It simply takes a genuinely inquiring heart and mind to realize that there are countless numbers of major conspiracies within our social-system designed to manipulate the minds of the masses.

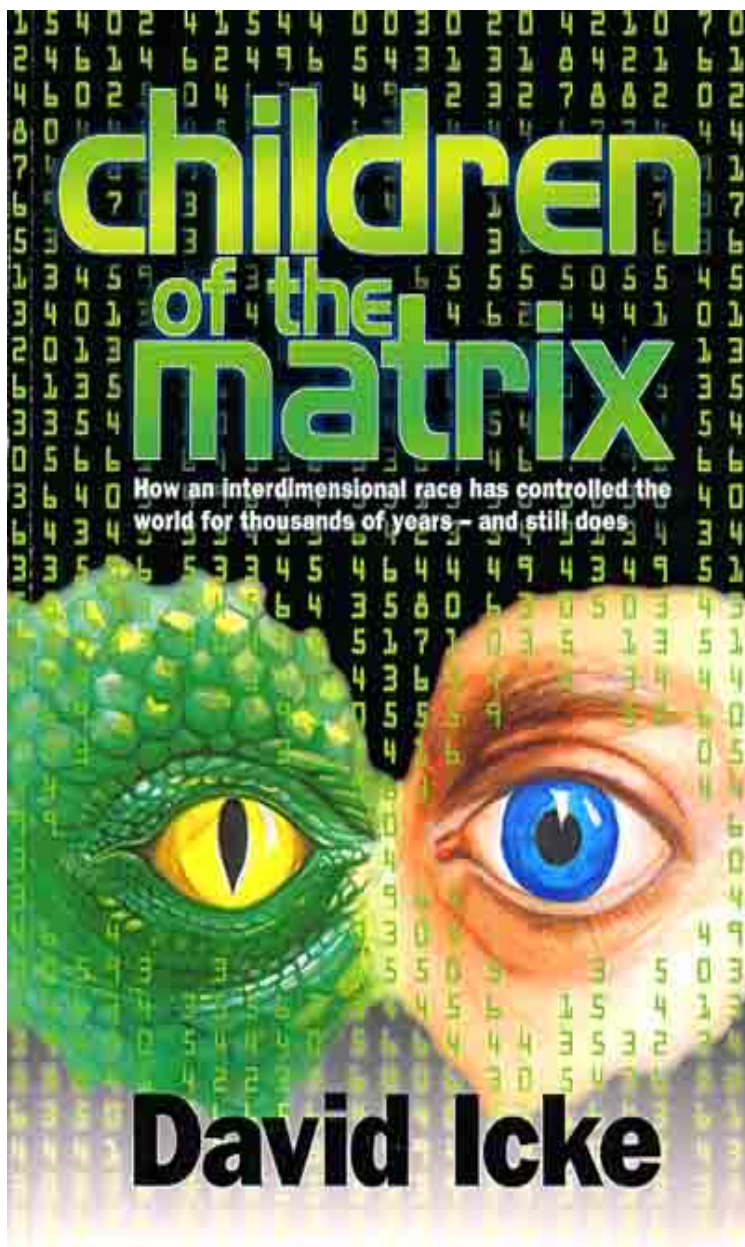

It simply takes a genuinely inquiring heart and mind to realize that they are all connected by the same controlling force.

George Farquhar - Project Freedom Human Rights Watch

Seeing The 'Bigger Picture'

IF YOU EVER READ JUST ONE BOOK IN YOUR LIFE - THIS IS IT!

When I first read David's book 'Robots' Rebellion' in 1994, I realised he was a very special person. Unique in the way he expresses his truth. David exposes many Human Rights atrocities by our 'authorities', in particular the Ritual Child Abuse network, presented in the chapter 'Suffer Little Children' from ***Children of the Matrix***. I am now also personally dedicated to expose this major Human Rights abuse against our children.
Love, George Farquhar, Project Freedom Human Rights Watch.

We are born into a world controlled by unseen forces that have plagued and manipulated humanity for thousands of years. No, this is no script from a Hollywood movie. It is happening to you NOW.

You may look around and think that what you see is "real". But in truth you are living in an illusion - an illusion designed to keep you in a mental, emotional, and spiritual prison cell.

David Icke exposes these forces and their methods of human control and he reveals a fantastic web of global manipulation, orchestrated by forces beyond this physical realm. He exposes the hidden bloodlines, through which other-dimensional entities live and operate unseen among us; and he shows how the bloodlines of the royal, political, and economic rulers of today are the same as those who ruled as the kings and queens of ancient times.

Icke takes the story on from his highly acclaimed ...*And The Truth Shall Set You Free* and *The Biggest Secret*, and he lifts still further the veil of secrecy that has maintained humanity in manipulated ignorance for so long.

The truth is not only out there. Much of it is right here.
