11, 13 and 33 The Illuminati / Freemason Signature

by Robert Howard

In my research regarding the Freemason's, United States Presidents and The Masonic Power Structure I was constantly running into the number 13 and 33. This research confirmed that most of the founding fathers were Masons. It also confirmed that most of the Presidents were Masons. My first run in with 13 of course was the 13 colonies. Second was the great Seal.

For a detailed look at the number 11 see Destruction of the Trade Centers: Occult Symbolism Indicates Enemies Within Our Own Government

"The numbers 3, 7, 9,11,13, 33, 39. Any multiple of these numbers have special meaning to the Illuminati. Notice that the Bilderberg Group has core of 39 members who are broken into 3 groups of 13 members in each group. Notice that the core of 39 answers to the 13 who make up the Policy Committee. Take special notice that the 13 members of the Policy Committee answer to the Round Table of Nine. You know that the original number of states in the United States of America was 13. The Constitution has 7 articles and was signed by 39 members of the Constitutional Convention." Secret Societies / New World Order: by Milton William Cooper

Occultists the world over believe that, once a symbol is created, it acquires power of its own, and more power is generated when such symbol(s) are created without the profane [uninitiated] knowing about it. And, the greatest power of all is created in the symbol(s) if the uninitiated NEVER discover that the symbol exists. MASONIC SYMBOLS OF POWER IN THEIR SEAT OF POWER -- WASHINGTON, D.C.

There are 13 leaves on the left olive branch with 13 berries. 13 stripes on the middle shield. 13 arrows on the right. 13 stars above the eagles head. 13 letters in the "E Pluribus Unum" on the ribbon. 13 letters in Annuit Coeptis. There are 13 blocks top to bottom on the pyramid. Fritz Springmeir in his The 13 Bloodlines says these 13 blocks represent the 13 Satanic family's.

n the circles at the end of the hexagram points it even spells the word Mason.

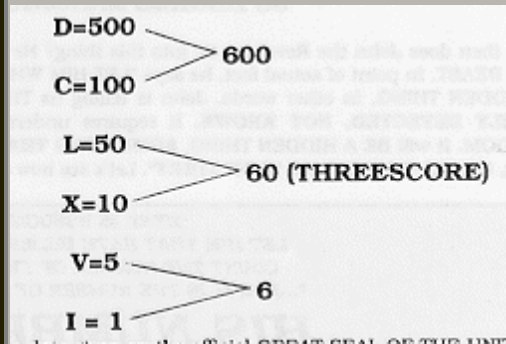

The Roman Numerals at the bottom of the Pyramid: MDCCLXXVI

We do not have to add them together to get the MARK OF THE BEAST OR THE NUMBER OF HIS NAME. John does not tell us to ADD THEM TOGETHER. It is not that we cannot add them together, but the point is John does not TELL US TO ADD THEM TOGETHER. We then will take a different tact to solve the riddle. We will use EXACTLY WHAT THE BIBLE TELLS US: 600, 60 and 6. We will start with the REVERSE GREAT SEAL, the SEAL THAT DANIEL GAVE TO US. Embedded at the base of the PYRAMID ARE THE ROMAN NUMERICAL LETTERS: "MDCCLXXVI".

Now you would normally read that as 1776, which is correct. THAT IS THE "OBVIOUS" MEANING OF THOSE LETTERS. But what is the HIDDEN NUMERICAL VALUE OF THOSE LETTERS? And what if we took all of the Roman Numerals together and added them up? The Romans used the following letters for their number system: DCLXVI with D=500, C=100, L=50, X=10, V=5, and I - 1. The M letter was not used until much later.

Now if we take these letters and add them all up, we come to 666. If we take them as Scripture gives the number, we come up with this in descending order: <http://www.truinsight.com/666%20USA%20GREAT%20SEAL.htm> External Link

There are 13 stars in the Masons square on the treasury seal on the right. The Department=13 of the treasury=13.

E.W. Bullinger writes:

"As to the significance of thirteen, all are aware that it has come down to us as a number of ill-omen. Many superstitions cluster around it, and various explanations are current concerning them.

"Unfortunately, those who go backwards to find a reason seldom go back far enough. The popular explanations do not, so far as we are aware, go further back than the Apostles. But we must go back to the first occurrence of the number thirteen in order to discover the key to its significance. It occurs first in Gen. xiv. 4, where we read 'Twelve years they served Chedorlaomer, and the thirteenth year they REBELLED.'

"Hence every occurrence of the number thirteen, and likewise of every multiple of it, stamps that with which it stands in connection with rebellion, apostasy, defection, corruption, disintegration, revolution, or some kindred idea." (Bullinger, E.W. Number in Scripture, Kregel Publications, (c)1967, p. 205).

Was not the founding of America in REBELLION of England? The number 13 and 33 is the freemasons number.

I remember reading somewhere that this wasn't witches at all. It was Christian women who caught the elite using witchcraft and they were burned at the stake instead.

In the Nation's Capitol the father of "ONE nation under God," George Washington, is memorialized in the rotunda ceiling on a mural entitled, The Apophosis of Washington. The mural pictures the nations first father surrounded by 13 maidens.

On August 6, 1945 at 8:15 a.m. United States B-29 bomber Enola Gay, on Mission No. 13, dropped an atomic bomb called "Little Boy" on Hiroshima, Japan near the 33rd Parallel. This was "Day One" of a new age, the Nuclear Age. To understand the change that took place, we must back up and look at the importance of the number 13 from the formation of the United States to the atomic bomb's explosion in Hiroshima.

In 1935, Paul Foster Case wrote: "Since the date, 1776, is placed on the bottom course of the pyramid [on the Great Seal], and since the number 13 has been so important in the history of the United States and in the symbols of the seal, it is not unreasonable to suppose that the thirteen courses of the pyramid may represent thirteen time-periods of thirteen years each." The 13 time-periods of 13 years each equaled 169 years. From July 4, 1776 to July 4, 1945 equaled 169 years. From July 4, 1945 to August 6, 1945 (Hiroshima) was 33 days.

"President Kennedy was wounded in the exact three same spots as Hiram Abif, who was murdered in the Masonic initiation, representing the persecution of the Templars on Friday, the 13th, in the year 1307, where Hiram Abif is struck in the back, and in the throat, and in the head. Dealey Plaza is just a very few short miles from the 33rd parallel. The highest degree of the Scottish Rite of Freemasonry, the Meritorious Degree, the Degree of the Illuminati, whose motto is "Ordo Ab Chao" or "Out of Chaos Comes Order"--which literally means if they break down the existing structure and cause the population to cry out for order, they will emerge as the rulers and will have the world that they seek." The Cuban missile crisis lasted 13 days, which suggests a ploy or fake crisis. The upcoming movie is even entitled "13 Days."

Many movies have the number 13 in the title. 13 Frightened Girls (1963), 13 East Street (1952), 13 Floors (1991), 13 West Street (1962), 13 Fighting Men (1960), 13 Ghosts (1960), A remake of this movie is in the process right now. 13 Lead Soldiers (1948), 13 Men and a Gun (1938), Apollo 13 (1995). 6 Days and Seven Nights with Harrison Ford. 6+7=13. We even have a rating for movies PG-13. In case you didn't know it, Hollywood is owned by the masons. Obvious isn't it. John Wayne was a mason. How many of us played cowboys and Indians.

No one wanted to be the Indian. Indians got killed we all knew that. This was Hollywood's way of glorifying the mass murder of a race of people. Same way in Germany. The kids played Nazi SS and Jews. Every kid wanted to be a Nazi, never the Jew or Christian.

Gene Rodenberry creator of Star Trek series was a mason. Even the name Vulcan was the name of a false Roman god.

Kind of taking that too far? Who's to say those aren't just coincidences? How can you take that information, and assume the masons control Hollywood and whatever else you were saying. It's a nice..concept, but it's just that. No one knows the real truth.

I'm sure some are coincidental, but i'm also sure, some are intentional....

How could you take this information and assume that it's ALL coincidental...  
Nice concept eh.... no comment there.... read, and this well put together research project shall set you.... straight.

It all jives so well together...

Take out "some" of the coincidences that don't sit well with you, and the word "most" and replace them with what you feel is sufficient, and the rest of the theory should jive pretty well...

I think a Masonic Bible is used *only* if the President-elect requests it. Otherwise it is a normal Bible...

I could be wrong, but I think that's the deal...

\*BTW, a Masonic Bible is no different that a normal KJV except it has a square and compass on it, and it has some references to passages that are relevant to Freemasonry, as well as a page to record when the Mason was initiated, passed and raised. Maybe some other stuff, but all in all it's just a KJV. I think someone told me that his had the words of Jesus printed in red so as to stand out...\*

I will let the facts speak for themselves.

As a Mason goes through the 32 degrees of the Scottish rite, he ends up giving worship to every Egyptian pagan god, the gods of Persia, gods of India, Greek gods, Babylonian gods, and others. As you come to the 17th degree, the Masons claim that they will give you the password that will give him entrance at the judgment day to the Masonic deity, the great architect of the universe. It is very interesting that this secret password is "Abaddon".

Revelation 9: 11 They had a king over them, the angel of the Abyss, whose name in Hebrew is Abaddon, and in Greek, Apollyon" The 'angel' of the Abyss (Hell) is really the chief demon whose name is Abaddon. Masons claim then, that the deity they worship is Abaddon.

There is no such thing as a "Masonic Bible", the prevailing book of holy scripture in North America is the King James Bible (which is sometimes printed with a Square and Compasses on the cover and a few pages in the front for those present at a person's Initiation, Passing and Raising to sign) in unaltered form. The President-Elect has a choice as to what Bible is going to be used (Bill Clinton was sworn into office on a Bible given to him by his grandmother). The more compelling nuance (IMO) is the chapter and verse the Bible is opened to for the ceremony...

For those of you who can't accept the idea that the United States has occultic roots should consider the following street layout of Washington D.C. and its meanings.

According to occultists/Satanic doctrine, the upper four points of the Goat head (left) represent the four elements of the world, Fire, Water, Earth, and Air. The bottom fifth point represents the spirit of Lucifer. In the above photocopy of the Goat head Pentagram, the fifth point extends down into the mind of the goat, who represents Lucifer. Notice the above pentagram of the Washington Streets layout in which the south part of the pentagram falls on the White House. Where the Spirit of Satan is to dwell.

On January 20th, in just a few short days, the occult ceremony of Presidential inauguration will take place. The new Commander-in-Chief will face the sacred Egyptian obelisk, known as the Washington Monument, and take the inaugural omens. I have a picture of the inaugural platform as it is being built, and looming above it in the distance is that accursed image in the distance. I have been inside that Egyptian monument to the pagan sun-god on two occasions, and the presence of evil in that place defies description. The pyramid-shaped top of the structure has two windows that are illuminated with red light at night, and the effect is like two glowing red eyes overlooking the city. This 555 foot piece of masonry sometimes casts an ominous shadow across the reflecting pool toward the capitol building, and it is the first object that the sun strikes as it rises over this occult city in the District of Columbia. It is also interesting to note that if you convert the 555 feet of height into inches, it comes out to 6660, which reveals the number of the beast imbedded in the sacred geometry of the structure. It is with this backdrop that the inauguration will take place at the very moment that the witches are celebrating the sun entering the sign of Aquarius. A New Administration Ruled By The Same Illuminati!

In reading Svali's The Illuminati: Interview With Ex Illuminati Programmer in her 2nd series pt12 The Top of the Pyramid she states the following:

(Begin Excerpt) "The United States has been divided into seven different regions geographically. Each region has a 13 member leadership council that coordinates with the local leadership councils (are you getting the idea by now? The Illuminati are set up a lot like "Amway" or any other well-organized business enterprise with a flowchart of accountability for each member). This council will look something like this: Head of council (1), Military (2 seats), Spiritual (2 seats), Scholarship (2 seats), Finances (2 seats), Training (2 seats), Sciences (2 seats). Total: 13 members."
