

An Open Letter to All Christians

How Could a Prominent Pastor NOT be Reading His Bible?

This is what is WRONG with the Organized Churches!

by Lorraine Day, M.D.

A prominent Pastor in America recently wrote the following:

“The world (led by the United States) has been under Covid tyranny for over 18 months now. At the very beginning of this masquerade, we were all taken off guard. No one then could have dreamed what the satanic eugenicists Bill Gates, Anthony Fauci, et al. had planned for us.”

Taken Off Guard?

The Bible predicts EVERYTHING that is happening now; it is ALL found in the books of Daniel and Revelation – written three thousand and two thousand years ago, respectively. There is NO excuse for ANY Christian in the world, much less a pastor, to have been IGNORANT of these prophecies. That just shows that not even Christian pastors are studying God’s Word.

The pastor continues:

“For a few weeks, everyone gave the medical establishment the benefit of the doubt and believed they were truly looking out for our health.”

Again, it’s incredulous that someone who claims to be a student of the Bible would not know that this has all been prophesied in the Bible, including the Seven Seals (Rev. 6), the Seven Trumpets (Rev 8-11) and the Seven Plagues (Rev 16).

The Pastor’s solution?

“Americans Must Stand Up and say, “I will Not Comply” with Covid Mandates Right Now or Face a Life Under Totalitarianism

That is NOT the Answer!

There is not going to be a “Life Under Totalitarianism” for very long because Jesus is coming back soon – probably within the next decade. If He delayed His Coming much longer, there would be NO ONE left on earth!

We have entered the End Times of this era, right before the Second Coming of Jesus. The world as we know it is ending! All the Signs of the Times that Jesus gave us when He was on earth concerning His Second Coming, with Him telling us repeatedly to “Watch and be Ready” - - - have **not** been recognized by Christians Worldwide, and not even their Pastors.

America – and the world – have fallen in love with Satan!

The whole world has turned its back on God, including the organized churches, their pastors and their denominations. Those who call themselves Christians are NOT studying the Bible. If they were, they would not be surprised or confused about what is happening. They would understand these events – and why they are happening – and where they will lead!

Because America and the world have fallen in love with Satan, God is stepping back and letting the population of the world experience what it is for their lives and their country to be controlled by Satan! Christians, their churches, and their pastors have rejected God. Their False doctrines are right out of the mouth of Satan.

Worship of Lucifer

The Plans of the Illuminati are to have a One World Government and a One World Religion. The One World Religion will first be Christian apostasy combined with New Age. Then the entire Population will be drawn into atheism. But because Satan knows that God has put in the heart of every person a desire to worship, the Illuminati will lead the remaining population of the world into the worship of the Devil – under the “name” of Lucifer, a “name” that has been written into the Bible by the translators. (That word is NOT in the Bible in the original Hebrew scriptures.)

It won't take long for those who call themselves Christians to fall like dominoes into the hands of Satan. Satan's agents infiltrated the organized churches in America many decades ago and CHANGED the Truth of the Bible into the FALSE doctrines of the churches of today. And it was EASY to do because neither the members nor their pastors are fervently studying the Bible, as is clearly shown by the article that I quote above, written by a “Christian” pastor.
