

# **The Jews Are Now Just Trying to Make Our Life Miserable!**

## **This Has NOTHING to Do With a Disease!**

Lorraine Day, M.D.

The Jews' "holiest" book – the Talmud – says that we Gentiles are nothing more than animals in human form. And the Jews enjoy, in fact, are exhilarated by, humiliating us and making our life miserable because the Illuminati Jews are the agents of Satan.

Evil, Insane Jew, Gavin Newsom, governor of California, has made new rules about Thanksgiving.

- 1) Must be held outside
- 2) Guests may use the bathroom inside if it is sanitized
- 3) You must wear a mask while not eating
- 4) Singing is "strongly discouraged"
- 5) Maximum amount of time you can be together is 2 hours
- 6) 6 feet between people, even when they are at the dinner table

NONE of these rules are necessary! They have nothing to do with keeping people safe from anything. Covid-19 causes nothing more than the Common Cold. These are just punitive punishments for the Gentiles by the Jews – for the amusement of the Jews!

In the country of Wales, in the UK, the Communist Jew Rothschilds who run the United Kingdom and the whole world by controlling the money supply (Central Bank) of virtually all countries in the world, they are now banning the sale of what they deem "non-essential" products, even in stores that you are allowed to enter when wearing a mask, including super markets.

In super markets, they are banning the sale of books, paper, writing instruments (pens and pencils), clothes, baby clothes, phones and many other items which are actually ESSENTIAL for life. Again, this has nothing to do with the containment of a "disease" – it is punishment of Gentiles by the Jews, who refer to Gentiles as "cockroaches in a bottle" as the Israelis refer to the Palestinians. They have covered bookshelves with plastic and tape, closed off the area containing birthday and gift cards and clothes.
