The elites watch people die every day from lack of healthcare, homelessness, crime, drugs, etc. Every single day. For decades. Dont even blink an eye.

And now they want you to think they care deeply about people dying from a <1% fatality rate flu. Thats the real joke of it all.

Abortion pills starve a child to death in utero.

A 1st trimester suction D&C abortion rapidly tears the child apart.

A 2nd trimester D&E abortion dismembers a child limb from torso.

A 3rd trimester abortion poisons the child to death.

Abortion isn't health care — it's murder.
