LIFE PLANNING by Manly P. Hall

I. PLANNING A CAREER

II. PLANNING A HOME

III. PLANNING FOR RETIREMENT

The series of articles in this booklet are reprinted verbatim from the P.R.S. Journal. Many friends have expressed the desire to have this material in a convenient form for their own use and to pass on to interested friends.

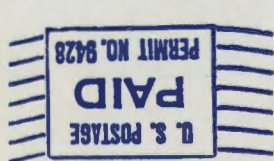

In these confusing times all age groups have found their security seriously undermined. Young people have difficulty in adjusting their lives to the demands of the business world. Homes are more insecure than ever before in history, and older persons find themselves without adequate internal resources with which to meet the tensions and pressures of today.

Our publication offers practical suggestions which can be used successfully in meeting the challenge of contemporary living.

LIFE PLANNING makes an ideal inexpensive gift. Its inspiring message is based on fifty years of practical counselling. It will help you to help yourself and enable you to give wiser guidance to those who seek your advice and understanding.

ADVENTURES IN UNDERSTANDING by Manly P. Hall

Many of Mr. Hall's most important teachings have been given in Sunday morning lectures. Some of these have been published in mimeographed form for a limited number of subscribers. Many are out of print and they have never appeared in book form.

ADVENTURES IN UNDERSTANDING consists of verbatim notes of eight lectures, which have been selected by popular request and deal with practical problems of modern living. The Chapter headings are as follows:

The Art of Living with People
Is Futility a Feeling or Fact?
Achievement without Tension
Mental and Emotional Blocks

Simple Defenses Against the Impulse to Become Irritated
The Misfortunes of the Kindly Soul
Mental Management
Creating a Dynamic Purpose in Life

As these titles will indicate, ADVENTURES IN UNDERSTANDING is a self-help book, based on Mr. Hall's very broad experience in working with problemed persons.

The book is attractively printed on a good grade of paper, bound in full cloth, stamped in gold, 218 pages, including a special Foreword by Mr. Hall. Price \$5.00, plus prevailing sales tax in California.
