United States Presidents and the Masonic Power Structure

1825-1829 John Quincy Adams, 6th. President of the United States (DR) Unknown Mason status. (Rumored famous Anti Mason.) Vice President, John C. Calhoun, 1829-1832. Unknown Mason Status.

1826-1828 Robert Trimble. S.C.J. Associate Justice. Nominated by President John Quincy Adams. Also was Master of his lodge, Union #16 in Paris, Kentucky. Confirmed **Mason**.

1826 CAPTAIN WILLIAM MORGAN, of New York, an intelligent man, and an inflexible republican, convinced of the dangers of *Secret Societies*, in a free Government, resolved to use his best endeavors for their suppression. Being a Royal Arch Mason, he had witnessed the corruption of the Institution. He saw it was an engine of personal advantage and political aggrandizement; that it gave to its members unfair advantages and extra privileges over the unsuspecting community; that its insidious influence extended to every transaction in society, raising as it were the Masonic combination unto a PRIVILEGED ORDER, who, under the Royal Names of GRAND KINGS, *Grand Sovereigns*, and *Grand High Priests*, in darkness and secrecy, ruled and plundered the people. CAPTAIN MORGAN was a soldier and a brave man. He saw this detestable conspiracy and he *dared* to risk his life by bursting its shackles and warning an injured people! Morgan wrote a book exposing the Masons, (*Illuminations of Masonry*) He was arrested by a gang of Masonic desperadoes, at the insistence of the Master of the lodge of Masons in Canadaigua. (*B.J. Lossing, The Empire State, American Publishing Company 1888 p. 471*) who came 60 miles after him, *in the morning* about sunrise, Sept. 11, 1826. Morgan was bound and weighted and drowned in the Niagra River by the Masons. [An Account of the Savage Treatment of Captain William Morgan, by Edward Giddins](#) A monument to William Morgan, thirty eight feet in height and weighing forty tons stands in the old cemetery in Batavia, New York. On its base are carved the following inscriptions:

"Sacred to the memory of William Morgan, a native of Virginia, a captain in the war of 1812, a respectable citizen of Batavia, and a martyr to the freedom of writing, printing and speaking the truth. He was abducted from near this spot in the year of 1826, by Freemasons, and murdered for revealing the secrets of their order. The court records of Genesee County, and files of the Batavia Advocate, kept in the recorder's office, contain the history of the events that caused the erection of this monument, September 13, 1882. The bane of our civil institutions is to be found in Masonry, already powerful and daily becoming more so. I owe to my country an exposure of its dangers." - Captain William Morgan.

Following the murder of Captain Morgan, three state legislatures investigated Freemasonry. New York, 1829; Massachusetts, 1834; and Pennsylvania, 1836.

In addition to obtaining corroborative testimony from other Masons who left Freemasonry, as to the nature and substance of the oaths, the investigations revealed that an operative criminal empire had entrenched itself in America. Obstruction to the investigations was encountered at every level.

1829-1837 Andrew Jackson, 7th. President of the United States (D) Confirmed Mason. (*New World Order: The Ancient Plan of Secret Societies, William T. Still, pg. 21*) **Initiated: The record for Brother Jackson has not been located. He seems to have been a Member of St. Tammany Lodge No. 1, Nashville, Tennessee, as early as 1800. It was the first Lodge in Tennessee, organized in 1789, under a Dispensation from the Grand Lodge of North Carolina. The name was later changed to Harmony Lodge No. 1 on November 1, 1800. Brother Jackson is officially listed as a Member in the Lodge Return to the Grand Lodge of North Carolina and Tennessee for 1805. On December 27, 1813, the Grand Lodge of Tennessee was granted its own Constitution. Brother Jackson was the sixth Grand Master of Masons of Tennessee, serving from October 7, 1822 until October 4, 1824. Strengthened Presidential Veto Power. Vice President John C. Calhoun, 1829-1832. Unknown Mason status. Vice President, Martin Van Buren 1833-1837. Confirmed Mason. Andrew Jackson was related to the following Presidents: William Harrison, Jefferson, Tyler, Benjamin Harrison, Calvin Coolidge, Harry Truman, and Lyndon Johnson.** (*Everything is Under Control. 1829-1861 John McLean, S.C.J. Associate Justice. Nominated by Mason President Andrew Jackson. McLean is listed in 10,000 Famous Freemasons as having been a member of Columbus Lodge #30 in Columbus, Ohio, but he is not listed in Masonic Trivia and Facts or in the The MSA 1940s study. Confirmed **Mason.**

1830-1844 Henry Baldwin, S.C.J. Associate Justice. Nominated by Mason President Andrew Jackson. Also was Master of Lodge #45 in Pittsburgh, Pennsylvania, in 1805

1830's and 1840's most Masonic lodges in the Northeast had to surrender their charters and disband. Radical doubt was cast on the American Revolution because of the involvement of the "Founding Fathers" in Masonry. In a booklet by "Tubal Cain of Utica, was information concerning the involvement of Washington, Jefferson, Franklin, and the Marquis de LaFayette. These facts were widely circulated according to letters and diaries of the period.

1831 The uproar of the public at the outrages of Masonic treatment of William

Morgan is probably the greatest popular uprising in American history and resulted in our nations first national political party conventions in (The Anti-Mason Party Convention in Baltimore). In Syracuse, New York, Lincoln's future Secretary of State, William H. Seward, remarked in a speech: "Have you not seen Freemasonry thus stained with blood." (*William H. Seward, Oration of 1831, University of Rochester, Library Archives*).

1831 Henry Clay, loosing Presidential candidate for Presidency (NR) Confirmed *Mason*. Henry Clay was Grand Master of the Grand Lodge of Kentucky and Grand Orator for the G.L. 1806-09. Very good friends to the Illuminati [Dupont's](#). The DuPont's were already one of the primary top families, it is rumored that Clay was coming to them for guidance on how to steer the nation. 1831 Guiseppi Mazzini 33° Founder of Italian Freemasonry. Revolutionary Terrorist Leader. Sicilian Gangster. Mafia Founder. Confirmed *Mason*.

1832 It all began at Yale. General William Huntington Russell and Alphonso Taft put together a super secret society for the elite children of the Anglo-American Wall Street banking establishment. **Skull and Bones**. William Huntington Russell's step-brother Samuel Russell ran "Russell & Co.", the world's largest OPIUM smuggling operation in the world at the time. 1832 The Anti-Mason party challenges Mason Andrew Jackson and his running mate Martin Van Buren for the office of President of the United States.

1832 William Wirt, loosing Presidential candidate for Presidency. Confirmed *Mason*. This one is not in the history books.

1833 John Quincy Adams, the sixth president of the United States, wrote a letter to W.L. Stone which is one of the most devastating analyses of Masonry on record and demonstrates clearly, by a man who should know, the extent of the festering cancer in our courts and newspapers. Other parts of the world during this Presidency: Switzerland: 1839-1858 Jonas Furrer, 1839 Leader of the Zurich Liberals. **1842-1846**, Vice President of the Swiss Confederation. 1846-1858. President of the Swiss Confederation four times. Confirmed **Mason**.

1840 Martin Van Buren, losing Presidential candidate for Presidency (D) Confirmed **Mason**.

1841 James Shields. He was an Irish immigrant who settled in Illinois and became an active Mason in January 1841. Shields was a Democrat who became state auditor in 1841. Lincoln and the Whig party protested his policies, and several satirical letters appeared in the Springfield newspaper questioning Shields' honesty and mocking his physical courage. Shields was told that Lincoln had written these letters, and he challenged Lincoln to a duel. (*Lincoln's 'Duel'*, by Thomas O. Jewett, at page 142. Also see *Collected Works of Lincoln*, volume 1, at page 292.)

1841 William Henry Harrison, 9th. President of the United States (Whig) Son of Benjamin Harrison one of the signers of the Declaration of Independence. Died one month after taking office from Pneumonia. Unknown Mason status. Vice President, John Tyler, 1841. Unknown Mason status. However Henry Clay, Confirmed Mason was Grand Master of the Grand Lodge of Kentucky and Grand Orator for the G.L. 1806-09, and the leader of the Whig party, and I believe the power behind this President. Very good friends to the Illuminati DuPont's. The DuPont's played a role in the building of the American capital, which was laid out and constructed with numerous occult patterns. Harrison is

related to the following Presidents: Jefferson, Jackson, Tyler. Benjamin Harrison, (William Harrison's grandson). (*Everything is Under Control. Conspiracies, Cults, and Cover-Ups by Robert Anton Wilson pg 39-40*)

1841-1845 John Tyler, 10th. President of The United States (Whig) after the death of William H. Harrison. Confirmed Mason. (*Masonic Edition, Holy Bible 1951 Edition*) **No Vice President during this term. However Henry Clay, Confirmed Mason was Grand Master of the Grand Lodge of Kentucky and Grand Orator for the G. L. 1806-09, and the leader of the Whig party, and I believe the power behind this President. Very good friends to the Illuminati DuPont's. Tyler was related to the following Presidents: William H. 1845-1872 Samuel Nelson, S.C.J. Associate Justice. Confirmed Mason.
Nominated by President John Tyler.

1844 Henry Clay, loosing Presidential candidate for Presidency (W) Confirmed Mason. Henry Clay was Grand Master of the Grand Lodge of Kentucky and Grand Orator for the G.L. 1806-09. Very good friends to the Illuminati Dupont's.

1844 Murder of Joseph Smith. Also a descendent of Joseph Smith, Jr. who was Satanic Ritually Abuse victim, has quietly told certain people that her family is indeed a Satanic bloodline. Further, I have mentioned other confidential pieces of information about how the leaders of the Salt Lake City Mormon church (LDS) are working with the various parts of the Illuminati's empire, including the Jehovah's Witnesses. 1844 Brigham Young takes command of the Mormon Church. Young's first name was Brigham. It was given to him because of the importance of the Brigham family. His grandmother was Sibil Brigham. Sibyls were prophetesses of the ancient world, and the name is a semi-common occult name. Brigham Young and his family practiced magic. They were also intimately aware of their genealogy, which goes back to the Merovingian Dynasty! One wonders if it is coincidence that the [Merovingian's](#) primary symbol, the bee is also the symbol for the Mormon church and Utah. Look at a Deseret Industries (Mormon thrift stores) building in your area and you will see the bee on their side. But not only does Brigham Young have Merovingian blood from at least two lines of blood (and possibly as many as 6 lines of blood back), but he also is related to the Collins (Illuminati family of Massachusetts) Further, Brigham Young is also a blood relative of the Wheelers. If Young's Wheeler relatives are related to the Satanic Illuminati Wheelers, then we have an example of how 3 strains of top Satanic blood have interwoven and resulted in the birth of the Freemason, Witch, and President of the LDS Brigham Young. Although the public split occurred between Mormonism and Masonry before the Mormons went to Utah, that was only for public consumption. The leadership have coordinated activities. The Mormon religion is really a high rite of Freemasonry, and this explains why when the Mormons went to Utah, the Mormons held Masonic schools. (*Hosea Stout mentions these Mormon Masonic schools in On The Mormon Frontier; The Diary of Hosea Stout, ed. by Juanita Brooks, 2 vols., Salt Lake City: Univ. of Utah Press, 1964, 2: 415, 423.*) After going to Utah, Brigham Young contacted the chiefs of Freemasonry in England and proposed that Mormonism be granted a public charter to become its own Masonic Rite. The

hierarchy told him no. [The Freeman Bloodline](#) "Yes, Mason's, it is said, were among the mob that murdered Joseph and Hyrum Smith in Carthage Jail. Joseph, leaping the fatal window, gave the Masonic signal of distress. The answer was the roar of his murder's muskets and the deadly balls that pierced his heart". (*Mormon Elder Heber C. Kimball, a former Mason, quoted by Orson F. Whitney, Life of Heber C. Kimbal, p. 26*).

1844 Benjamin Disraeli, prime Minister of England, was attributed with this statement in 1844: "The world is governed by very different personages from what is imagined by those who are not behind the scenes."

1845-1849 James K. Polk, 11th. President of the United States

(D) Confirmed Mason. (*New World Order: The Ancient Plan of Secret Societies, William T. Still, pg. 21*) **Initiated: June 5, 1820, Columbia Lodge No. 31, Columbia, Tennessee. Brother Polk assisted in the Cornerstone Laying of the Smithsonian Institution, Washington, D.C., May 1, 1847. Governor of Tennessee 1839-1841. Vice President, George M. Dallas, 1845-1849. Unknown Mason status.**

1845-1851 Levi Woodbury, S.C.J. Associate Justice. Confirmed **Mason**. Nominated by Mason President James K. Polk.

1846-1870 Robert Cooper Grier, S.C.J. Associate justice. Unknown Mason Status. Nominated by President James K. Polk.

1848 Lewis Cass, loosing Presidential candidate for Presidency (D) Unknown Mason Status.

1848 Alexander Dumas wrote his *The Count Of Monte Cristo*. The Count is the Jesuit General. Monte=Mount, Cristo=Christ. The Count of the Mount of Christ. Alexander Dumas was talking about the Jesuit General getting vengeance when the Jesuits were suppressed, and many of them were consigned to an island, three hours sailing, West, off the coast of Portugal. And so, when the Jesuits finally regained their power, they punished all of the monarchs of Europe who had suppressed them, drove them from their thrones, including the Knights of Malta from Malta, using Napoleon. And Alexander Dumas, who fought for the Italian patriots in 1848, to free Rome from the temporal power of the Pope, wrote many books and one of the books was to expose this, and that was *The Count Of Monte Cristo*.

1849-1850 Zachary Taylor, 12th. President of the United States (Whig) Confirmed Mason. Also a member of the Knights Of The Garter. Order of the Garter is the core leader of the Committee Of 300. Vice President, Millard Fillmore 1849-1850. Unknown Mason status.

1849. October, 7. Edgar Allan Poe was murdered by a blow to the head. Poe was not a drunk or drug addict as history would lead you to believe and did not die from a drug overdose. (*John F. Courtney, M.D. Addiction and Edgar Allan (sic) Poe, Resident and Staff Physician, January, 1971 p. 107-115*). Poe was

exposing the Mason's through many of his short stories. It was inevitable that Poe would not only run afoul of the festering secret society's but end a victim of their 'arguments'. He was not a passive recipient, and he did his best to immortalize a searing indictment in Masonry in at least four of his short stories.

1. The Cask of Amontillado. A Roman Catholic aristocrat takes revenge on his Freemason enemy by walling him into a corner of the family catacombs, thus destroying his life and freedom by masonry. (*Kent Bales, "Poetic justice in the Cask of Amontillado", Poe Studies, 6, 1972, p. 51*) Insult is added to injury in this tale since Poe drew its central character and basic narrative situation from the Freemason, Benjamin Franklin. Since the name of Franklin's hero in Montresor and this is of course the name Poe has chosen for his; that his source is indeed Franklin is confirmed by William H. Shurr (*"Montresor's Audience" in the 'Cask of Amontillado' Poe Studies, 1, 1977*)

2. The Devil in the Belfry. Published in The Philadelphia Saturday Chronicle of May 18, 1839. Poe satirizes president Martin Van Buren and his corrupt political machine in New York. (*Poe's Political Satire, University of Texas studies in English, 35, 1956, 81-95-Burton R. Pollin, City University of New York*)

3. Mellonta Tauta. This criticizes the aura of sanctimony which surrounds Mason George Washington, specifically in a tedious "George Washington cornerstone ceremony" Washington actually laid the cornerstone to the Capitol building in a full Masonic regalia and there is a widely circulated painting of this event.

[Washington's Masonic Apron](#)

4. Never Bet The Devil Your Head. This is Poe's most gruesome portrayal of Masonry and has some parallel to a well-known Masonic story - Kipling's "The Man Who Would Be King" in which esoteric bridge-symbolism forms an important backdrop. The man does not take the advice Poe's story offers and loses his head on a covered bridge. Royal Arch Masonry is obsessed with bridge symbolism (Princess Diana was murdered under a covered bridge) to the same extent that the Masonic grade of Ninth degree is up to it's neck in decapitation ritual. (*Revelation 20:4 And I saw thrones, and they sat upon them, and judgment was given unto them: and I saw the souls of them that were beheaded for the witness of Jesus, and for the word of God, and which had not worshipped the beast, neither his image, neither had received his mark upon their foreheads, or in their hands; and they lived and reigned with Christ a thousand years*).

1850-1853 Millard Fillmore, 13th. President of the United States (Whig) Unknown Mason status. No Vice President during this term. It should be noted that only two Whig Party members were elected for the office of the President, and both died in office. Succeeded by their Whig Party vice Presidents, neither won a second term. Both times replaced by the Democratic Party. However Henry Clay, Confirmed Mason was Grand Master of the Grand Lodge of

Kentucky and Grand Orator for the G.L. 1806-09, and the leader of the Whig party, and I believe the power behind this President. Very good friends to the Illuminati DuPont's.

1860, 20 December, the State of South Carolina announced it would secede and become a separate republic. The Federal Government's response to this bold move was to immediately call on various States to send troops to suppress the South Carolinians. Six Southern states promptly refused to comply. They too seceded and joining with South Carolina, formed The Confederate States of America, with Mississippian Jefferson Davis as their President. (Two of the seven Governors were Freemasons: John Ellis of North Carolina and Isham Harris from Tennessee). Some six weeks later a Peace Convention was held on 4 February, 1861, with both sides in attendance. It hoped to put an end to the dangerous situation, but it failed. Notable Freemasons at that meeting were John Crittenden and Stephen Douglas of Kentucky, and Robert Toombs from Georgia.

Vice President Andrew Johnson, confirmed Mason was selected to run on Lincolns successful re-election ticket of 1864. Edwin M. Stanton, Lincoln's Secretary of War, was an avid Freemason. (Edwin M. After Willie's death in the White House in 1862, Mary Todd often visited the home of the Lauries who were well-known Georgetown mediums. Here a clairvoyant would darken the parlor and arrange the patrons in a circle with their hands on the table. The goal was to attain communication with invisible beings; in Mary's case, it was Eddie and Willie, her two dead sons. There were possibly as many as eight séances held in the White House itself.

"In the late spring of the year of 1808 Nancy Hanks, who was of the family lineage of McAdden was visiting some of her family in the community of Lincolnton, North Carolina. During her stay in the Carolina's, she visited many neighboring families she had known for many years; one such was the Springs family. The sordid details had been omitted but obviously the young Nancy Hanks had found herself in a compromised position and was forced to succumb to the lust of A.A. Springs. She became pregnant as a result. There were no details of a love affair or an act of violence on a helpless female. Abraham Lincoln was the result of that act, which leads one to wonder if the name Lincoln was real or fabricated from the area of conception which was Lincolnton. Was there really a Thomas Lincoln? Since the Springs were of the race that called themselves "Jewish", Lincoln was part Jewish and as part of the Springs family, he also became a relative of the Rothschild family by blood." Charles Chiniquy, was the great exposé of the Jesuit assassination of President Lincoln, when he wrote his masterpiece *Fifty Years In The Church Of Rome* in 1886. He proves that Lincoln was assassinated by the Jesuits, and that it was covered-up by our government at the time.

Of the Jesuit hand in Lincoln's murder we read:

"I feel safe in stating that nowhere else can be found in one book the connected presentation of the story leading up to the death of Abraham Lincoln, which was instigated by the "black" pope, the General of the Jesuit Order, camouflaged by the "white" pope, Pius IX, aided, abetted and financed by other "Divine Righters" of Europe, and finally consummated by the Roman Hierarchy and their paid agents in this country and French Canada on "Good Friday" night, April 14, 1865, at Ford's Theatre, Washington, D.C." (*Lincoln and Freemasonry," at page 23.*)

Lincoln's idol in politics was Henry Clay, a U.S. Senator and Speaker of the U.S. House of Representatives, candidate for President several times, and one of the most influential Americans of the first half of the 1800's. Henry Clay was the Grand Master of Masons in Kentucky in 1820-1821. It should be noted, though, that in 1830 and 1831, during the height of the influence of the Anti-Masonic Party in American politics, Clay said he had been inactive for many years. Clay was then seeking the Presidency. He might have helped his chances by specifically denouncing Masonry, but he refused to do that. Since Henry Clay was Lincoln's role model in politics, it would be reasonable to expect that Lincoln would have been influenced by Clay's Masonic involvement -- rising to the level of Grand Master of Kentucky, and Clay's refusal to denounce Masonry even when that action could have helped him politically. (*The Antimasonic Party, by William Preston Vaughn, at page 56.*)

The list of prominent people connected with the Civil War and politics in that era who were Masons is very long, including Winfield Scott, George B. McClellan, Robert Anderson, Winfield Scott Hancock, Benjamin F. Butler, Simon Cameron, Lewis Cass, John J. Crittenden, Andrew G. Curtin, David G. Farragut, Nathaniel P. Banks, John A. McClernand, Thomas H. Benton, John A. Logan, Sam Houston, Stephen A. Hurlbut, Andrew Johnson, Edwin M. Stanton, Gideon Welles, Albert Sidney Johnston, P.G.T. Beauregard, Howell Cobb, John B. Floyd, Albert Pike, Sterling Price, Robert Toombs, Godfrey Weitzel, Henry A. Wise. (*House Undivided: The Story of Freemasonry and the Civil War, by Allen E. Roberts, at pages 333-344.*)

Note: 1856-(1865?) John Wilkes Booth, the man who killed Lincoln in 1865. Confirmed 33rd degree **Mason**.

Of course, John Wilkes Booth, he was never killed. Corbett never killed Booth in the barn. Booth escaped Washington with a password, according to Finis Bates' work *The Escape And Suicide Of John Wilkes Booth*. He escaped to Kansas, and on his death bed confessed to his physician that he was John Wilkes Booth who shot Lincoln. And he escaped with the help of a Masonic password. So just like there was a patsy for the Lincoln assassination, there was a patsy for the Kennedy assassination. [black-pope.htm](#) see also: [Rewriting U.S. History](#)

1867 The Presidency of the United States is to be controlled by Freemasonry, is thoroughly documented by Christian author, Ralph Epperson, in his book, "The New World Order". On page 171, Epperson quotes testimony given in March, 1867, before the House Judiciary Committee, by General Gordon Granger. General Granger related a meeting between himself, President Andrew Jackson, who was a Mason, and Albert Pike, the most famous of all Masons. General Granger reported his surprise that President Jackson considered himself to be subordinate to Albert Pike. This subordination is detailed in the oath the initiate takes during the Third Degree, called the Master Mason's degree, inside the Blue Lodge. This oath states, "I do promise...that I will obey all...summonses given to me from the hand of a Brother Master Mason ..."

Also Russell had a secret Rosicrucian membership with the Quakertown, PA group of Rosicrucian's, as revealed by the pyramid he ordered erected over his grave site. His use of the Winged-Sun-Disk. Russell owned a cemetery in Pittsburgh. Leading Satanists try to own cemeteries for several reasons. First, it facilitates the disposal of human sacrifices which are buried in pieces below the fresh holes dug for someone else's burial. When the casket is placed in the hole, it would be rare for anyone to dig below the casket level ever again. Second, magic power is associated with cemeteries. The spiritual power of the dead is pulled up by making a circle of light over them then within the circle a naked Satanist lays. Third, specific bones are sought such as the skulls and left hands. Left hands are preserved in order to hold candles for certain

ceremonies. [The Russell Bloodline](#)

1877-1911 John Marshall Harlan, S.C.J. Associate Justice. Confirmed **Mason**. Nominated by President Rutherford B. Hayes. For several decades early in the 19th century, John Marshall was Chief Justice of the U.S. Supreme Court. In Chicago, a law school is named after him. The Establishment falsely portrays him as a great pillar of honor. A heavily documented book, however, shows the massive corruption involving Chief Justice Marshall, including huge land grabs by his relatives, litigation which Chief Justice Marshall covered up on his high court and did not disqualify himself. See: "The History of the Supreme Court" by Gustavus Myers, a book generally NOT allowed to be on the shelves of law libraries. Chief Justice Marshall's allegedly "famous" decision, Marbury vs. Madison, as the book documents, was a brazen scheme to block STATE SUPREME COURTS from proceeding with litigation contesting and investigating huge land grabs done by the Chief Justice and his circle of thieves and swindlers. Because of some personal antagonism, Brother Harding's advancement was hindered until 1920, by which time he had been nominated for President. Friends persuaded the opposition to withdraw the objection, and on August 27, 1920, nineteen years after his Initiation, Brother Harding achieved the Sublime Degree of Master Mason, in Marion Lodge. At his request, Brother Harding took the Oath of Office of President of the United States upon the same Bible as was used by Brother George Washington for the same purpose on April 30, 1789 (the Altar Bible of St. John's Lodge No. 1, New York City). Harding remarked privately to his wife while on a cross country trip " I have no trouble with my enemies.....but my.....friends....keep me walking the floor nights!" President Harding visits Alaska and receives a "long ciphered message" which visibly upsets him, causing him to ask what a president could do when friends betrayed him; he died soon after among conflicting rumors about the cause of his death. He developed pneumonia and died suddenly on August 2, 1923. Vice President Calvin Coolidge, 1921-1923. Unknown Mason status.**

Brother and President Roosevelt was made the first Honorary Grand Master of the Order of DeMolay on April 13, 1934 at the White House. Governor of New York, 1929-1933. Note: We have a Mason Vice President put in power before the President dies. Pres. Theodore Roosevelt, who was blood related to both President Martin Van Buren and to Franklin Delano Roosevelt, is on record. President Roosevelt's son, James, wrote a book entitled "A Family Matter" in which he details Roosevelt "bold decision" to share the nuclear technology with the Soviet Union. Franklin Roosevelt did indeed know in advance of the attack on Pearl Harbor and allowed it to happen in order to enrage Americans into a war they otherwise would have not supported. Franklin D Roosevelt had an affair with *Lucy Mercer (Rutherford)*. Began before he became President when Lucy Mercer was Eleanor Roosevelt's Social Secretary. Mrs. Roosevelt found out about it when she came across some love letters. FDR promised to give it up rather than divorce, but he didn't. She was at Warm Springs with him when he died. In a letter to an associate dated November 21, 1933, President Franklin Roosevelt wrote, "The real truth of the matter is, as you and I know, that a financial element in the large centers has owned the government ever since the days of Andrew Jackson." February 22, 1944 Franklin D. Roosevelt writes a DOUBLE TOP SECRET memo on White House stationery for "The special committee on non-terrestrial science and technology." Both the title and the content clearly allude to extraterrestrial life, the former using the word "non-terrestrial" and the latter talks about "coming to grips with the reality that our planet is not the only one harboring intelligent life the universe." <http://www.majesticdocuments.com/documents/2000.html>

Using stand-ins is a common procedure. For instance, the book *The Strange Death of Franklin D. Roosevelt* by Emmanuel M. Josephson, copyright 1948, said in the chapter titled "Roosevelt's Odd Ailments and His Strange Death" that both Roosevelt and Churchill were poisoned at the Teheran conference with Stalin. "At Teheran Roosevelt and Churchill met with Stalin to confirm the division of the World between them. During the conference, Roosevelt had been prevailed upon by the Russians to stay at the Russian Embassy because, the Russians said, the American Embassy was not safe.

At the Russian Embassy, it is reported, a special courtesy was extended to the guests. They were assigned a special waiter who served them exclusively. It was later discovered that the waiter was a physician who specialized in the science of poisoning, toxicology. The use of doctors under Russia's state medical system in disposing of persons whom the powers-that-be wished out of the way, by poisoning them, has been attested to in the Moscow purge trials. Dr. Levine testified that he had been ordered by his superiors to poison Maxim Gorki and had done so.

"Shortly after their departure, Winston Churchill became extremely ill. He was hurried TO EGYPT where he was so sick that his death was expected momentarily. But his life was saved by a protégé of his, Sir Arthur Fleming, the discoverer of penicillin."

"Roosevelt also was extremely ill on his return. He was unable to walk or stand unassisted, and never recovered his strength." Friends, the man who was elected as President for the 4th term was NOT ROOSEVELT! When he died, "Admiral McIntyre, FDR's physician, is reported to have said that Roosevelt's body was not embalmed; that in less than four hours after death, it had turned black, a reaction that occurs among other cases, in event of arsenic poisoning" (p. 285).

On page 286, it says, "A careful study of the few photographs of Roosevelt released in 1944 raised the question of whether they are really photographs of Roosevelt or of a stand-in. It was widely known that there were a number of stand-ins who resembled Roosevelt so closely that they appeared for him on occasions. If the suspicions raised by the photographs are well founded, the mystery deepens. What did happen to Roosevelt? Who was it that campaigned and was re-elected in 1944?"

Who indeed? Remember, that book was written in 1948. On page 287 it says evidence indicated that Roosevelt had killed himself with a "small silver pistol." It says, "His burial without autopsy was a criminal act and a flagrant violation of the law. There is more in this situation than meets the eye." Ah, so! He ends the chapter by saying, "The deception perpetrated on the public in regard to Roosevelt's health is characteristic of that which prevailed in all matters during his Administration." 1933 In Edmond Paris's book, printed by Ozark Publications, called *The Vatican Against Europe*, it gets into great detail of what they did. It calls it—the last 30 years of war is all attributable to the Jesuits, their massacres of the Serbs and Jews, etc. But Edmond Paris did not understand that the Jesuit General—and this is one of the most important points I want to make about Von Kolvenbach—the Jesuit General is in complete control of the international intelligence community: that's the CIA, the FBI, the KGB, the Israeli Mossad, the German BND, the British SIS.

The Jesuit General is in COMPLETE CONTROL of the entire intelligence apparatus—FBI, every bureaucratic agency in this country, all of it; he is in complete control of it. So, whenever he wants to find something out about an individual, they put in the Social Security number, and everything from all of the intelligence apparatus kicks-in and he and his provincials can review everything about that man. Credit cards, you name it, everything that's attached to Rome's social security number, which FDR put upon us in 1933 with the help of Spellman; at the time, I believe he was Archbishop, or maybe it was Cardinal Hayes—but Rome was behind FDR in putting him in office. The couple of things that he did was implement social insecurity, the income tax, and recognizing Joseph Stalin's bloody Jesuit USSR government. So, with the giving of us the Social Security number, that is Rome's number—that's why I refuse to use it—and that's why they want everybody using it for everything: driver's license, tax return, credit card, everything you do, that number is you and that number is Rome's number. "I've got every degree in the Masons that there is," said Truman. Harry S Truman often told journalists, "The S doesn't stand for anything." However, after he attained the [33rd](#) degree as a Mason, Truman secretly changed his name by adding the middle initial "S," which stood for Solomon. Truman's rise as a politician is traceable to Masonic sponsorship. He said that being Grand Master for the whole state of Missouri helped him win a U.S. Senate Seat in 1940. Truman's sister, Mary Jane Truman, was the Grand Matron of Missouri in the Order of the Eastern Star, a Masonic organization.

As the 33rd President, this 33rd degree Mason initiated the Nuclear Age, the crowning success of alchemy, when the first A-bomb exploded at the 33rd Parallel Trinity Test Site, (Almagordo) White Sands, New Mexico. He was

responsible for killing of thousands of Japanese (the Yellow Peril) at two cities close to the 33rd Parallel, Hiroshima and Nagasaki.

On August 6, 1945 at 8:15 a.m. United States B-29 bomber Enola Gay, on Mission No. 13, dropped an atomic bomb called "Little Boy" on Hiroshima, Japan near the 33rd Parallel. This was "Day One" of a new age, the Nuclear Age. To understand the change that took place, we must back up and look at the importance of the number 13 from the formation of the United States to the atomic bomb's explosion in Hiroshima. [13 & 33. In 1935, Paul Foster Case wrote: "Since the date, 1776, is placed on the bottom course of the pyramid [on the Great Seal], and since the number 13 has been so important in the history of the United States and in the symbols of the seal, it is not unreasonable to suppose that the thirteen courses of the pyramid may represent thirteen time-periods of thirteen years each." The 13 time-periods of 13 years each equaled 169 years. From July 4, 1776 to July 4, 1945 equaled 169 years. From July 4, 1945 to August 6, 1945 (Hiroshima) was 33 days. [13 & 33. Harry Truman, who the Japanese called "Dirty Harry"—when they heard the movie *Dirty Harry* came out, they thought it was a movie about Harry Truman, according to my Japanese pastor friend, Daniel Fuji, who has passed away.

Harry Truman was put in office by the Jesuits, the Pendergast Democratic machine in Missouri. Harry Truman takes over after FDR's murder, because he was murdered in the home of Bernard Baruch. When he did that, he then finished up the war with the hoax called the dropping of the nuclear bombs, to purposely create this greater hoax called the Cold War, that would enable the Vatican to knock over country after country after country, and replace the leaders with dictators, subordinate to the Pope. That was the purpose of the Cold War.

And so, when Harry Truman in 1950 signed into law the Emergency War Powers Act, the Cold War was in full force. They were building bomb shelters, etc. So the nation was in kind of a frenzy.

When he signed this into law, it put the whole country under military or martial law, and that's when the flags in every courtroom, state and federal, began to be changed. And every state flag and every U.S. flag is now trimmed in gold fringe. [The Black Pope](#)

1950 President Harry Truman signed into law the Emergency War Powers Act, the Cold War was in full force. They were building bomb shelters, etc. So the nation was in kind of a frenzy. When he signed this into law, it put the whole country under military or martial law, and that's when the flags in every courtroom, state and federal, began to be changed. And every state flag and every U.S. flag is now trimmed in gold fringe. And whenever you see a flag trimmed in gold fringe, that means that it is the flag of the Commander-in-Chief. Now, if it's the state flag, it means that's the flag of the governor, as Commander-in-Chief. And if it's the federal flag, or the national flag, more correctly, it's the flag of the Commander-in-Chief in Washington. So, all your courts are nothing more than courts of military rule. They all proceed with summary procedures. The jury has no power of jury nullification. And they are simply enforcing the laws of the Empire, which I call *14th Amendment America*, which is a military-style, King of England-style country. The courts are nothing more than courts of the king's bench, as you can see in *Blackstone's Commentaries*. And the banks, as you walk into every bank, they all have a flag trimmed in gold fringe. The bank is what England would call, in Blackstone's day, the king's bank. So, we have the king's bank, and we have the king's bench. And it's run according to military rule, according to Berkheimer's great work *Military Rule And Martial Law*, published in 1914. When Harry Truman did this, there was a consummation of a great plan to put us under the Emergency War Powers Act and, actually, a war rule. "Daylight savings time" is what was called "war time". This country only went to daylight savings time during World War II, and they called it, at that time, war time. So, nothing's changed. We've never gone back to not turning back our clocks. We're still on war time. The income tax is a war tax. It was called a victory tax in 1942. So, people are paying a war tax, they're under war time, they're under an emergency war powers act, and the courts are war courts. [The Black Pope](#)

1953 Joe McCarthy had caught onto the [New World Order](#). Although the history books and papers report that he was "commie" hunting, If one reads Joe McCarthy's own words it is clear he was gunning for the New World Order. Senator Joe McCarthy subpoenaed William P. Bundy to testify. The Senator knew he could expose a great deal if William P. Bundy was questioned, even if he might try to lie. McCarthy sent down many subpoenas but Allen Dulles, who was part of the Illuminati and the CIA director ignored the subpoenas, and eventually was able to get William P. out of the country so that he would not have to face McCarthy's questions. The State Dept. was going to arrest William P. at the dock as he was trying to escape on the Queen Mary, but Alien Dulles was able to get the State Dept. to call off the arrest, and William P. Bundy sailed. McCarthy wrote Allen Dulles, "I note your refusal to give us any answers to our questions. Your insistence is very revealing. It would seem that the last man in the world who would try to protect and hide the facts about one of his top officer's [Bundy] association with, and contributions to, a convicted traitor would be the head of the CIA. I think it necessary for me to call your attention to the tremendous damage you thereby do to this organization. That the matter cannot and will not rest here is, of course, obvious." This is something one wouldn't expect. It appears like some of the men McCarthy thought were on his side weren't. While the Hiss/Bundy affair led to McCarthy (a genuine patriot) being killed and discredited, someone else who was a socialist of the [CFR](#) was given wide publicity as an anti-communist hero from what happened to Hiss. Funny how the credit is distributed by the establishment media. This socialist was Richard Nixon (CFR). He was given false credit for convicting Hiss (CFR) to build a false public image as an anti-communist crusader. Nixon did not do the footwork etc., to get Hiss convicted contrary to the false image the establishment newspapers and history books give. It is Lou Russell who helped Nixon get Hiss convicted. Was McCarthy and Hiss used? It appears so. John Smith now puts out the theory contained in his book *Alger Hiss: The True Story* which claims Alger Hiss was framed. So we have come full circle. The communist agent that almost ruined William P. Bundy's career, because Bundy was Alger Hiss's and Donald Hiss's friend, is now exonerated by a book written by an establishment researcher. Later, protected by his "anti-

communist" mask, Nixon would recognize Red China, among many other pro-communist NWO acts. By trying to subject a member of one of the top [13 Illuminati families](#) to Congressional questioning, McCarthy had signed his death warrant. It was not long before the Illuminati killed McCarthy. And they have dragged this great patriot's name through the mud. Skull and Bones George Bush was still taking pot shots at Joe McCarthy during the 1992 Presidential campaign.

1954, the Supreme Court's infamous Brown vs. Board of Education case overturned its own previous ruling of 1896, and laid the foundation for the still-ongoing phony negro "civil rights" movement. This nine-to-nothing decision was passed by eight freemasons and one Zionist Jew (Felix Frankfurter), in flagrant disregard of all legal precedent. 1954 Rowan Gaither, President of the Ford Foundation, in 1954 lends proof to what we know to be fact today, namely that many of our Presidents have been a knowing part of this World conquest plot. Mr. Gaither stated to Congressional Reese Commission investigator Norman Dodd: "We operate here under directives which emanate from the White House....The substance of the directives under which we operate is that we shall use our grant making power to alter life in the United States so that we can comfortably be merged with the Soviet Union."

The policeman who found Lee Harvey Oswald after JFK was shot was a McDonald. This policeman was then assigned to protect Marina Oswald (the widow of Lee Harvey Oswald). This heavy-set policeman McDonald (who attends the Oakridge Christian Church) has appeared on television recently such as on Channel 32, on Top Cops at 7:25 p.m. where he speaks out against conspiracy theories in the JFK assassination. The assassination of Kennedy was ordered by the Jesuit General, [at that time, *Jean-Baptist Janssens*] executed by Pope Paul VI, and carried out by the "American Pope", Francis Cardinal Spellman—who, in turn, used the Knights of Malta, Shriner Freemasons, Knights of Columbus, and Mafia Dons, including the FBI and CIA, to carry out the order from Rome.

The reason why Kennedy was assassinated was he wanted to end the Vietnam War, and he wanted to end the rule of the CIA. That begets two questions: Did Rome want the Vietnam War? And, did Rome control the CIA? The answer is yes on both counts.

We know, on its face, that the Vietnam War was called "Spelly's War"—Cardinal Spellman's war. He went over to the warfront many times and he called the American soldiers the "soldiers of Christ". The man who was the Commander of the American forces was a Roman Catholic, CFR member, possibly a Knight of Columbus, I don't know, but he was General William Westmoreland.

So, Westmoreland was Cardinal Spellman's agent to make sure that war was prosecuted properly. And another overseer of Westmoreland was Cardinal Spellman's boy, Lyndon Baines Johnson. Lyndon Baines Johnson was a 33rd-degree Freemason. He was also part of the assassination, with J. Edgar Hoover, another 33rd-degree Freemason.

And Johnson went to Cardinal Spellman's death at St. Patrick's Cathedral, and the picture can be seen in Cooney's work *The American Pope*. So, Johnson was completely at the beck and call of Cardinal Spellman through Cartha DeLoach, the 3rd-in-control of the FBI. According to Curt Gentry, in his *Hoover: The Man And The Secrets*, DeLoach had a phone at his bedside direct to Johnson, and Johnson could call him anytime. DeLoach was a Knight of Malta, subject to Spellman.

The second reason is, he wanted to end the reign of the CIA, because the CIA had betrayed him in the person of [McGeorge Bundy](#), by not giving the cover to the Cuban patriots to retake Cuba from that Roman Catholic, Jesuit-trained, grease-ball bastard—he was a bastard, his father was a Nazi—Fidel Castro.

Kennedy was betrayed by the CIA at the Bay of Pigs invasion, which sacrificed all the patriots on the shores of the Bay of Pigs there, so Castro had no real opposition. This was the same tactic, used by the CIA and the KGB at the top, working together with Angleton controlling it, in the Hungarian Revolution, when the CIA fomented that revolution, and then betrayed all of those patriots into the hands of the Soviet army and KGB, which infuriated certain top CIA officials. [The Black Pope](#)

Cartha DeLoach—his sir name was Deke. He was the 3rd-in-command of the

FBI at the time of the Kennedy assassination. Cartha DeLoach was the real head of the FBI. Hoover was a wimp. His queer buddy, Tolson, who was nothing, was second in command. So Hoover and Tolson were just figure-heads. The real head of the FBI was Cartha DeLoach, the Knight of Malta, Roman Catholic, subject to Cardinal Spellman. Cartha DeLoach fabricated evidence, covered-up evidence in the FBI, in the Kennedy assassination. That was proven by Jim Garrison. Cartha DeLoach went on to retire. He went on to work for a huge industry corporation called PepsiCo, which the Knights of Malta control, and which have ranches in Communist China, which they set up. And he still lives. Cartha DeLoach wrote a book called *Hoover's FBI*. You can get it at the bookstores. In that book he tells about the Secret Service, the FBI, and the Jesuits.

The Illuminati and governmental leaders chose to create the UN early in the past century, and worked hard and against opposition to put it in place (FDR was their man in America who helped the American public accept it). Both he and Eleanor were staunch Illuminists. So is Shirley Temple Black. In fact, most of our presidents since the beginning of the past century have been either Illuminists, or agreed by oath to support their goals, in return for campaign funds and support. I believe it is impossible to win a presidential election in our country today without their backing. The Kennedy family were punished because they tried to disobey them. They were free thinkers, and too hard to "control".

It was arranged through Trevor Armbrister, a CIA asset and a Senior Editor of Reader's Digest, to fly me to the steps of the White House. Time does not permit me to tell my story, but the information that I want to get out to the American people is that the Gulf War illnesses are actually communicable diseases. The microbes will live almost indefinitely, but for a minimum of seven years. It's on the gas masks, the clothing, the weapons -- any of the materials brought back from the Gulf War. I have reports from several different states where civilians that bought some of the clothing went home and wore them, and now the entire family is in wheel chairs; there have been some deaths as a result of this." 1946 On August 19, 1946, Bill Clinton, the 42nd President, was born in Hope, Arkansas, at the 33rd Parallel. His parentage is disputed. As a young man, Bill Clinton was a Master Counselor of the Masonic Order, a member of the connected Demolay. A Quote to Remember: "Yes, the president should resign. He has lied to the American people, time and time again, and betrayed their trust. He is no longer an effective leader. Since he has admitted guilt, there is no reason to put the American people through an impeachment. He will serve absolutely no purpose in finishing out his term; the only possible solution is for the president to save some dignity and resign." Bill Clinton, 1974, commenting on Richard Nixon.

"Whoever Controls Princess Diana, Controls the World."

According to this version, the scene of the "accident" contains the real clue to what was afoot: the Pont de L'Alma tunnel, which "is ancient, dating back to the time of the Merovingian kings (ca. 500-751 A.D.), and before". "In pre-Christian times, the Pont de L'Alma was a pagan sacrificial site."

All "true European royalty are descended from the [Merovingian's](#), " the article continues, it then refutes the recent claims that the Merovingian's were descended from Jesus. Princess Diana, as a Spencer, descended from the Stuarts who gave England four kings (James I, Charles I, Charles II, and James II) and who are partially Merovingian in bloodline. By comparison, the article says, the current British royal family are "imposters."

"Two factions vied for control of Diana: (1) the [New World Order](#) or Bank of England faction, founded by King William III of Orange, who allowed the founding of the (private) Bank of England, and (2) the "true nobility of Europe, i.e., those of the Merovingian bloodline."

The article goes on. But it adds further complexity: "Within the New World Order faction there are

smaller, warring factions, exemplified by [Rothschild's](#) vs. [Rockefellers](#). The plan of the New World Order faction was to marry Lady Diana to an American. Even though Bill Clinton has bastard roots in the Rockefeller clan, he is rejected by them and is aligned with the Rothschild's. Bill Clinton was the designated future husband for Lady Diana, with Hillary Clinton to be eliminated through divorce or murder. The Rockefellers were furious; in no way would they allow a marriage between Bill Clinton and Lady Diana.

"But Lady Di refused to marry Bill Clinton and seemed inclined to marry Dodi, thus also marrying into the Saudi royal family; for this impropriety, MI6 (British Intelligence) decided to eliminate her. They picked Pont de L'Alma to "send a signal" that would eventually lead to the creation of a Saint Diana, a new form of the triple moon goddess of the pagans, often called Diana. Update Note: A common practice among the top [13 Illuminati families](#) is to have an important child secretly or quietly without fanfare, and adopt the child out to another family. The child then takes another last name, which hides the genealogy, in the occult ceremonies, the biological parents will forward. For instance, for Mothers of Darkness the biological father must impregnate the young daughter who is being initiated into the Mothers of Darkness. The first baby by the girl must come from her biological father and must be sacrificed by her to Satan. Many of the Illuminati children are adopted out, (in fact our President Clinton was).

Bill Clinton's chief campaign advisor James Carville is pictured (in People's Magazine. p.50) wearing a pentagram in the middle of his forehead. Bill Clinton in his inaugural speech said, "This ceremony is in the depth of winter. But, by the words we speak and the faces we show the world, we force the spring. Clinton repeated the words "we force the spring" later in the speech. That expression is a very unusual expression. To "force the spring" is witchcraft language in witchcraft and Satanism. Lucifer (Baal) rises from the underworld on May 1st (also known by the following list of names Beltaine, a European holiday, Communism and the Illuminati's chief holiday, and Walpurgis). The May 1st rising brings forth the season of fertility, which the witches each year take credit for, by claiming that the magic rituals "force the spring." The ritual magic that "forces the spring" is done on 3 Sabbats-the first is Imbolg (also known by names: Candiemas by the Catholics and Ground Hog Day by common dup the second is the vernal equinox (Mar. 20) in which blood and sex rituals are carried out and the third is Beltaine (May 1) in which fire festivals are done. This is one of the fire festivals which people around the United States tell me they have witnessed from a distance. Witches believe that on May 1st, the female force completes her takeover from the male force.

In order for the female to overtake the male force, Clinton chose the position of Attorney General. The title "General" has a male connotation. All the rest of the cabinet members are called Secretaries which has a female connotation. The Attorney General position was to be given to a woman. But in order for the witchcraft ceremony and timing to be right, the woman couldn't take over until after Feb. 2, or Imbolg and there had to be 3 female candidates, from which one is traditionally picked by a witchcraft coven. This is why the selection of the Attorney General was not confirmed until Feb. 2. And sure enough all three candidates given by Bill Clinton were women, from which one was selected. Bill Clinton did indeed "force the spring"! Further, Clinton told us HOW he would "force the spring" in his inaugural speech. On the 666th word of his inauguration speech, Clinton launched into a sentence on sacrifice: "It will not be easy; it will require sacrifice. But it can be done, and done fairly, not choosing sacrifice for my own sake, but for our own sake." Clinton gave the hand signal of Satanists at the end of his speech. Newsweek Magazine headlined its story "New Age President Takes Office." (Jan. 25, 93) That Clinton would consider his Cabinet a coven is not so far fetched. Most of his cabinet tie in closely with the Illuminati. The Council on Foreign Relations is an upper level of the visible arm of the Illuminati. The Jan. 93 newsletter explained that the CFR was the equivalent of the 4° of the Bavarian Illuminati. Note that many of these people do not realize the full Satanic implications of what they are in. If one reviews the various levels of the Bavarian Illuminati, you will realize that the process of corruption was gradual and that the lower levels had no idea what they were really involved in, although some probably suspected what they were into. The basic ingredient of the lower levels is loyalty to their superiors, because they believe they are in the elite's organization. Consider, Clinton and his cabinet: Slick Willie Clinton — CFR TC (Trilateral Commission), Bldrbgr (Bilderberger participant), participant in various Illuminati front organizations such as DLC, Rhodes Scholar, wife Hillary is known to practice shamanism.

[Demonic Image at Democratic Debate?](#)

Let's start with the term "president" itself: from our previously published, extensive [historical and mythological](#) research we now know this title directly derives from ancient Egyptian mythology, being one of the many terms for Osiris, the "god of the dead" himself. The actual title is "Osiris, President (First) of the Westerners" -- "Westerners" being a term referring to those who died in Egypt and were subsequently buried on the *Western* side of the Nile. The term "First" (president) is especially interesting, as a close reading could also apply it to Osiris' son, Horus, who was his "first son." So, in this context, "president" could also be directly translated as "Horus!" What we are seeing play out in Florida, we believe, from our previous research into this entire issue of the historically-documented [Masonic/Egyptian origins](#) of the office of "President (First) of the United States," is nothing less than a battle among self-appointed "gods," Gore and Bush, over who gets to be "Horus" at the "end of days." And make no mistake, we are truly at The End of Days. We have waited nearly a year now to reveal what we have come to know (and yet still have an incredibly hard time believing ...). The "Millennium" (as popularly perceived on January 1) just past, was NOT an insignificant, arbitrary event. It was, in fact, a specific marker set up as a "final warning" of what is to come, of "the Eternity, before which we stand upon the Brink ..." <http://www.enterprisemission.com/millenn.htm>

The Freemasons and the Illuminati are hand in glove. I don't care if this steps on any toes, it's a fact. A Masonic temple at Alexandria, Virginia (the city itself was named after Alexandria, Egypt, and is a hot spot for Illuminati activity) is a center in the Washington DC area for Illuminati scholarship and teaching. I was taken there at intervals for testing, to step up a level, for scholarship, and high ceremonies. The leaders of this Masonic group were also Illuminists. This has been true of every large city I have lived in. The top Freemasons were also top Illuminists. My maternal grandparents were both high ranking Masons in the city of Pittsburgh, Pa. (president of the Eastern Star and 33rd degree Mason) and they both were also leaders of the Illuminati in that area. [Part 4: The Illuminati - Freemason Connection](#)

E.W. Bullinger writes:

"As to the significance of [thirteen](#), all are aware that it has come down to us as a number of ill-omen. Many superstitions cluster around it, and various explanations are current concerning them.

"Unfortunately, those who go backwards to find a reason seldom go back far enough. The popular explanations do not, so far as we are aware, go further back than the Apostles. But we must go back to the first occurrence of the number thirteen in order to discover the key to its significance. It occurs in Gen. xiv. 4, where we read 'Twelve years they served Chedorlaomer, and the thirteenth year they REBELLED.'

"Hence every occurrence of the number thirteen, and likewise of every multiple of it, stamps that which it stands in connection with rebellion, apostasy, defection, corruption, disintegration, revolution, or some kindred idea." (Bullinger, E.W. [Number in Scripture](#), Kregel Publications, (c)1967, p. 205).

This premise is that major events in politics, economics and international relations are the product of deliberate moves by largely unseen power factions in the world. All of these factions seek to increase their influence over us, the general population of the world. Each one also wishes to increase its own power at the expense of the other power factions. Thus there is an ongoing power struggle of titanic dimensions which constantly shapes the news, yet which is little understood--indeed unsuspected--by most people. *Peter Beter*
