Subject: RE: your options

i didnt know you had a sat conflict. ok lets go with the brutal option. go from brussels to paris and then fly overnight to israel, have a few hours down, meet israelis and pals on friday and then fly home late friday night to get home in the early hours of saturday.

do you need to talk to me or can i launch on exploring?

for paris, they are undecided on what do to but we could drive it a little bit. they are talking about a meeting and a dinner but we could encourage just a meeting and no dinner. also we have the bilat question. if sarkozy asks to see you, we will have to do something with opposition. we can do it all with a brutal few days but you need to be ok with that. unless the players are not around in Israel, in which case its paris and home!

also on salazar for dinner, i invited him last week and he had a conflicting dinner so i instead manifested all the senior americans (gave jakes eat to ann stock). now he apparently doesnt want to go to his dinner so we asked brazilians if ok to to add him to the current list so no one is cut.

Subject: your options

talked to Jake about your Israel discussion. Here is what it could look like with a Paris RON. We can also fly on the 19th but it would be brutal flight. this is the easier option. otherwise, we fly after paris meetings, jam everything into Friday in Israel and have to deal with crew rest issues. happy to discuss.
