### TWO ESSAYS BY PAUL FOSTER CASE

#### A BEAUTIFUL NEW EDITION OF PAUL FOSTER CASE'S TREATISES ON THE MASONIC LETTER G AND THE GREAT SEAL

The Masonic Letter G is a treatise on an important Masonic symbol. It is of interest to Masons and non-Masons alike. In it Dr. Case clearly develops a link between the Masonic degrees and the Qabalistic tradition. He shows that Masonry cannot be fully appreciated nor understood without knowledge of the Qabalistic Tree of Life and insight into the true nature of man. It is clearly written and easy to understand, even for those with no background in Masonry or Qabalah.

The Great Seal of the United States is a fascinating exposition of the history and spiritual symbolism of an important American emblem that embodies the principles and ideals of the founders of this country. *Softcover, 78 pages. Item #1024.*

**B**UILDERS OF THE ADYTUM (B.O.T.A.) is a true Mystery School; an international, non-profit, teaching and training Order and an outer vehicle of the Inner Spiritual Hierarchy, sometimes called the Inner School, which guides the evolution of Man. Adytum is an ancient Greek word designating the innermost part of the Temple, the Holy of Holies, that which is not made with hands. Its system is that of the Western, Qabalistic-Hermetic tradition, and its teachings have been handed down from Adepts to Initiates since very ancient times. The founder of B.O.T.A., Dr. Paul Foster Case, was such an Adept.

The Work of B.O.T.A. does not bid for your interest on the grounds of mere antiquity but because it has met the tests of centuries of application. However, lest you think that the spiritual attainment possible through following these teachings is to be had in some miraculous manner, B.O.T.A. declares to you at the outset that your sincerity, your desire, and your willingness to work will be the sole measure of your accomplishment. The teaching now offered by B.O.T.A. was given only to selected students in the past. For you to be successful in our Work, your personal goals must correspond to those of the Order: personal enlightenment, self-transmutation, and service to Life. To only desire healing and wealth is not enough and will surely result in failure. So we seek those individuals who are well motivated that will persist in our Work and not just skim the surface. B.O.T.A. does not offer to remake your world for you. It does offer you the keys to knowledge that will enable you to do it for yourself, with the inner help that linkage with a true Mystery School confers.

Our name, Builders of the Adytum, indicates that we propose to help you build the Inner Temple wherein conscious contact with the Higher Self may be made and your true spiritual heritage may be realized.

**D**r. Paul Foster Case was a world-renowned authority on Tarot and Qabalah and the founder of Builders of the Adytum. Born in Fairport, New York in 1884, he became interested in theater at an early age and was an accomplished musician.

As a recognized world authority on the Tarot and Qabalah, he was given the task by the Inner School of reinterpreting the Ageless Wisdom into modern idiom. Deciding to devote his life to this project, he abandoned a successful career as a musical conductor and founded B.O.T.A. Because of his close contact with the Inner School and total commitment to serving mankind, he became a fountain of living wisdom, disseminated through his tracts, lessons, lectures and books.

After his death in 1954, his colleague, Rev. Ann Davies, extended the teachings of B.O.T.A. to their present state and initiated the international expansion of the Order.

**R**everend Ann Davies was born in Cleveland, Ohio on October 28, 1912. At the age of two she moved to New York, where she spent much of her childhood. Rev. Davies began to be consciously aware of the Divine Presence at a very young age.

In 1944 she met Dr. Case, and began her long association with Builders of the Adytum. After Dr. Case's death, she succeeded him as Spiritual Chief of B.O.T.A. where she extended and expanded upon the original teachings.

She died June 9, 1975.

**BUILDERS OF THE ADYTUM** is a nonprofit religious organization whose major objective is the promotion of the welfare of humanity through the realization of the potential inherent in each and every human being, utilizing the methods of the Western Mystery Tradition.
