

Here's a Question for You:

All of You Who Voted for Communists (while calling them Socialists or Progressives) -

How are you Enjoying Communism?

You are beginning to see exactly what Communism brings: massive depression, loss of jobs, loss of rights, homelessness, absolute dictatorship, mandatory deadly poisons injected into your body against your will, permanent elimination of all small businesses, famines (soon on their way to you), quarantine in government facilities (internment camps), and (soon to come) CPS (Child "Protective" Services) taking away your children, (soon to come) elimination of healthcare, particularly for everyone over age 55, and gun confiscation to make the population helpless against the tyrannical government. This is what the Communists ALWAYS do when they take over.

Death, destruction and misery: that's what Communism always brings. The "Utopia" that is promised – that the population will collectively own everything and everyone will be equal – rapidly deteriorates into Bolshevism, a system in which a small group owns everything and the rest of the people are nothing more than slaves.

That's what happened in the Soviet Union!

That's what happened in China!

And that's what is happening, right now, in the United States!

If what you've experienced so far isn't so bad, I've got "good" news for you. This is just the beginning – it will only get worse - - and worse!

Who are the People Responsible for this Mess?

At the top are the Jewish Rothschilds, who operate out of a one-mile square area in London, England called "The City." It is not subject to the laws of ANY city, state, or nation. It makes its own laws. The Rothschilds own the money supply of 192 of the 195 countries in the world. Their extended family owns about one-half of the wealth of the entire world. They are the financial "kings" of the World! All multi-national corporations do their bidding – or they will be put out of business. All governments answer to them, or the leaders are never again elected or appointed. Some may even end up dead.

The Rothschilds worship Satan, and, in fact, receive their orders from Satan by direct communication with the Devil. They refer to him as Lucifer. They participate in pedophilia, child sacrifice, the drinking of blood and eating the flesh of sacrificed children, homosexuality, torture, murder and every other imaginable satanic practice.

They are Jews and they HATE Christians – and ALL Gentiles. They plan to murder 5 ½ BILLION Gentiles on the earth by 2030.

The Rothschilds have many agents who did their bidding. Among them are the Queen and the Royal family of England, the Rockefellers, George Soros (Gyorgy Schwartz), Bill Gates, Jeffrey Epstein (almost certainly still alive – living as a hero in Israel), possibly the Adelsons, and Barack Obama. All of these are Jews, including the Royal family.

The next level down are those who run the Council on Foreign Relations (CFR), the Bilderberg group, and the Club of Rome. These are elitist organizations whose membership is primarily Jewish (about 75% are Jews) and the remaining 25% are 33rd degree Freemasons. Freemasonry is run by Jews and is the way they control the wealthy, elitist Gentiles who are willing to sell out their fellow Gentiles for wealth and power.

The next level are the Neo-cons, such as Bill Kristol, Paul Wolfowitz, John Bolton, Elliot Abrams, Richard Perle, Paul Bremer. Again, ALL of these men are Jews.

Then there are Bill and Hillary Clinton, Alan Dershowitz, Chuck Schumer, Nancy Pelosi, Jeff Bezos, Mark Zuckerberg, Warren Buffet, Larry Ellison, Larry Page, Sergey Brin, Mike Bloomberg, Sumner Redstone, Rupert Murdoch, Koch brothers, Roger Ailes, all the major Wall St. banking firms. Again, these are ALL Jews – who HATE Gentiles!

And ALL the names listed above are Communists!

The following world leaders are Jews: Donald Trump, President of the U.S., Vladimir Putin, President of Russia, Boris Johnson, Prime Minister of the U.K., Angela Merkel, Chancellor of Germany, and probably many others, including the present Pope, and at least the two Popes who immediately preceded him.

Putin has said publicly that “Communism is Jewish.” It comes right out of the Jews’ “holiest” book, the Babylonian Talmud. Judaism is not really a religion; it is a cult of Babylonian paganism.

Why is God Allowing This to Happen?

Some may ask, “Why would God allow this to happen?” But those who ask that question should examine their own life. How often have **they** been studying their Bible alone, independently, and really seeking to know God? How many are following His commandments – all Ten of them? How many, including those who call themselves Christians, actually even **know** the Ten Commandments?

I’m not talking about “going to church.” The churches are 501c3 tax-exempt organizations whose head is the “state” and not Jesus Christ. I’m talking about seeking God and His righteousness, seeking to know Him better than you know any human being on the earth.

America – and the whole world – has left God! Almost no one is really studying his or her Bible, and won’t even care when the government bans the Bible. They go to church as a “feel good” experience, and to make friends, and to “feel” religious, but they certainly don’t **know** God. Some may read a text or Bible passage here or there to bring comfort to themselves, but they are not really seeking to know God or to have a close personal relationship with Him.

So, God has stepped back and said, in essence, “Alright, if you don’t want Me to run your life, that’s fine. I’ll step back and let you be taken over by the Adversary – Satan.” And that is what is happening!

In the Old Testament, God told the Israelites that as long as they followed Him, He would protect them and allow them to stay in their land. But if they turned to follow after pagan gods (including money, fame, the pursuit of one’s own pleasure, the worship of “self”), God would allow a pagan nation to conquer them and rule them as slaves.

That is exactly what is happening to America right now!

The solution is not to “take America back” by force and killing. It is not possible to coerce people to “be good” permanently, even with a gun at their head. God is allowing America and the world to understand that “man” is incapable of ruling over “man.” Whether the government is a Republic, democratic, socialist, or a monarchy, when a human being is given power and control, he or she almost always becomes tyrannical.

Indeed, America started out with a Constitution, a Bill of Rights, and a lot of good men who were willing to give their life for freedom. But look how it turned out 250 years later! **This is the way it will turn out every time!**

The only One who can rule over us properly is Jesus Christ, by changing our heart – by putting in us His disposition and character. And that can only occur when we diligently study His Word, the Bible, and “seek for Him with all our heart” (Jeremiah 29:13).

So, again, WHY is God allowing this to happen?

Only when everyone has had enough “experience” with evil – and everyone has “reaped what he has sown” – will each person understand how evil “evil” can get, and they will finally realize their need for Jesus Christ to run their life.
