

Curriculum Vitae

Lorraine Day, M.D.

Website: www.drday.com

EDUCATION:

1953-1956 La Sierra College
1957-1958 B.S. in Dental Hygiene
University of Southern California
1964-1965 San Jose State University (Pre-Med)

Medical School

1965-1969 M.D. Degree
University of California
San Francisco, CA

Postgraduate Training

Internship

7/69-6/70 San Francisco General Hospital
San Francisco, CA

Residency

7/70-6/74 Department of Orthopedic Surgery
University of California, San Francisco
San Francisco, CA

Graduate Student for Ph.D Degree in Cell Biology

Department of Anatomy
University of California, San Francisco
San Francisco, CA

Attended Ph.D. program part-time (while working full time) beginning in 1984.
Class work finished. Qualifying exams passed. Just lacked 3 mo. to finish up research. Leave of absence taken in 1988 to devote time to the issue of Healthcare worker safety in the AIDS epidemic.

HONORS AND AWARDS

1980 and 1988 Outstanding Teacher of the Year Award given by Orthopedic Residents,
University of California, San Francisco
1979-80 Who's Who in California

1984, 1989 Nominated for Kaiser Award for Excellence in Teaching, University of California, San Francisco

Board Certification

1976 American Board of Orthopedic Surgery

Licensed to Practice Medicine

1970 to Present California Medical Board

POSITIONS HELD AFTER COMPLETION OF POSTGRADUATE TRAINING

University of California, San Francisco School of Medicine

Department of Orthopedic Surgery

9/74-6/75 Clinical Instructor
7/75-6/81 Assistant Professor
7/81-7/90 Associate Professor
7/84-7/90 Vice Chairman

San Francisco General Hospital Department of Orthopedic Surgery

1/75-2/90 Director of Orthopedic Surgery Outpatient Clinic

7/75-7/85 Chief, Gold Orthopedic Surgery Service

10/78-12/78 Acting Chief, Department of Orthopedic Surgery
8/79-9/80
7/84-4/85

10/79-08/84 Assistant Chief, Department of Orthopedic Surgery
8/85-7/90 Chief, Department of Orthopedic Surgery

PRESENTATIONS BEFORE SCIENTIFIC SOCIETIES AND ASSOCIATIONS

- 1975 Twentieth Samuel Higby Camp Visiting Professorship In Orthopedic Surgery, San

Francisco
Presentation: Pulmonary Embolism in Hip Fracture—
Is Prophylaxis Warranted?

1976 American Academy of Orthopedic Surgeons, Forty-third Annual Meeting, New Orleans
Presentation: Pulmonary Embolism in Hip Fracture—
Is Prophylaxis Warranted?

LeRoy C. Abbott Orthopedic Society, San Francisco
Presentation: Treatment of Colles' Fractures, Long Arm versus Short Arm Casts –
A Prospective Study

Twenty-first Samuel Higby Camp Visiting Professorship
Orthopedic Surgery, San Francisco
Presentation: Fractures of the Acetabulum

American College of Surgeons, Northern California Chapter, San
Francisco
Panel Member: Problem Areas in Trauma Management

American Medical Association Course on Child in the Emergency
Room, Dallas, TX
Presentation: Diagnosis and Management of Acute Musculoskeletal Disorders

1977 Twenty-second Samuel Higby Camp Visiting Professorship in Orthopedic Surgery, San
Francisco
Presentation: Open Book Pelvis: Symphysis Pubis Diastasis

American College of Surgeons, Northern California Chapter San Francisco, CA
Presentation: Orthopedics for the Family Physician
Spine and Spinal Cord Injuries – An Update for
the Primary Care Physician
Skull Traction – How to Apply and Manage Halo Traction

Northern California Trauma Committee, San Francisco General Hospital San Francisco,
CA
Course: The Clinical Approach to Trauma
Presentation: Immediate Internal Fixation of Compound Fractures with Soft Tissue
Injury

1978 American Academy of Orthopedic Surgeons, Forty-fifth Annual Meeting, Dallas, TX
Presentation: Open Book Pelvis: Symphysis Pubis Diastasis

Twenty-third Samuel Higby Camp Visiting Professorship in Orthopedic Surgery, San
Francisco, CA
Presentation: A Retrospective Study of the Causes of Death in Patients Treated
with Internal Fixation for Fractures of the Hip
Presentation: Electrical Stimulation of Fracture Healing

American Orthopedic Association Traveling Fellows at St. Mary's Hospital, San

Francisco, CA
Presentation: Electrical Stimulation and Bone Healing

1979

Santa Clara Valley Orthopedic Club,
Santa Clara, CA
Presentation: Electrical Stimulation of Fracture Healing

Western Orthopedic Association, Northern California Chapter, Presidio Officers Club,
San Francisco, CA
Presentation: Ender Nailing of Intertrochanteric Hip Fractures

American Academy of Orthopedic Surgeons, Forty-sixth Annual Meeting, San
Francisco, CA

Instructional Course Lecture: Treatment of the Multiply Injured Patient

Presentation: 1) Anesthesia in the Multiply Injured Patient
2) Halo Tibial Traction
3) Immediate Internal Fixation of Open Fractures
4) Respiratory Distress in the Multiply Injured Patient

American Academy of Orthopedic Surgeons Workshop on Electricity Induced
Osteochondrogenesis, Atlanta, GA

Presentation: The Future of Electrical Stimulation

Zimmer Joint Replacement Symposium, Colorado Springs, Co
Presentation: Electrical Stimulation and Fracture Healing

Zimmer Trauma Symposium – Co-Chairman, Bermuda

Presentation: Condylcephalic Nailing of Trochanteric Fractures
Moderator: Pelvic and Acetabular Trauma

1980

Marshall Hale Memorial Hospital, Department of Orthopedics, San
Francisco, CA
Presentation: Thromboembolism as Related to Orthopedic Surgery

American Academy of Orthopedic Surgeons, Forty-seventh Annual
Meeting, Atlanta, GA

Scientific Exhibit: Halo-Tibial Traction in Treatment of Spine Injuries, with James Wood,
M.D., and Peter Trafton, M.D.

American Academy of Orthopedic Surgeons, Forty-seventh Annual
Meeting, Atlanta, GA

Instructional Course Lecture: Treatment of the Multiply Injured
Patient

Presentations: 1) Anesthesia in the Multiply Injured Patient
2) Halo Tibial Traction
3) Immediate Internal Fixation of Open Fractures
4) Respiratory Distress in the Multiply Injured Patient
5) Jumpers' Injuries

Western Orthopedic Association, Northern California Chapter, Yosemite, CA, Invited

guest speaker

Presentation: 1) New Concepts in Intramedullary Fixation of Long Bone Fractures
2) The Present Status of Pulmonary Embolus in Orthopedics, Its
Diagnosis and Treatment

Kaiser Hospital Medical Grand Rounds, Oakland, CA

Presentation: Present Status of Pulmonary Embolism

American Association of Anatomists, Omaha, NE

Presentation: Effects of Hypothyroidism and Denervation on the Actomyosin
ATPase Activity of Rat Soleus Muscle Fibers

Emory University School of Medicine Sixth Annual Course on
Techniques in Orthopedic Surgery, Atlanta, GA, Invited Guest
Speaker

Presentations: 1) Closed Intramedullary Rodding of the Femur
2) Electrical Stimulation of Fracture Healing

Instructional Seminar: Zickel Nailing of Subtrochanteric Femur Fractures

San Francisco Orthopedic Review Course, San Francisco Anatomy Seminar: Dissection
of the Forearm

Physiology of Fracture Healing

1981

Nineteenth Annual Eden Hospital Symposium, Therapeutic
Update, Hayward, CA

Presentation: The Truth About Pulmonary Embolism

Contemporary Orthopedics, Las Vegas, NV

Symposium on Electrical Stimulation of Bone Growth

American Academy of Orthopedic Surgeons Forty-eighth
Annual Meeting, Las Vegas, NV

Presentations: 1) Hypovolemic Shock and Volume Replacement
2) Post-Traumatic Pulmonary Insufficiency
3) Anesthesia in the Multiply Injured Patient
4) Immediate Rigid Fixation of Open Fractures

The Twenty-fifth Annual Postgraduate Course on Fractures and Other Trauma,
Sponsored by the Chicago Committee on Trauma of the American College of Surgeons,
Chicago, IL, Invited Lecturer

Presentations: 1) Jumpers' Injuries
2) Closed Rodding in Fractures of the Femur and Tibia
3) Pulmonary Embolism Update

San Francisco Orthopedic Review Course, San Francisco, CA
Anatomy Seminar

American College of Surgeons Postgraduate Course Orthopedic Surgery: Multiple Trauma
Presentation: Pelvic Fractures and Associated Injuries

Western Orthopedic Association, San Diego, CA
Presentation: Electrical Stimulation in the Treatment of Nonunions

1982

American Academy of Orthopedic Surgeons Forty-ninth Annual Meeting, New Orleans, LA

Instructional Course Lecture: Treatment of the Multiple Injured Patient

Presentations: 1) Shock: Diagnosis and Treatment
2) Post-Traumatic Pulmonary Insufficiency
3) Compartment Syndrome
4) Approach to Bleeding in Severe Pelvic Fractures:
a) Jumpers' Injuries
b) Condylcephalic Nailing

American Academy of Orthopedic Surgeons Forty-ninth Annual Meeting, New Orleans, LA

Instructional Course Lecture: Problems in Management of Hip Fractures

Presentation: Thromboembolism: Diagnosis, Prevention and Treatment

American Academy of Orthopedic Surgeons Forty-ninth Annual Meeting, New Orleans, LA

Scientific Exhibit: Closed Intramedullary Nailing of Femoral Shaft Fractures, with Michael Chapman, M.D., E.G. Bovill, Jr., M.D., Ron Blackman, M.D., Peter Trafton, M.D., George Pugh, M.D., James Wood, M.D.

The Third Annual Verne T. Inman Lectureship and the Seventeenth Annual Scientific Program of the LeRoy C. Abbott Orthopedic Society Visiting Professorship in Orthopedic Surgery, San Francisco, CA

Moderator Afternoon Session: The Current Status of Joint Allografts

American Orthopedic Association ABC Traveling Fellows, University of California, San Francisco, CA

Presentation: Paired Prospective Studies, Intertrochanteric Hip Fractures (Compression Nail-Plates, Ender Nails, Harris Nails) with Peter Trafton, M.D.

Goldner Orthopedic Guild, St. Mary's Hospital, San Francisco, CA

Presentation: Fracture Management and Electrical Currents

Kaiser Permanente Medical Care Program of Southern California Fifteenth Annual Orthopedic Symposium, "Trauma of the Lower Extremities"

Presentations: 1) Role of Internal Fixation in Femoral Fractures
2) Role of Internal Fixation in Tibial Fractures

American Academy of Orthopedic Surgeons Course on Fractures and Soft Tissue Injuries, Hilton Head, SC

Presentations: 1) Acute Respiratory Distress Syndrome
2) Condylcephalic Nailing

University of Southern California, Department of Orthopedic
Surgery Weekly Conference, Los Angeles, CA, Invited Lecturer
Presentation: How Useful are CAT Scans in Orthopedic Trauma Patients?

1983

American Academy of Orthopedic Surgeons Fiftieth Annual
Meeting, Anaheim, CA
Instructional Course Lecture: Extracapsular Fractures of the Hip
Presentation: Condylcephalic Nailing vs. Compression Screw in Intertrochanteric
Hip Fractures
Discussant: Papineau Technique in Treatment of Osteomyelitis Treatment of
Infected Nonunions of the Tibia

Mt. Diablo Hospital Medical Staff Grand Rounds, Concord, CA
Presentations: 1) Jumpers Injuries
2) Treatment of the Multiply Injured Patient

Western Orthopedic Association, Pebble Beach, CA
Presentation: Results of Semi-Invasive Techniques of Electrical Stimulation for
the Treatment of Nonunions

The Fourth Annual Verne T. Inman Lectureship and the Eighteenth
Annual Scientific Program of the LeRoy C. Abbott Orthopedic
Society Visiting Professorship in Orthopedic Surgery, San
Francisco, CA
Presentation: Evaluation and Treatment of Acetabular Fractures at San
Francisco General Hospital (With Peter Trafton, M.D.)

Henry Ford Hospital Grand Rounds, Detroit, MI
Presentations: 1) CAT Scans
2) Condylcephalic

Western Orthopedic Association Meeting, Salt Lake City, UT
Discussant: 1) Delayed Union of Tibia Fractures Treated with External Fixators
and Pulsing Electromagnetic Fields
2) Silver Electrode Stimulation and External Fixation in the
Treatment of Usually Complex Nonunions

California Academy of Family Physicians Thirty-fifth Annual
Meeting, San Francisco, CA
Presentation: Office Orthopedics for the Family Physician

American Academy of Orthopedic Surgeons Course on Recent
Developments in Major Skeletal Injuries, Palm Springs, CA
Presentations: 1) Current Concepts in the Treatment of Cervical and Lumbar
Fractures
2) Intertrochanteric Fractures: Nail Plates vs. Condylcephalic and
Y Nailing

3) Diaphyseal Tibial Fractures: Open vs. Closed treatment

1984

American Academy of Orthopedic Surgeons Fifty-first Annual Meeting, Atlanta, GA

Presentations: 1) Harris Nail vs. Compression Hip Screw for Intertrochanteric Femur Fractures: A Prospective Randomized Comparison
2) Arterial Injuries Associated with Fractures and Dislocations

Scientific Exhibit: Condylcephalic Nail vs. Compression Hip Screw for Intertrochanteric Femur Fractures: A Prospective Randomized Comparison

Orthopedic Research and Education Foundation Workshop on Conflicts and Consensus in Fracture Repair, New York City, NY, Auditor/Discussor

LeRoy C. Abbott Orthopedic Society Annual Meeting, San Francisco, CA

Presentation: Treatment of Humeral Nonunions Presented by Peter Trafton, M.D.

Western Orthopedic Association Meeting, Los Angeles, CA

Presentation: Treatment on Severe Tibial Injuries: When is Salvage Possible or Desirable?

Ninth Annual Sanderson Lectureship, St. Joseph Hospital, Stockton, CA

Guest Lecturer: The Incidence of Pulmonary Embolism: Is Prophylaxis Warranted?

Western Orthopedic Association, Sacramento Valley Chapter Fall Meeting, Stockton, CA

Presentation: Severe Tibial Fractures: When to Salvage

Western Orthopedic Association, San Diego, CA

Presentation: Treatment of Humeral Nonunions

Contemporary Orthopedics Symposium on Multiple System Trauma San Francisco, CA

American College of Surgeons 70th Annual Clinical Congress, San Francisco, CA

Presentation: Radiologic Studies of the Fractured Pelvis Closed Treatment of Pelvic Fractures

Contemporary Orthopedics and Contemporary Surgery

Symposium: Emergency Management of the Multiply Injured Patient

Zimmer Trauma Panel, Ventura, CA

Presentations 1) Preoperative Planning with Plain and 3D CT
2) Primary Arthroplasty for Central Comminution

The Orthopedic Trauma Hospital Association First National Symposium and Workshop on Advances in Orthopedic Traumatology, Baltimore, MD

Presentations: 1) Patient Positioning and Surgical Approach
2) Closed IM Nailing Techniques

University of California Department of Continuing Education and Department of Orthopedic Surgery, Davis, CA
Acetabular and Lower Extremity Fracture Management Symposium
South Lake Tahoe, Stateline, NV

Presentations: 1) Delayed Unions: Operate or Stimulate?
2) Intertrochanteric Fractures

1985

American Academy of Orthopedic Surgeons Fifty-second Annual Meeting, Las Vegas, NV

Presentation: 1) Tibia Fractures: Indications for Internal and External Fixation
(Presented by Robert Byers, M.D.)

American Academy of Orthopedic Surgeons Fifty-second Annual Meeting, Las Vegas, NV

Instructional Course Lecture: Treatment of Hip Fractures

Presentations: 1) Treatment of Ipsilateral Hip and Femoral Shaft Fractures
2) Treatment of Intertrochanteric Hip Fractures

American Academy of Orthopedic Surgeons Fifty-second Annual Meeting, Las Vegas, NV

Scientific Exhibit Closed Femoral Nailing in the Supine Position With Howard Cohen, M.D., Peter Trafton, M.D., and Edwin G. Bovill, Jr., M.D.

American Academy of Orthopedic Surgeons Fifty-second Annual Meeting, Las Vegas, NV

Presentation: Multicenter Study of the Treatment of Nonunion with a Capacitively Coupled Electrical Field (Co-author) Presented by Carl Brighton, M.D.

American Academy of Orthopedic Surgeons Fifty-second Annual Meeting, Las Vegas, NV

Highlights Section

Presentation: Highlights: Fractures

Northwestern University Medical School, Department of Orthopedic Surgery, Chairman's Conference and Grand Rounds, Chicago, IL

Presentations: 1) Tibia Fractures – When to Salvage
2) Use of the Interlocking Nail

Mills Memorial Hospital Medical Staff, San Mateo, CA

Presentation: Use of Mini-Dose Heparin in Immobilized Patients

Alfred I. DuPont Institute Alumni Weekend, Wilmington, DE

Presentations: 1) When to Salvage Severe Tibial Fractures
2) Pelvic Fractures: Indications for Open Reduction, Traction or External Fixator

Association of Bone and Joint Surgeons, Bermuda

Presentation: Talus Fractures and Dislocations

The San Francisco Orthopedic Review Course, San Francisco, CA

Presentations: 1) Management of Controversial Fractures
2) Management of Polytrauma

LeRoy C. Abbott Orthopedic Society Annual Meeting, San Francisco, CA

Presentation: Incidence of Pulmonary Embolism in 1,000 Consecutive Patients with Hip Fracture

LeRoy C. Abbott Orthopedic Society Annual Meeting, San Francisco, CA

Presentation: Talus Fractures and Dislocations (Co-author) (Presented by Joanne Chao, M.D.)

American Orthopedic Association Annual Meeting, San Diego, CA

Presentation: Incidence of Pulmonary Embolism in 1,059 Consecutive Patients with Hip Fracture

Orthopedic Trauma Hospital Association Annual Meeting, New York, NY

Presentation: Open vs. Closed Treatment of Distal Humeral Intra-articular Fractures

American Academy of Orthopedic Surgeons Continuing Education Course Saratoga Springs, NY

Presentations: 1) Perspectives in Trauma
2) Incidence of Pulmonary Embolism in Hip Fractures

La Association Mexicana de Ortopedia y Traumatologia, y la Sociedad de Ortopedia y Traumatologia de la Laguna Torreon, Coah., Mexico

Presentations: 1) Shoulder Impairment
2) Anterior Shoulder Dislocations
3) Posterior Shoulder Dislocations
4) Rotator Cuff Tears
5) Massive Rotator Cuff Tears

Eureka Medical Society, Eureka, CA

Presentations: 1) The Incidence of Pulmonary Embolism: Is Prophylaxis Warranted?

2) Intramedullary Nailing of Long Bone Fractures

1986

American Academy of Orthopedic Surgeons Continuing Education Course, Pelvic and Lower Extremity Fractures, Napa, CA

Presentations: 1) Injury Prevention Data
2) Acetabular Fractures – Closed Management
3) Pelvic Fracture Radiology

American Academy of Orthopedic Surgeons Annual Meeting, New Orleans, LA

Presentation: 1) Hemiarthroplasty for Femoral Neck Fractures
2) Intertrochanteric Hip Fixation Devices

7th Annual Snowmass Orthopedic Seminar, University of Pennsylvania, Snowmass, CO
