

# Jews HATE Whites!

*"If we get caught they will just replace us with persons of the same cloth. So it does not matter what you do, America is a golden calf and we will suck it dry, chop it up, and sell it off piece by piece until there is nothing left but the world's biggest welfare state that we will create and control. Why? Because it is the will of God and America is big enough to take the hit so we can do it again and again and again. This is what we do to countries that we hate. We destroy them very slowly and make them suffer for refusing to be our slaves."*

*"Human beings are born with different capacities, if they are free, they are not equal. And if they are equal, they are not free."*

**YOU KNOW FOLKS , I never cared that you were gay, until you started shoving it down my throat, and I never cared what color you were ,till you started blaming me for your problems ,and I never cared about your political affiliation ,until you started condemning me for mine. I really never even cared where you were born , until you wanted to erase my history, and blame my ancestors for your problems you know I never even cared if your beliefs were different than mine, until you said my beliefs were wrong,but now I care, my patience and tolerance are gone, and I am not alone in feeling like this, there are millions of us who feel like this,**
