Christians: This is getting embarrassing. If you're over 50, GET THE VACCINE!

**New York Daily News** ✓ @NYDailyN... · 3d

Marcus Lamb, founder and CEO of the Christian evangelical network Daystar Television, died of COVID after proselytizing against vaccines.

**Ann Coulter: YOU are the one who is an embarrassment to TRUE Christians!**

**You obviously DON'T Read your Bible!**

**The Bible says!**

“The Whole World was Deceived by their (the Beast Power’s)  
**SORCERIES.**” Revelation 18:23

The Word “**Sorceries**” in the Greek (the language in which the  
New Testament was written) is the word:

*Pharmakeia* = pharmacy = **Drug medications**  
(and THAT INCLUDES **Vaccinations!**)

**God calls ALL Vaccinations  
and Drug Medications -  
SORCERIES and WITCHCRAFT!**

**God tells us HOW to be well:**

“If you follow My laws (including ALL of God’s natural health  
laws), My commandments (ALL Ten of them) and My  
decrees, I WILL keep you FREE of EVERY Disease.”  
Deuteronomy 7:11-15

God tells us exactly how to get well and stay well – by following  
GOD’S health plan – NOT by polluting our body with the  
POISONS of Gates and Fauci!
