Son of the Beast!”

The Blood:

(Holding the Skull cup or chalice) -“ Let us drink in honor of the first blood split, that first hungering gleam of the wolf on it's prey, the first taste of the elixir of life which nourished the skin of the Great Whore, that very desire which deflowers the Holy Virgin, who became as our whore. Let us drink in honor of Seth-an the Father and Cain the Son. With this blood do our eyes open!”

The Sacrifice:

(Sexual) - the participants will spit upon a cross and then turn it upside down, praising the Luciferian Trinity of Samael - Lilith - Cain, then an image of the Virgin Mary will be placed down and the practitioners will fornicate upon it. The elixir from this union will be used to anoint both the cross and image of Mary, wherein self-reliance will be focused upon. There is no connection at this point between the sorcerers and the strangulation hold over the psyche the Religious foundations have sought to keep. You are free but you are alone, be as Cain. Create!

(Ceremonial) - destroy images you are familiar with in your life which are concerning a form of stagnation and repression - religious or other. Create an ambience of blasphemy and self-liberation.

The Infernal Prayer

(By Nathaniel Harris, author of *Witcha, a Book of Cunning - Mandrake of Oxford*)

“OUR MASTER who laughs at Heaven
Legion be thy names
Our Will be done
Thay shy become
On earth in full manifestation.
Give us this day our daily flesh
As we shall fornicate with those who frotage against
us
Lead us not into abstention
But into power and glory
For pleasure, and leather,
Hymen.”

The Hissing of the Serpent

- The Words of the Devil - Cain -
A Solitary Circle chant of Ensorcelment

“Hear now the Words spoken from the torch bearer
I stand before those who would encircle themselves in darkness to know light
It is I as Spirit - Daemon, which brought the fire to humanity
Thus the profane were lifted up
In flesh I am the Son, who drinks of the Sun and the Moon,
The Ecstasies of Light and Darkness
When your eyes are closed can you understand
The Mask of the Devil is the Bringer of Light
In darkness with my mother am I found - Az - Jeh - Lilith
In my Brides Womb am I found - Naamah
I hold the hammer which summons forth Black Light
And the Stave which ascends in the Sun
Then may my face be revealed - Adversary
Blood drinker, Life Giver, Azal'ucel, Ahriman
Cain am I in the Flesh born of Dragon and Whore”
