

LIE Upon LIE Upon LIE!

Lorraine Day, M.D.

1. They are lying about the existence of Covid-19. It doesn't exist. The CDC admits that it has never been isolated.

2. Covid-19 stands for

CO = Corona

V = Virus

ID = Identification

19 = 1st and 9th letters of the alphabet, which are A and I = Artificial Intelligence

3. There is no need to test for ANY disease by forcing swabs on a very long stick to the back of your nasal sinuses. They could swab the inside of your mouth. They are implanting whatever they wish at the back of your nasal sinuses where it can gain entry into your brain through a thin, fragile piece of bone right in front of your brain (called the cribriform plate) that is not only porous, but contains holes for the olfactory nerve (from the nose) to attach to the brain.

4. They are NOT "testing" for ANY virus. The "test" they are using is the PCR (the Polymerase Chain Reaction) that DOES NOT test for ANYTHING! It is like a chemical copy machine, as confirmed by its developer, Dr. Kary Mullis, who won the Nobel prize for its development. All it does is multiply copies of anything that is "there" so it CAN be tested by some OTHER test. (Except, they aren't using any other test.)

5. There is no such concept as "Herd Immunity" – the idea that a certain percentage of a community must be vaccinated for the vaccinated people to be safe.

If vaccines worked (which they don't) then the person who had been vaccinated would be a NO RISK from a person who was NOT vaccinated.

The LIE of "Herd Immunity" is to try to "shame" those who refuse vaccination, saying that THEY are putting all the other people at risk.

6. The "shot" they are giving people is NOT a "vaccination." The definition of a "vaccine" is:

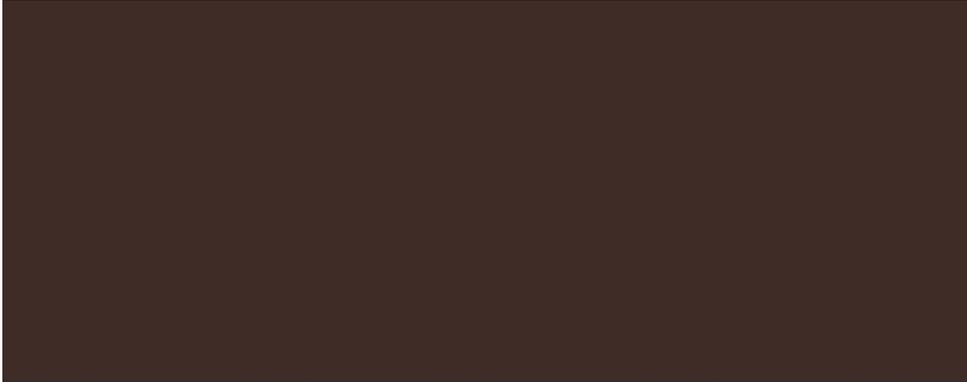

“A substance used to stimulate the production of antibodies and provide immunity against one or several diseases, **prepared from the causative agent of a disease, its products, or a synthetic substitute**, treated to act as an antigen without inducing the disease.”

First: the Covid-19 has never been isolated, so a vaccine CANNOT be made from the “causative agent or its products, or even a synthetic substitute.”

Second: The injection they are giving everyone does NOT give that person ANY immunity to ANYTHING. It is a “Kill Shot” that makes every cell in your body a disease-producing cell.

7. If Covid-19 doesn't exist, why are all these people dying? Answer: You, personally, cannot confirm a SINGLE death from Covid-19. You are just believing what the Jewish Illuminati-controlled Media are telling you. People are dying from ALL the things that people have died from for hundreds of years: heart disease, stroke, heart attacks, cancer, Pulmonary disease, old age, and every other diagnosis that's been around for decades. But if the hospitals put “Covid-19” on the death certificate, they will be paid an additional \$9,000 - \$11,000 by the LYING government!
8. If the hospitals are SOooooo busy – why are there dancing nurses at so many hospitals? Why do they have so much time on their hands? Not only should they be caring for patients, but “dancing nurses” in a REAL epidemic would be very disrespectful to those who are dying – and to their families.
9. The LIE of the “Covid-19” scandemic is a “cover” for bringing Communism into America, AND a way to keep everyone separated so they can't mount resistance to the Jewish Communist takeover of our country, AND to keep people in-doors while they are installing 5G towers everywhere – that will be VERY damaging to everyone's health.
10. **Bill Gates is the BIGGEST LIAR of ALL!** He says he was “vaccinated” and feels fine!

LOOK AT THE EARS!

Bill Gates

**Bill Gates
getting a Vaccine**
