

BOOGA BOOGA Snake Venom!

Lorraine Day, M.D.

“For the time will come **when they will not endure sound doctrine**; but after **their own lusts** shall they heap to themselves teachers, having **itching ears**; **And they shall turn away their ears from the truth, and shall be turned unto fables.**”

2 Timothy 4

How easily the public is distracted from what really matters. Their minds must be constantly titillated and over-stimulated in order for them to feel “normal.” But that is NOT “normal.”

Extreme Sports are everywhere on television, and in local and national competitions. But Extreme Sports are for the immature, for those who have no ability to be content with REAL LIFE! They have never “grown up.”

Marijuana – and many stronger drugs – are used by what seems to be a majority of the population BECAUSE they want to ESCAPE from REAL LIFE! Again, they are for the immature. They have never “grown up.”

Video games are being played by people in their 40’s and 50’s. They are used as an escape from REAL LIFE, again because that person is immature. He or she has never “grown up.”

Social Media has become yet another escape from REAL LIFE for many people. “Here, see what I’m having for dinner,” or, “Look at 50 pictures of my cat.” And other even less important topics.

Plus, the **BOOGA BOOGA of Alternative media**, with the next supposed “conspiracy” that just came around the corner. Obviously, no one wants to spend the time reading history, and learning how we really got where we are today, they just want to be tantalized and excited by the newest “conspiracy” that they can “share with their friends” and “ooh” and “aah” about its “importance.”

What Everyone Seems to Have

FORGOTTEN!

You CAN'T Trust ANYTHING from Mainstream Media or the Government!

Here are the Basic Facts!

- 1. The CDC has NO STATISTICS on the Flu. They have NEVER kept Flu Statistics. Doctors NEVER report Flu statistics. And many patients NEVER go to the doctor when they have the Flu.**
- 2. Covid-19 DOESN'T EXIST. The CDC ADMITS Covid-19 has NEVER been isolated! What are people dying from? The vaccinations, as well as ALL the other diseases people have been dying from for hundreds of years: heart disease, stroke, cancer, autoimmune diseases, kidney disease, etc.**
- 3. The PCR (Polymerase Chain Reaction) does NOT test for ANY virus or bacteria. It is nothing more than a chemical "copy machine" that just "multiplies whatever is there," according to its developer, Dr. Kary Mullis, who won the Nobel Prize for its development. Its best use is to multiply "touch DNA" on a murder victim's**

clothing, to obtain a large enough specimen so the DNA can be TESTED BY A DIFFERENT TEST!!!!

The PCR does NOT TEST FOR ANYTHING! (Yet, the LIARS in government and medicine are using it to “test” for the NON-EXISTENT Covid-19.)

- 4. Vaccinations have NEVER Prevented Diseases. If you believe they have, then you have been totally misled. You have been completely deceived by Big Pharma and Orthodox medicine. It was Sanitation laws, housing laws and child labor laws that prevented all those diseases, NOT “vaccinations.” Read, “Dissolving Illusions” by Suzanne Humphries, M.D.**
- 5. Vaccinations are the CAUSE of Autism, Sudden Infant Death Syndrome (SiDS), learning disabilities, and over a hundred additional severe complications. Read: “Vaccinations: Are the Safe and Effective,” and “The Vaccine Safety Manual,” both by Neil Miller.**
- 6. The HIV Virus does NOT Exist. It also has NEVER been isolated. Read, “Inventing the AIDS Virus” by Peter Duesberg, PhD (Forward by Dr. Kary Mullis, who concurs). AIDS was caused by the massive drug use in the homosexual community, coupled with their self-destructive lifestyle – with the coup de gras delivered by the use of AZT – Zidovudine – one of the most lethal drugs ever developed. It was developed as a chemotherapy agent for cancer, but was found to be TOO TOXIC for cancer patients, so they brought it off the shelf and used it to kill people, and call it AIDS!**

- 7. Sanitation agents CANNOT “KILL” viruses, because viruses are NOT ALIVE. You CANNOT “kill” a rock! And many Sanitation agents contain as many as FIVE carcinogens (cancer-causing substances).**
- 8. Virtually NO ONE EVER “dies of the flu.” The flu is a self-limiting disease, as is the common cold. “Self-limiting” means that you get sick, and you are sick for a few days, and then you get well. That’s why the LYING CDC had to ADD the 38,000 annual deaths from pneumonia to the “flu” in order to DECEIVE people into taking the Flu vaccine.” And “pneumonia” is just an “end-stage” event in the death of people from almost every other disease, including heart disease and cancer.**
- 9. There are NO DISEASES transmitted through the Air. In the Bible, there are 549 verses documenting the Sanitation laws for the Israelites during the Exodus, for the 40 years they were a community wandering through the wilderness. NOT ONE of those laws addresses the protection of the Israelites from airborne diseases. Therefore, there are NO airborne transmissible diseases, on the authority of God, Himself!**
- 10. The Germ Theory is FALSE! Germs do NOT “cause disease” any more than firemen CAUSE fires, or EMT’s CAUSE accidents. Our whole microbiome in our intestine is formed of millions of bacteria that comprise one-third of our immune system. The bacteria are there to keep us healthy, NOT to cause disease. In addition, those bacteria produce Vit K ad Vit B12. Plus, they eat up dead cell debris. They are the “scavengers” in our body, just like we have scavenger animals on the earth**

to eat up the dead animals and waste material on the earth, scavengers just as pigs, vultures, rats, and insects.

11. **Our body MAKES its OWN Bacteria. This was discovered by Antoine Bechamp, a French Scientist, 150 years ago, and again by Gaston Naessens, also a French scientist, who emigrated to Canada. He discovered this fact just in the last 50 years. Read, “The Persecution and Trial of Gaston Naessens” by Christopher Bird.**

12. **Viruses don’t exist! They are nothing more than dead cell debris, the dead pieces of DNA that fall out of the membrane of a dead cell. However, the LIE that viruses “DO” exist is embraced by almost everyone because it serves at least THREE purposes: 1) people don’t have to take responsibility for their illness, they can blame it on someone else “who coughed on me” 2) Evolutionists LOVE the idea of a “virus” because they keep arguing about whether it’s “alive or not.” But the scientific definition of something that is “alive” says that it must be able to reproduce itself on its own. A “virus” CANNOT do that. Evolutionists want to believe that the “virus” is the “bridge” between non-living and living things on the evolutionary ladder, 3) Scientists say there are a QUADRILLION QUADRILLION viruses in the world, “more than there are stars in the skies” (yet, interestingly they admit that only 219 of them “cause disease.”) This gives Big Pharma a never-ending list of (non-existent) viruses for which to make “anti-viral” drugs and deadly vaccinations.**

You can see why the fraudulent “virus” has “something for everyone!”

- 13. The Latin word “virus” means POISON – any type of poison, including the venom of a snake. The fraudulent medical profession “morphed” a poison – a toxin – something that is NOT “alive” - into a supposed “micro-organism” (a supposed “virus”) something they would like to think is “alive” (But it is NOT!) The first studies done between 1887-1890 by Dmitry Ivanovsky, a Russian microbiologist, on a disease in tobacco leaves, found that a POISON caused the disease, NOT a “bacteria.” But because the English word POISON is the Latin word “virus”, suddenly a chemical poison (an inanimate substance) was fraudulently turned into a micro-organism – a “virus” that they would like to think is “alive” (but that doesn’t even exist).**

To get carried away with the nonsense that the Covid 19 “vaccinations” (kill shots) contain snake venom, when Big Pharma can make any poison they choose (and in huge quantities), is a gigantic “reach.” Are there enough snakes in the WORLD to make 24 BILLION shots (3 for each person) or 32 BILLION shots (4 for each person)?

Have Pfizer and Moderna hired millions of people to each squeeze the neck of a snake to provide a few drops of venom for each “vaccination”? That’s absurd!

- 14. ALL diseases are Caused by lifestyle factors: We give diseases to ourselves by the way we live, think, act, eat, and handle stress (including by allowing ourselves**

to be injected with POISONOUS Kill shots). How do we know that? Because God, who created our body, says so:

“If you follow My laws (all God’s natural health laws), My commandments (All Ten of them), and My decrees, I WILL keep you FREE from EVERY disease.” Deut 7:11-15

15. There is **ONLY ONE** way to **REVERSE** Cancer and **EVERY** Other disease, and that is to learn how to **STOP** doing the things that **CAUSED** your disease in the first place – and those are **ALL** lifestyle factors.
16. The **ONLY** way to survive what is coming is to learn to live God’s way. And that requires diligent and regular, systematic Bible Study and prayer, including following “God’s laws, commandments and decrees.” You must be willing to **CHANGE EVERYTHING** about your life, and live God’s way – and God’s way **ONLY!**

If your focus is ANYWHERE other than on God and His ways, you will NOT SURVIVE!

17. The **ONLY** way to be understand the difference between truth and error, between Sense Knowledge (what you can understand with your 5 senses) versus Revelation Knowledge (understanding Spiritual things) is to diligently study your Bible, develop a close personal relationship with Jesus Christ, and communicate with Him regularly in prayer – on your knees, as well as “keep **ALL** His commandments, and laws and decrees.”

Otherwise, you will Remain in DARKNESS! You will NOT be able to understand Truth!
