Mr. Bildt is considered to be a realist in political terms. He stands somewhat to the left of center of his Moderate Party. Despite his young age, he is considered one of the party's original thinkers. He has attended virtually all of the recent, important European student meetings. Mr. Bildt is an intelligent, experienced, political theoretician with a very promising future.

While in your area, Mr. Bildt would like to meet with Mayor Sam Massell or the Deputy Mayor. Mr. Bildt is a political associate of Anders Wijkman, Member of Parliament in Sweden, who recently visited Atlanta and met with the Mayor and his Deputy.

In addition, Mr. Bildt would like the opportunity to meet with John Lewis to discuss his voter education project.

An evening of home hospitality would be appreciated as well.

Best regards and many thanks.
