

How God is

Re-creating the Exodus WITHOUT Moses!

Beginning Now - in 2015-2016

Why is God accused of being a “Killer”?

When God brought the Israelites out of Egypt, they came out with gold, silver and yard goods. They had NO weapons! When Pharaoh finally allowed the Israelites to leave, Moses led them out of Egypt, to the Red Sea. A few days later, Pharaoh changed his mind and sent his army after them.

The Israelites were then cornered, with a mountain on one side, the Red Sea on another side, and the Egyptians pursuing them with great speed. The Israelites were terrified and cried out to Moses, “You brought us out here to die.”

Moses’ reply was, “You be still (shut your mouths), and watch GOD FIGHT FOR YOU!” Ex 14:14

God never wanted the Israelites to do their own fighting. He would “fight for them.” And later, God explained exactly **how** He would “fight for them.” His plan was to drive out the Canaanites with bees and hornets. No one would be killed or maimed. That’s God’s way of “fighting.”

But even after the amazing miraculous crossing of the Red Sea, when, through the faith of Moses, God opened the waters so the Israelites could cross over on dry land, and the Egyptians (because they had no faith) were drowned by the collapsing walls of water, the Israelites still did not trust God. They didn’t want to be caught in the same position again – having to trust GOD for their survival – so the next time we see them in the biblical account, they have weapons and are fighting and killing their enemies?

Where did they get the weapons? They didn’t have any when they left Egypt, or when they crossed the Red Sea? And there weren’t any weapons to be found in the wilderness – **except for** the discarded weapons of the Egyptians who drowned in the Red Sea.

Obviously, the Israelites picked them up – intent on taking their defense into their OWN hands (SELF-defense) – rather than trusting in the God who created them and the universe.

God never wanted the Israelites to fight, instead, God was going to “fight for them.” But God’s “fighting” is completely different from “man’s.” God knew that if the Israelites became fighters, they would become a barbaric, hateful, corrupt nation. God’s “wrath” is defined as His giving us over to our OWN desires (See Romans 1:18,24,26,28 for the definition of God’s “wrath”). Because the Israelites wanted to fight their own battles, God gave them over to their OWN desires, to become a vicious, destructive nation.

But because they still acknowledged Him as their God, even though they were not following His instructions, like a loving parent, God did not leave them. However, He knew that if they co-mingled and intermarried with the heathen, they would lose virtually all of their morality and their connection to the true God.

With God’s way of “fighting” – driving **ALL** the heathen out with bees and hornets – God would protect the Israelites from pagan influences. But because the Israelites wanted to fight their OWN battles, God told the Israelites, they better get rid of ALL the heathen, and that meant, according to the Israelites manner of doing battle – they had to KILL them ALL!

Again, it was the Israelites’ choice – NOT God’s choice - to fight their own battles with weapons. Because God did not completely reject them, God is accused of being a vicious, “Killer” God. Both Christians and non-Christians fail to study the Bible in depth – going back to the **beginning** of the Exodus – when God brought the Israelites out with NO weapons, and promised that HE would “fight” for them (in clearly non-violent ways).

It was the **Israelites** who decided to fight their OWN battles – and do their OWN killing. God NEVER endorsed their decision, because He knew that through all the killing, they would become a barbaric, sadistic people.

Yet, God is the One who has been blasphemed as a “Killer” God for telling the Israelites, “Alright, if YOU are going to take your defense into your OWN hands, you better kill them ALL – or you will be overwhelmed with pagan ideas and attitudes.” But the biblical account is very clear that God NEVER wanted them to fight their OWN battles!

A Counterfeit Religion

With the destruction of Jerusalem and the Babylonian captivity, that began around 600 BC, the first temple in Jerusalem (Solomon's temple) had been destroyed. So the priests had nowhere to perform their rituals, including the numerous animal sacrifices that had persisted for hundreds of years in Jerusalem.

Without a temple and a priesthood, the Pharisees apparently stepped into the void and became the leaders of a **counterfeit religion**.

When the Israelites were allowed to return to Jerusalem and build the Second Temple, the Pharisees were already well-entrenched as religious leaders of the people. In the New Testament, when Jesus was born into the world, the synagogues, run by the Pharisees, were already functioning.

A BIG Problem:

But there was a BIG problem. The Second Temple was still in existence, and the priesthood had been re-established. **God's presence was in the Temple!** God's presence was **NOT** in the synagogues.

The Temple and the sacrificial system had been **established by God**. On the contrary, the synagogues **had been established by "man" - the Pharisees** – the arch-enemies of Jesus Christ. Jesus referred to the Pharisees as, "Liars, murderers, the synagogue of Satan," and ". . .of your father, the DEVIL!" This group, the Pharisees, not only brought into existence the synagogues, the counterfeit religious hierarchical structure, but they also promoted the counterfeit religion – the counterfeit doctrine - the "Oral traditions" that Jesus so strongly rebuked.

It was the synagogues, run by the Pharisees, the enemies of Christ, the ones who called for Christ's execution by crucifixion, that became the model for the organized church of today, a place where people come into a building and sit down, and are taught by their supposed "superiors" about what they should believe about God.

And it was the "Oral Traditions" of these very same Pharisees, the Oral Traditions that, according to Jesus Christ, turned the Scriptures upside-down, that eventually were written down in around 500 A.D. and became the Talmud – the "holiest" books of Judaism.

The Talmud is as anti-Christian, and anti-Gentile, and anti-Christ, as book(s) on earth. Here are just a few illustrations from the Talmud:

Talmudic Quotes

The decisions of the Talmud are words of the living God. Jehovah himself asks the opinions of earthly rabbis when there are difficult affairs in heaven.

Rabbi Menachen, Comments for the Fifth Book

Jehovah himself in heaven studies the Talmud, standing: he has such respect for that book.

Tractate Mechilla/Me'ilah

R. Johanan said: A heathen who studies the Torah deserves death, for it is written, Moses commanded us a law for an inheritance; it is our inheritance, not theirs. Then why is this not included in the Noachian laws? -- On the reading morasha [an inheritance] he steals it; on the reading me'orasah [betrothed], he is guilty as one who violates a betrothed maiden, who is stoned. An objection is raised: R. Meir used to say. Whence do we know that even a heathen who studies the Torah is as a High Priest? From the verse, [Ye shall therefore keep my statutes, and my judgments:] which, if man do, he shall live in them. Priests, Levites, and Israelites are not mentioned, but men: hence thou mayest learn that even a heathen who studies the Torah is as a High Priest! -- That refers to their own seven laws.

Sanhedrin 59a

To communicate anything to a Goy about our religious relations would be equal to the killing of all Jews, for if the Goyim knew what we teach about them, they would kill us openly.

Libbre David 37

A Jew should and must make a false oath when the Goyim asks if our books contain anything against them.

Szaaloth-Utszabot, The Book of Jore Dia 17

We beg Thee, O Lord, indict Thy wrath on the nations not believing in Thee, and not calling on Thy name. Let down Thy wrath on them and inflict them with Thy wrath. Drive them away in Thy wrath and crush them into pieces. Take away, O Lord, all bone from them. In a moment indict all disbelievers. Destroy in a moment all foes of Thy nation. Draw out with the root, disperse and ruin unworthy nations. Destroy them! Destroy them immediately, in this very moment!

Prayer said on the eve of Passover (Pranajtis: Christianus in Talmudae Judeorum, quotations from: Synagoga Judaica)

The Feast of Tabernacles is the period when Israel triumphs over the other people of the world. That is why during this feast we seize the loulab and carry it as a trophy to show that we have conquered all other peoples, known as "populace"...

Zohar, Toldoth Noah 63b

When the Messiah comes every Jew will have 2800 slaves.

Simeon Haddarsen, fol. 56-D

Resh Lakish said: He who is observant of fringes will be privileged to be served by two thousand eight hundred slaves, for it is said, Thus saith the Lord of hosts: In those days it shall come to pass, that ten men shall take hold, out of all the languages of the nations shall even take hold of the skirt of him that is a Jew, saying, We will go with you, etc.

Mas. Shabbath 31b

On the house of the Goy [Goy means unclean, and is the disparaging term for a non-Jew] one looks as on the fold of cattle.

Tosefta, Tractate Erubin VIII

When a Jew has a Gentile in his clutches, another Jew may go to the same Gentile, lend him money and in turn deceive him, so that the Gentile shall be ruined. For the property of a Gentile, according to our law, belongs to no one, and the first Jew that passes has full right to seize it.

Schulchan Aruch, Choszen Hamiszpat 156

If it can be proven that someone has given the money of Israelites to the Goyim, a way must be found after prudent consideration to wipe him off the face of the earth.

Choschen Hamm 388, 15

Happy will be the lost of Israel, whom the Holy One, blessed be He, has chosen from amongst the Goyim, of whom the Scriptures say: "Their work is but vanity, it is an illusion at which we must laugh; they will all perish when God visits them in His wrath." At the moment when the Holy One, blessed be He, will exterminate all the Goyim of the world, Israel alone will subsist, even as it is written: "The Lord alone will appear great on that day!..."

Zohar, Vayshlah 177b

That the Jewish nation is the only nation selected by God, while all the remaining ones are contemptible and hateful.

That all property of other nations belongs to the Jewish nation, which consequently is entitled to seize upon it without any scruples. An orthodox Jew is not bound to observe principles of morality towards people of other tribes. He may act contrary to morality, if profitable to himself or to Jews in general.

A Jew may rob a Goy, he may cheat him over a bill, which should not be perceived by him, otherwise the name of God would become dishonoured.

Schulchan Aruch, Choszen Hamiszpat, 348

R. Hanina said: If a heathen smites a Jew, he is worthy of death; for it is written, And he looked this way and that way, and when he saw that there was no man, he slew the

Egyptian. [Ex. 2:12] R. Hanina also said: He who smites an Israelite on the jaw, is as though he had thus assaulted the Divine Presence; for it is written, one who smiteth man [i.e. an Israelite] attacketh the Holy One.

Sanhedrin 58b

[In other words, if a non-Jew kills a Jew, the non-Jew can be killed. Punching an Israelite is akin to assaulting God. (But killing a non-Jew is NOT like assaulting God.)

If a goy killed a goy or a Jew he is responsible, but if a Jew killed a goy he is not responsible.

Tosefta, Aboda Zara, VIII, 5

Has it not been taught: "With respect to robbery -- if one stole or robbed or [seized] a beautiful woman, or [committed] similar offences, if [these were perpetrated] by one Cuthean ["Cuthean" or "Samaritan" = goy/gentile/heathen/non-Jew] against another, [the theft, etc.] must not be kept, and likewise [the theft] of an Israelite by a Cuthean, but that of a Cuthean by an Israelite may be retained?" But if robbery is a capital offence, should not the Tanna have taught: He incurs a penalty? -- Because the second clause wishes to state, "but that of a Cuthean by an Israelite may be retained," therefore the former clause reads, "[theft of an Israelite by a Cuthean] must not be kept." But where a penalty is incurred, it is explicitly stated, for the commencing clause teaches: "For murder, whether of a Cuthean by a Cuthean, or of an Israelite by a Cuthean, punishment is incurred; but of a Cuthean by an Israelite, there is no death penalty?"

Sanhedrin 57a

[Translation: A Jew may rob a Goy, but a Goy may not rob a Jew. If a Goy murders another Goy or a Jew, he should be killed, but a Jew will not be incur the death penalty for killing a non-Jew.]

Kill the Goyim by any means possible.

Choshen Ha'mishpat 425:50

Everyone who sheds the blood of the impious [non-Jews] is as acceptable to God as he who offers a sacrifice to God.

Yalkut 245c

Extermination of the Christians is a necessary sacrifice.

Zohar, Shemoth

Tob shebbe goyyim harog - Even the best of the Goyim (Gentiles) should be killed.

Soferim 15, Rule 10

[NB: Hoffman says, "This passage is not from the Soncino edition but is from the original Hebrew of the Babylonian Talmud as quoted by the 1907 Jewish Encyclopedia, published by Funk and Wagnalls and compiled by Isidore Singer, under the entry,

'Gentile,' (p. 617)." Another source says this passage is at Avodah Zara 26b. We have not been able to verify any of these references. It does not seem to be at Avodah Zara 26b of the Soncino edition.]

What is [the meaning of] Mount Sinai? The mountain whereon there descended hostility [sin'ah] toward idolaters [non-Jews].

Shabbath 89a

The same has been taught as follows: If the ox of an Israelite gores an ox of a Canaanite [non-Jew] there is no liability, but if an ox of a Canaanite gores an ox of an Israelite... the payment is to be in full, as it is said: He stood and measured the earth, he beheld and drove asunder the nations [Gentiles], and again, He shined forth from Mount Paran...implying that from Paran he exposed their money to Israel.

Baba Kama 38a

[Trans: The property of the Israelite is more valuable than that of the Gentile. Mount Paran refers to Deut. 33:2, where God offered the law to the nations (Gentiles), who rejected it. The money of the Gentiles is available to the Israelites.]

One should not place cattle in heathens' inns, because they are suspected of immoral practice with them. A woman should not be alone with them, because they are suspected of lewdness, nor should a man be alone with them, because they are suspected of shedding blood. . .

Why then should we not leave female animals alone with female heathens? -- Said Mar 'Ukba b. Hama: Because heathens frequent their neighbours' wives, and should one by chance not find her in, and find the cattle there, he might use it immorally. You may also say that even if he should find her in he might use the animal, as a Master has said: Heathens prefer the cattle of Israelites to their own wives, for R. Johanan said: When the serpent came unto Eve he infused filthy lust into her.

Avodah Zarah 22a-b

He who pours the oil of anointing over cattle or vessels is not guilty; if over heathens or the dead, he is not guilty. The law relating to cattle and vessels is right, for it is written: Upon the flesh of man [adam] shall it not be poured; and cattle and vessels are not man. Also with regard to the dead, [it is plausible] that he is exempt, since after death one is called corpse and not man. But why is one exempt in the case of heathens; are they not in the category of adam?-No, it is written: And ye my sheep, the sheep of my pasture, are adam [man]: Ye are called adam but heathens are not called 'adam. But is it not written: And the persons [adam] were sixteen thousand? -- Because it is used in opposition to cattle. But is it not written: And should I not have pity on Nineveh [that great city, wherein are more than six score thousand persons [adam]]?--This too is used in opposition to cattle.

Mas. K'rithoth 6b

[This passage refers to anointing with oil. "Heathens," i.e., Gentiles, are not "adam" or man but are equated with cattle]

An objection was raised: And the persons were sixteen thousand!--This is due to [the mention of] cattle. Wherein are more than six-score thousand persons that cannot discern between their right and their left hand!--This is due [to the mention of] cattle.

Mas. Yevamoth 61b

[Again non-Jews are referred to as "cattle."]

All Israelites will have a part in the future world... The Goyim, at the end of the world will be handed over to the angel Duma and sent down to hell.

Zohar, Shemoth, Toldoth Noah, Lekh-Lekha

Jehovah created the non-Jew in human form so that the Jew would not have to be served by beasts. The non-Jew is consequently an animal in human form, and condemned to serve the Jew day and night.

Midrasch Talpioth, p. 225-L

Everything a Jew needs for his church ritual no goy is permitted to manufacture, but only a Jew, because this must be manufactured by human beings and the Jew is not permitted to consider the goyim as human beings.

Schulchan Oruch, Orach Chaim 14, 20, 32, 33, 39

A Jew may do to a non-Jewess what he can do. He may treat her as he treats a piece of meat.

Hadarine, 20, B; Schulchan Aruch, Choszen Hamiszpat 348

A Jew may violate but not marry a non-Jewish girl.

Gad. Shas. 2:2

A boy-goy after nine years and one day old, and a girl after three years and one day old, are considered filthy.

Pereferkowicz, Talmud t.v., p. 11

Raba stated: With reference to the Rabbinical statement that [legally] an Egyptian [Gentile] has no father, it must not be imagined that this is due to [the Egyptians'] excessive indulgence in carnal gratification, owing to which it is not known [who the father was], but that if this were known it is to be taken into consideration; but [the fact is] that even if this is known it is not taken into consideration.... Thus it may be inferred that the All Merciful declared their children to be legally fatherless, for [so indeed it is also] written, Whose flesh is as the flesh of asses, and whose issue is like the issue of horses.

Yevamoth 98a

[Trans.: A non-Jew is "legally fatherless," regardless of whether or not the father is

known. Gentile children are essentially asses and horses, i.e., animals.]

[The daughters of the heathens] should be considered as in the state of <http://jewish.com/askarabbi/askarabbi/askr4942.htm>>niddah [separation?] from their cradle...

Avodah Zarah 36b

They decreed in connection with a heathen child that it should cause defilement by seminal emission so that an Israelite child should not become accustomed to commit pederasty with him.... It is therefore to be concluded that a heathen girl [communicates defilement] from the age of three years and one day, for inasmuch as she is then capable of the sexual act she likewise defiles by a flux. This is obvious!

Avodah Zarah 36b-37a

R. Joseph said: Come and hear! A maiden aged three years and a day may be acquired in marriage by coition [intercourse], and if her deceased husband's brother cohabits with her, she becomes his. The penalty of adultery may be incurred through her; [if a niddah] she defiles him who has connection with her, so that he in turn defiles that upon which he lies, as a garment which has lain upon [a person afflicted with gonorrhoea].

Sanhedrin 55b

Rab said: Pederasty with a child below nine years of age is not deemed as pederasty with a child above that. Samuel said: Pederasty with a child below three years is not treated as with a child above that.²⁴ (24) I.e., Rab makes nine years the minimum; but if one committed sodomy with a child of lesser age, no guilt is incurred. Samuel makes three the minimum.

Sanhedrin 54b

Raba said. It means this: When a grown-up man has intercourse with a little girl it is nothing, for when the girl is less than this [three years old], it is as if one puts the finger into the eye; but when a small boy has intercourse with a grown-up woman he makes her as 'a girl who is injured by a piece of wood.'...

Kethuboth 11b

[This debate concerns whether or not someone is a virgin. Virginity is prized above all, such that it is believed that a girl under the age of three will regain her virginity, even if a man has had intercourse with her. (Fn. 7 says, in regard to putting "the finger into the eye": "I.e., tears come to the eye again and again, so does virginity come back to the little girl under three years.") Since virginity is prized above all, one could assume that this conclusion has allowed grown men to have sex with little girls with immunity. A grown-up woman is not deflowered by having sex with a small boy, however, since he is only like a "piece of wood."]

It was taught: R. Judah used to say, A man is bound to say the following three blessings daily: "[Blessed art thou...] who hast not made me a heathen," "... who hast not made

me a woman"; and "... who hast not made me a brutish man." R. Aha b. Jacob once overhead his son saying "[Blessed art thou...] who hast not made me a brutish man," whereupon he said to him, "And this too!" Said the other, "Then what blessing should I say instead?" [He replied,]...h who hast not made me a slave." And is not that the same as a woman? - a slave is more contemptible.

Menachoth 43b-44a

[A "prayer" or "benediction" to be said by a Jewish man every day: "Thank God for not making me a Gentile, a woman or a slave."]

Do not save Goyim in danger of death.

Show no mercy to the Goyim.

Hilkoth Akum X1

A Jew is forbidden to drink from a glass of wine which a Gentile has touched, because the touch has made the wine unclean.

Schulchan Aruch, Johre Deah, 122

And he who desires that none of his vows made during the year shall be valid, let him stand at the beginning of the year and declare, 'Every vow which I may make in the future shall be null.¹ [HIS VOWS ARE THEN INVALID,] PROVIDING THAT HE REMEMBERS THIS AT THE TIME OF THE VOW.

Nedarim 23b

[Essentially the "Kol Nidre" prayer said every year at Yom Kippur. Fn. 1 says: "This may have provided a support for the custom of reciting Kol Nidre (a formula for dispensation of vows) prior to the Evening Service of the Day of Atonement (Ran.). The context makes it perfectly obvious that only vows, where the maker abjures benefit from aught, or imposes an interdict of his own property upon his neighbour, are referred to. Though the beginning of the year (New Year) is mentioned here, the Day of Atonement was probably chosen on account of its great solemnity. But Kol Nidre as part of the ritual is later than the Talmud, and, as seen from the following statement about R. Huna h. Hinena, the law of revocation in advance was not made public."]

The Exodus of the Israelites from Egypt

Egypt was the epitome of all pagan religions. The word "Egypt" is used in the Bible as a synonym for "sin." The Israelites had been slaves in Egypt for 400 years, but now God was delivering them from their slavery and taking them to the Promised Land of Canaan.

Re-Creating the Exodus

In the past, we have studied at least Fifty of the Lessons God wants us to learn from the Exodus of the Israelites from Egypt.

Now, as God is beginning in 2015-2016 to Re-Create the (conditions of the) Exodus, we will study how God is doing this, and how we, in this era, must learn those same lessons.

We also have been Slaves in America, England, and around the world - for 400 years – since 1600!

Elizabeth I's famous scientist, magician, astrologer, and intelligence agent (Jew) John Dee (1527-1608), publicly introduced the English to Renaissance "Christian" kabbalism, magic and science with its Jewish/Sufi roots in Venice. Dee invented the fraudulent "British Israel/Christian Identity" doctrine as an explicit justification for the British Empire." Dee was the original secret agent 007, and planted Rosicrucianism in Germany on an intelligence-gathering trip under occult crystal gazing cover.

Following Dee, Mannaseh Ben Israel, a Dutch kabbalist Jewish Rabbi under the power of Jewish bankers (Lucien Wolf, "Cromwell's Secret Intelligencers"), petitioned Cromwell for return of the Jews to England based on his spurious kabbalistic interpretation of Scripture, called the "[Hope of Israel](#)." This he advocated, was preliminary to the appearance of the Messiah, who could not appear till Jews existed in all the lands of the earth.

He promoted the concept that the British are "the Lost Ten Tribes," making "Jews" (supposedly the two Southern tribes, Judah and Benjamin) their relatives and deserve re-admittance to England. Having been expelled in 1290, they were readmitted under duress in 1657 ("Life of Menasseh Ben Israel" by Cecil Roth, Jewish Publication Society of America, 1945; "The Inner Government of England", Vol. 1, p. 275).

And Converso (a Jew who pretends to converting to Christianity) Dominican Friar Antonio de Montesinos (Aharon Levi) claimed (ahead of the Mormons) to have discovered the Ten Tribes in among the American Indians in Ecuador, and England was the only country from which Jews were excluded. If England admitted them, the Messianic age might be expected. Confident the Jews will convert to pure, Biblical Christianity, Cromwell's Puritan advisors believed they should be allowed to return into England.

[Financed by Amsterdam Jews](#), headed by Solomon Medina, William of Orange was placed on the throne of England in 1689 enabling the conspirators to set up the Bank of England and institute the National Debt, securing for the usurers a first charge on the taxes of England for interest on their loans, and the right to coin money was transferred from the Crown to this private "Bank of England."

The same pattern was followed in the establishment of the Jew's Federal Reserve non-bank in the United States and other central banks tied in with the City of London's Bank of International Settlements. Under another name and in a different occupation the International Jews have controlled Britain from that day to this (Genesis 4:14). The so-called British Empire was and is in reality the Empire of the City of London. The United States, Australia and other former colonies remain subservient "to the City," spilling the blood of their citizens and borrowing at usury to finance Judaeo-Communist takeovers and fight "the City's" wars of conquest in pursuit of world hegemony.

In the 19th century the Empire of the City revived the British Israel hoax in the colonies by the conspiracies of Rhodes, Millner, Marx, Herzl and other Rothschild agencies visible in Communism, Zionism, the League of Nations, RIIA (Royal Institute of International Affairs), CFR (Council on Foreign Relations), United Nations, World Council of Churches, etc., —all working toward Lucifer's totalitarian one world government.

English traitor Oliver Cromwell, whose revolution in 1647, financed by (Jewish) Manasseh Ben Israel and Moses Carvajal of Amsterdam, allowed Jews to return to England, though the order of banishment was not rescinded by Parliament. History proves that the objective of the International Jewish money lenders was to obtain control of England's economy and government, laying the foundation for [The Empire of the City of London](#)," whose 'hidden hand' rules your land as it rules my land, whether you live in China, Russia, the (once) Christian West or in one of the developing nations. <http://www.biblebelievers.org.au/apology.htm>

Fifty Lessons from the Exodus for End Times!

It's ALL about Learning to Trust God

Lorraine Day, M.D.

Most people think that the Exodus is just a story about the deliverance of the Israelites (**incorrectly** referred to as "Jews") from Egyptian slavery. But the story, though real, is also prophetic. It symbolically describes God delivering each individual from sin (symbolized by the word "Egypt" in the Bible), taking him or her through the wilderness (symbolizing our life), and leading each person into the Promised Land (becoming one with God, Jesus putting His character in us, and living with Christ forever).

Therefore, we must study the Exodus with great diligence and carefulness in order to glean all the lessons God wants us to learn from this 40-year event. In Bible times, a boy became a man at age 30. That is why Jesus began His ministry at age 30. The Bible speaks of the average life expectancy as “three score and ten” or 70 years. So the 40 years in the wilderness represents the average length of the adult life of 2,000 years ago, as well as today.

Here are FIFTY lessons that can be learned from that journey. I’m sure there are many, many more. But the focus of virtually all the events of the Exodus is that we must learn to truly Trust God – for everything. In fact, the ONLY reason we are on this earth is to learn to Trust God with everything – including our own life, and the lives of our spouse, children, and the rest of our family and friends. It may take a lifetime to learn to Trust God since God is not in a hurry.

One fact that startles most Christians is that the Israelites had so little faith. God performed one miracle after another, and yet, within days or weeks, the Israelites were again murmuring and complaining that God, through Moses, had brought them into the wilderness to die.

Yet the majority of Christians today are guilty of the same problem. Christians think they have faith in God, but under careful scrutiny, they find that their “faith” is usually in “man” and not God. They trust: the “Church,” pastors, evangelists, doctors, counselors, support groups, etc. That is where human beings turn when they have trouble – NOT to God. They actually trust “man” – and NOT God!

God is our Healer (when we follow HIS Health Plan), God is our Savior (when HE puts His life in us), God is our King (because His WILL is that “None should perish, but ALL will come to repentance” and He “watches over His Word, to perform it!”). Yet Christians trust doctors (who tell us they can heal us by using dangerous drugs or by cutting out organs), pastors (who we think will tell us the TRUTH about God’s Word, but do NOT know God), and the government (who promises to protect us from our enemies, to manage our economy, to make sure there are enough jobs, and to take care of us with government programs, such as Social Security) who lies to us at every turn.

“Man” will **always** fail us. Only God can accomplish all these things. Then WHY do the vast majority of Christians REALLY trust - and depend on “man” – instead of trusting and depending on God – exclusively?

Because they have a **form** of religion, **without** any power! They do NOT know God. They only know ABOUT God!

The main thing we need to concentrate on is getting to KNOW God, up close and personal by spending time with Him every day in Bible study and prayer, becoming one with God – allowing Him to make every decision in our life. Only then will we be in perfect communion with Him. Only then will we learn to trust Him with our life and the lives of our loved ones.

Our job is to keep focused on what is important in life – becoming one with God - and not become distracted by the “cares of this world.”

A study of the events of the Exodus should help us do just that.

1. **Fighting and Killing are NOT God’s ways:** Forty years before the Exodus, Moses understood that God wanted him to lead the Israelites out of Egypt, but Moses thought it would be by destroying the enemy. After all, Moses’ position in Pharaoh’s court was as Minister of Defense. Moses was a warrior. It seemed reasonable (to Moses) that Moses would use those skills to deliver the Israelites from their slave-masters, the Egyptians. Moses saw an Egyptian mistreating an Israelite and Moses killed the Egyptian.

But God had a different plan, a plan that did not require the Israelites to go to war against their enemies. God’s plan did not include the Israelites killing their enemies. God would do the fighting for Israel. So God said, in essence, to Moses, “You are not yet ready to lead my people out of captivity. Into the wilderness, you go, Moses. You need an attitude adjustment. You need to understand who I am, you need to understand My ways.” Fighting and killing are not God’s way.

Fighting and killing are NEVER God’s way. But they are almost always Man’s way. When God chooses not to forsake “man” when “man” falls back into his old fighting ways, God is often **falsely** accused of endorsing war!

Although they failed repeatedly, the Israelites would have to learn, eventually, to **trust God** for their safety – BEFORE they would be allowed to enter into the Promised Land.

In 2015 – What should we learn?

The idea of a “Just War” as well as the concept of a literal burning “Hellfire” came from Augustine and the Catholic Church, but have been adopted by almost all churches since that time.

Nine hundred years later, Thomas Aquinas — an immensely influential

philosopher and theologian in the tradition of **scholasticism** — used the authority of Augustine's arguments as he laid out the conditions under which a war could be just:

First, just war must be waged by a properly instituted authority such as the state. (Proper Authority is first: represents the common good: which is peace for the sake of man's true end—God.)

- Second, war must occur for a good and just purpose rather than for self-gain (for example, "in the nation's interest" is not just) or as an exercise of power. (Just Cause: for the sake of restoring some good that has been denied. i.e., lost territory, lost goods, punishment for an evil perpetrated by a government, army, or even the civilian populace.)
- Third, peace must be a central motive even in the midst of violence.^[15] (Right Intention: an authority must fight for the just reasons it has expressly claimed for declaring war in the first place. Soldiers must also fight for this intention.

Christians give honor to military personnel who are applauded as those who “protect” America, when in fact they are taught to torture and murder millions of people in other countries who are not our enemies, but just want to be left alone.

Christians believe in “just war” and self defense, just like the Israelites did. But Jesus said, “Love your enemies. Do GOOD to those who hate you. Pray for those who despitefully use you.” Luke 6: 27,28

2. **Learn to Trust God. That is the whole purpose of life:** Forty years later, when God finally called Moses to lead the Israelites out of Egypt, Moses argued with God about his capability of speaking the Egyptian language. Moses had been in Midian, a long distance from Egypt, and felt that his inability to speak fluent Egyptian would be a hindrance to him. But God said, “I will tell you what to say – I will put the correct words in your mouth. ” But Moses, instead of trusting God at His word, kept arguing about his deficiency, until God finally told him that his brother, Aaron, would do the speaking for him. Apparently Aaron still lived in Egypt and was fluent in the language.

So, instead of trusting in God to do what He had promised to do – put the correct words in Moses’ mouth – Moses was given Aaron as his mouthpiece. But later on, Aaron became a great liability to Moses when Aaron made the golden calf for the Israelites, and when Aaron and Miriam wanted to be equal with Moses, and mutinied against Moses.

If Moses had just learned to **trust God**, He would not have had these troubles.

2015: Trust that God will supply you with everything you need to do the job He wants you to do. Don't argue – or try to make deals - with God. Just humble yourself and do what He wants you to do.

"Woe to those who quarrel with their Maker, those who are nothing but potsherds (fragments of pottery) among the potsherds on the ground. Does the clay say to the potter, 'What are you making?' Isa 45:9

3. **Satan can do miraculous signs and wonders. Don't be fooled:**
Pharaoh's "wise men," who were sorcerers, were able to duplicate the first three plagues called forth by Moses, under God's directions. Through this we learn that Satan can do signs and wonders, both then and now. In our present age, with miraculous "healings" and apparitions, we must "test the spirits" by studying God's word, to see if the signs and wonders are of God or are of Satan.

We must learn to know God so well, and study His Word so diligently, that we know His voice, and know His ways. Otherwise, "even the very elect" will be deceived.

2015: The New World Order has had their Project Blue Beam on the shelf for over 15 years, just waiting for the right time to put it into action.

What is the Blue Beam Project? **By David Oppenheimer, April 16, 2000**

A Simulated "Second Coming" and the Reemergence of the Montauk type projects.

It involves two things. A technologically simulated "second coming" using lasers and holograms and the reemergence of new "Montauk" type projects that have the ability to take up a whole bunch of people as in a "rapture" type of situation and whisk the whole bunch into never-never land.

What is the Montauk Project?

The **Montauk Project** is an alleged series of secret United States government projects conducted at Camp Hero or Montauk Air Force Station on Montauk, Long Island for the purpose of developing psychological warfare techniques and exotic research including time

travel. Jacques Vallée describes allegations of the Montauk Project as an outgrowth of stories about the Philadelphia Experiment. The history of the Montauk Project story is closely associated with —and often believed to originate in— the Mountauk Project series of books by Preston Nichols.

Ironically, portions of the holographic projections have the potential for changing the planet into oneness with God. Unfortunately, this operates on the premise that Man shall somehow become God in human form and control other Men and dictate all actions and thoughts.

The calculated resistance to the new religion, the New World Order and the new "Messiah" will entail human loss on a massive scale in the ensuing "*holy wars*". The "BLUE BEAM PROJECT" will pretend to be the universal fulfillment of the prophecies of old; as major an event as that which took place 2000 years ago. In principle, it will make use of the sky as a holographic projection screen for space-based laser-generating satellites (star wars). These projectors will project simultaneous images to the four corners of the planet, in every language by region.

It deals with the religious aspect of the NEW WORLD ORDER. The "system" has already been tested. Holographic projections of the "CHRIST IMAGE" have already been seen in some remote desert areas. These have only been reported in tabloid papers, so they are instantly rendered moot. They can also project images of alien craft, aliens, monsters, angels - you name it. Computers will coordinate the satellites and software will run the show-and-tell. Holography is based on very nearly identical signals combining to produce an image, or hologram, with depth perception. This is equally applicable to acoustic (ELF, VLF, LF) waves as it is to optical phenomena. Specifically, the "show" will consist of laser projections of multiple holographic images to different parts of the planet, each receiving different images according to the predominating regional religious faith. Not a single area will be excluded. With computer animation and sound effects appearing to come from the depths of space, astonished followers of the various creeds will witness their own returned Messiah in spectacularly convincing lifelike realness. The various images of Christ, Mohammed, Buddha, Krishna, etc., will merge into ONE after "correct explanation" of the mysteries, prophecies and revelations are disclosed.

This "*ONE GOD*" will in fact function as the "Anti-Christ", who will "explain" that the various scriptures "have been misunderstood"- that the religious of old are responsible for turning brother against brother, nation against nation - that the religions of the world must be abolished to make way for the GOLDEN AGE (NEW AGE) of the One World Religion, representing the *One God* they see before them. Naturally, this superbly staged, full-scale production will result in social and religious disorder on a massive scale. Wonder what the television transmitters of religious networks will be doing on that day ? But before all this, they have to go through four different steps in order to get to Project Blue Beam.

1: The first step concerns the breakdown of all archeological knowledge

It deals with staging earthquakes at certain precise locations around the planet where supposed new "discoveries" will finally explain (for them) that the meanings of the basic doctrines of all the world's major religions are "wrong."

This falsification will be used to make the population believe that all religious doctrine has been misunderstood and misinterpreted. The falsification started with the film 2001: A Space Odyssey, the TV-series STAR TREK, the STAR WARS films, E.T., all of which deal with space "invasion" and "protection". JURASSIC PARK, was to push the theory of evolution.

2: The second step deals with the gigantic space show

3D optical holograms and sounds, laser projections of multiple holographic images in different parts of the world, each receiving a different image, according to its predetermined original national religious faith. This new "god" image will talk in all languages.

As an example, the Soviets (actual Russians) have manufactured the advanced computers and have programmed them with the minute psychological particles based upon their studies of the anatomy and biology of the human body, as well as their studies on the anatomy, chemistry and electricity of the human brain. These computers have also been fed with the different languages of the world.

3: The third step deals with telepathic electronic two-way communication

ELF (Extra Low Frequency), VLF (Very Low Frequency), and LF (Low Frequency) waves will reach the people of the earth through the insides of their brains, making each person believe that his own God is speaking to him from within his own soul.

Such rays, from satellite, are fed from the memory of computers that store much data about the human being and his languages. These rays will then interlace and interweave with the natural thinking processes to form what we call the ARTIFICIAL TALK.

4: The fourth step involves universal supernatural manifestations using electronic means

This step contains three different orientations:

The first one is to make mankind believe that an alien invasion is about to occur upon every major city on the earth. This is to push each major nation into using its nuclear capability to strike back. In this manner, it would put each of these nations in a state of full disarmament before the United Nations after the false attack.

The second is to make the "christian" believe that a major rapture is occurring, with a simple "played" divine intervention of an alleged "good" alien force coming to save the good people from a brutal satanic attack. Its goal is to get rid of all significant opposition to

the NEW WORLD ORDER.

The third orientation is a mixture of electronic and supernatural forces. The waves (frequencies) used at that time will allow supernatural forces to travel through fiber optics cable, coaxial cable, electric and telephone lines in order to penetrate all electronic equipment and appliances that will by then all have a special microchip installed.

The goal of this step deals with the materialization of satanic ghosts, specters, and poltergeists all across the globe in order to push all populations to the edge of a wave of suicide, killing and permanent psychological disorder.

After that night of the THOUSAND STARS, HUMANITY IS BELIEVED TO BE READY FOR THEM TO ENTER IN A "NEW MESSIAH" TO REESTABLISH PEACE EVERYWHERE AT ANY COST, EVEN AT THE COST OF FREEDOM.

4. **It may get worse before it gets better. Trust God!** It is certain that while Moses was negotiating with Pharaoh for the release of the Israelites, the Israelites were praying for God to soften Pharaoh's heart and let them go. But God hardened Pharaoh's heart. The plight of the Israelites became a lot worse before it got better.

We must learn to trust God's plans, to trust that God knows what He is doing, and that in the end, He knows what is best for us. We must learn trust, patience, and perseverance.

2015: There are many Christians who "just want the Lord to come soon." But this world will get a whole lot worse before that happens. True Christians will lose everything, they will be imprisoned, and many will be killed because of their belief in Jesus Christ. We must learn to "stand alone" for the Lord. The churches will all be gone. Many, if not most, of our friends and family will forsake us – and even betray us to the authorities for subsequent imprisonment and death.

5. **Obey God. Follow His Process in order to receive His Promise:** God said that the Egyptians would lose their first-born sons in the last plague. God gave the Israelites a promise – that He would save their first-born sons, IF the Israelites followed God's specific process – they were to put blood from a lamb on the doorpost of their homes.

Putting blood on the doorpost may have seemed quite useless in protecting their first-born sons, but the Israelites had to learn to trust God

completely for the lives of their children, even though the “process” may have seemed strange.

God gives a “promise” – but He also gives the “process.” In order to have the “promise” fulfilled by God, we must follow HIS “process” and NOT our own.

2015: Many churches tell their members that they must “work for God.” They may even tell their members what kind of “work” they must do for God. But GOD is the One who decides what He wants done, and we must follow HIS direction, not the direction of an organization, even one that “claims” to speak for God. God has not lost His voice. He can speak for Himself. The problem is that Christians are not listening. God speaks in a still, small voice, and we must know God very well in order to “hear” His voice.

One specific illustration of how we must follow God’s process, rather than our own is in the area of our health. God says:

“If you follow My laws (including His health laws), My commandments and My decrees, I WILL keep you FREE from EVERY disease.” Deut 7:11-15

But the vast majority of Christians, including pastors, evangelists, and “Christian” doctors, trust in “man” (doctors) and their drug poisons, while claiming to be trusting in God. They think God works through doctors. But everything a doctor does to a patient – whether mutilating surgery or giving out poisonous drug medications with hundreds of adverse side effects that cause additional diseases – harms the patient even more.

Drugs NEVER cure disease – because they only “treat” the symptoms of the disease, and never the underlying cause of the disease.

This is SATAN’S Great Deception!

6. **Human “Self-Defense vs. God’s Protection. You can’t have it both ways.** When the Israelites left Egypt, they left with NO weapons. They were given gold, silver and yard goods by the Egyptians, but NO weapons. It was God’s ideal plan to have it that way. God did not want the Israelites to wage war against their enemies. When they were at the entrance to the Red Sea, frightened and complaining about the advancing Egyptians, Moses told them to quit complaining, and to “Keep silent, and **watch God fight for you.**”

But the Israelites had so little trust in God that even when they had successfully crossed the Red Sea and the approaching Egyptians were drowned because they had no faith in God to keep the waters from tumbling down, the Israelites apparently picked up the Egyptians' weapons that washed up on shore.

The Israelites trusted God so little – even after the triumph of walking through the Red Sea on dry land – that they decided they would defend themselves, instead of depending on God. They chose “self-defense” instead of the defense and protection provided by God. They chose to trust **themselves** – they trusted in “man” – instead of trusting in God.

2015: Virtually ALL Christian denominations believe in Self Defense – and war. They “honor the troops” and applaud their murderous assaults against those we propagandize as our enemies.

The US Is Now Involved In 134 Wars Or none, depending on your definition of 'war'.

By Timothy McGrath | September 22, 2014

The White House spent much of last week trying to figure out if the word “war” was the right one to describe its military actions against the Islamic State. US Secretary of State John Kerry was at first reluctant:

“We’re engaged in a major counterterrorism operation,” he [told CBS News](#) on Sept. 11. “I think war is the wrong terminology and analogy but the fact is that we are engaged in a very significant global effort to curb terrorist activity... I don’t think people need to get into war fever on this. I think they have to view it as a heightened level of counter terrorist activity.”

Kerry said similarly hedgy things during interviews on CNN and ABC. By the next day, the Obama administration appeared more comfortable with the word war, yet hardly offered any more clarity. White House Press Secretary Josh Earnest [told reporters](#), “The United States is at war with ISIL in the same way we are at war with Al Qaeda and its affiliates.”

The problem is that our traditional definition of “war” is outdated, and so is our imagination of what war means.

World War II was the last time Congress officially [declared war](#). Since then, the conflicts we’ve called “wars” — from Vietnam through to the second Iraq War — have actually been congressional “authorizations of military force.” And more

recently, beginning with the War Powers Act of 1973, presidential war powers have expanded so much that, according to the Congressional Research Service, [it's no longer clear](#) whether a president requires congressional authorization at all.

The recent US wars in Afghanistan and Iraq will likely be the last time, in the foreseeable future, that the United States wages war in the way that's most familiar to us: a lot of combat troops on the ground in a foreign country with lots of money and support and an ostensibly achievable objective.

US troop presence in Iraq peaked at [187,900](#) in 2008. In Afghanistan, it peaked in 2010 at [100,000](#). On paper, it looked like the United States was fighting two wars. But the reality was much more complicated, and it's only gotten more complicated.

So how many wars is the US fighting right now? Somewhere between zero and 134. Here's the rationale:

Total # of wars: 0

Congress hasn't declared war since 1942 so there is no war right now. Okay, that makes no sense.

Total # of wars: 5

This maybe sounds more reasonable.

Consider the definition of war [put forth](#) by Linda Bilmes (Harvard Kennedy School) and Michael Intriligator (UCLA), who defined war in a 2013 paper as "conflicts where the US is launching extensive military incursions, including drone attacks, but that are not officially 'declared.'"

By that definition, the United States is at war in five places right now: Iraq, Afghanistan, Pakistan, Somalia and Yemen.

Total # of wars: 134

Whoa!

Surprising, right? In 2013, the US Special Operations Command (SOCOM) — one of the nine organizational units that make up the Unified Combatant Command — had special operations forces (SOFs) in [134 countries](#), where they were either involved in combat, special missions, or advising and training foreign forces. (Mostly this last thing, according to public statements.)

Since most of what SOFs do is classified, all we know about them is what we get told about them. Here's what we're told by the [Joint Chiefs of Staff](#):
What are SOFs? And what do they do?

SOCOM admits to having forces on the ground in 134 countries around the world. That doesn't mean its forces are carrying out capture or kill raids in every country, but it's almost impossible to know where and when different operations are taking place.

That's especially true when it comes to the Joint Special Operations Command (JSOC), an operational command within SOCOM that operates with an enormous amount of autonomy and secrecy — and, some would say, little accountability.

Founded after the failed mission to rescue American hostages in Tehran in 1980 and designed to handle similarly complex operations in the future, JSOC was a classified and little used command on Sept. 11, 2001. Since then, it's more than tripled in size, received an ever-increasing share of funding, and has [conducted operations](#) in dozens of countries. ([Journalist Jeremy Scahill](#) wrote in depth about JSOC in his 2013 book, "Dirty Wars." That's where the following information comes from.)

JSOC was introduced to the world on May 1, 2011, when Navy SEALs killed Osama bin Laden in a nighttime raid on his compound in Abbottabad, Pakistan. The raid was a collaboration between the CIA and an agency almost nobody had heard of: JSOC.

"We're the dark matter," a Navy SEAL [told](#) the Washington Post of JSOC in 2011. "We're the force that orders the universe but can't be seen."

We know more about JSOC now, thanks to investigative reporters like Scahill and Mark Mazzetti. JSOC's core is made up of three acknowledged "Special Missions Units" (SMUs). You know these folks from TV and movies: Army's 1st Special Forces Operational Detachment (Delta Force), the Naval Special Warfare Development Group (DEVGRU or "Seal Team Six"), and the Air Force's 24th Special Tactics Squadron. In addition to the SMUs, JSOC has its own intelligence division, the Intelligence Support Activity, and [often oversees](#) the 75th Ranger Regiment, the 160th Special Operations Aviation Regiment (the "Night Stalkers"), and other special operations forces.

JSOC, along with the Special Activities Division at the CIA, have been the leading edge of counterterrorism under Obama. Journalists Dana Priest and William Arkin found that JSOC has [carried out](#) counterterrorism operations in Iraq,

Afghanistan, Algeria, Iran, Malaysia, Mali, Nigeria, Pakistan, the Philippines, Somalia, Syria, and Yemen.

An anonymous source with close ties to JSOC gave Scahill an even more expansive list that included those countries along with Indonesia, Thailand, Colombia, Peru, and several countries in Eastern and Central Asia.

“The world is a battlefield and we are at war,” the source told Scahill of the logic that drives JSOC. “Therefore the military can go wherever they please and do whatever it is that they want to do, in order to achieve the national security objectives of whichever administration happens to be in power.”

Total # of wars: 1

“The world is a battlefield” isn’t just a vague, hawkish worldview — it’s a legal understanding of military force in the age of a single, global war: the War on Terror.

The world is a battlefield thanks in large part to the [Authorization for Use of Military Force](#), which Congress passed on Sept. 14, 2001 and which gives the President of the United States broad power to fight terrorism around the world. It reads in part:

This is what the White House meant last week when its spokesperson said, “The United States is at war with ISIL in the same way we are at war with Al Qaeda and its affiliates.”

Obama has ordered more than 1,000 “military advisers” into Iraq and he insists they won’t have a direct combat role. It wouldn’t be surprising, given recent history, however, if some of these military advisers were under the command of JSOC.

So how many wars would you say the United States is now fighting? The easy answer might just be: too many.

7. **God says, “Before you call, I will answer.”** After the Israelites had gone into the wilderness, God asked them to build a sanctuary so “I can dwell among you.” God had weeks before, provided the gold, silver and yard goods, for the Israelites to build that sanctuary. “Before you call, I will answer,” says the Lord. Isaiah 65:24

2015: God commands us to “Watch and be ready.” Matt 24:42-44 We should not be sleeping as were the 10 virgins in the Bible parable. On the other hand,

we must trust God that He will be with us through the trials and tribulations that are fast approaching and guide us with His hand regarding the information we do NOT know.

8. **God Delivers us from Sin:** “I am the Lord thy God who brought you out of Egypt, out of the land of bondage.” (Exodus 20:2). In the Bible, the word “Egypt” is symbolic for sin. God’s deliverance of the Egyptians from Egypt symbolizes God’s deliverance of us, His people – His children, from sin.

2015: Our deliverance from sin usually comes through suffering the consequences of our sin. When a child puts his hand on a hot stove, when his mother has repeatedly told him not to, he learns a hard and painful lesson. And so do we when we sin – and then reap what we have sown.

The suffering that is coming upon this world very soon will be so overwhelming that it cannot be comprehended. The population of the earth will learn how Evil – Evil can get! The world will become so desperately evil that even those responsible for the chaos and mayhem in the world will reap what they have sown. They will turn on each other with great vengeance. It will be so painful for all of them that even **they** will decide they no longer want to sin.

9. **The Israelites were not a pure bloodline of any kind. They were just people.** The Bible tells us that when the Israelites left Egypt, they were a “mixed multitude.” (Exodus 12:38) They consisted of no pure bloodline. They were called *Israelites* because they worshiped the same God as Jacob/Israel -who was given the Spiritual name of “Israel” - **after** Jacob learned that being a deceiver was wrong, and after he agreed to re-unite with his brother, Esau, whom he had defrauded of his birthright.

The group who left Egypt were called **Israelites**, because they worshiped the one true God, rather than worshiping the numerous gods of paganism. The **Israelites** were NOT “Jews.”

2015: Even the so-called Jews of today are Gentiles. It is estimated that 98% of those who call themselves Jews today are actually Gentiles – Ashkenazi “Jews” from Khazaria – a country that occupied roughly the present location of Ukraine. The “Jews” of today are descendants of barbarian Mongol Turks (Gentiles) who converted to Judaism in the 13th century A.D. They are NOT descendants of the Israelites (who weren’t “Jews” anyway) and have no right to the land of Palestine, now incorrectly called “Israel.” See “The Thirteenth Tribe” by Arthur Koestler, a Jew who exposes the hoax of “Jewishness.”

10. Faith opened the Red Sea: When the Israelites were finally allowed by Pharaoh to leave Egypt, they came to the Red Sea and had no boats. A mountain impeded their progress in another direction, and the Egyptian army was closing in. **The Red Sea opened because of the faith of Moses.** The Egyptians had no faith – so the Sea closed, and all the Egyptians were drowned.

2015: It was faith that closed the lions' mouth to keep Daniel safe. It was faith on Noah's part that spared his life and the lives of his family during the flood. It was faith that kept King Saul from killing David.

And it will be faith in God that will lead us triumphantly through the time of trouble, whether we live or die.

11. The Israelites trusted themselves – NOT God: Before the Red Sea opened, the Israelites were whining and complaining that Moses brought them out of Egypt to die in the wilderness. Being frightened and unable to trust God to deliver them, and because they wanted to take their defense into their own hands (SELF-defense) rather than trusting God for their safety, the Israelites obviously picked up the weapons washed to the shores of the Red Sea from the drowned Egyptian soldiers. Why do we surmise that? Because later we read that they had weapons to fight their enemies. But when the Israelites left Egypt, all they had were gold, silver, and yard goods. They had NO weapons.

2015: Nothing has changed in 3500 years. The Israelites trusted themselves – not God – and so do the Christians of today. They trust the church, they trust the doctors, they trust the government, and they trust themselves (ALL churches believe in SELF-defense) – and all the time they THINK they are trusting God.

They trust the Church because they think it contains God's people. They trust in doctors because they think that God works through doctors. They trust in the government because they think that America is a Christian nation. And they trust in themselves thinking that because they claim to be Christians, they cannot be deceived.

But Satan is the master deceiver, and Christians are no match for him. The tree in the midst of the Garden of Eden was not the Tree of Knowledge of Evil. It was the Tree of Knowledge of GOOD and Evil – Good mixed with Evil. A perfect setup to deceive Christians – and almost everyone else.

12. How soon we forget God's working in our life: The Israelites were constantly murmuring and complaining. God had brought them safely through the Red Sea, but soon after, when they had no water to drink, they

complained again that Moses had brought them into the wilderness to die. Even after they witnessed one miracle after another, they still refused to trust God.

God performs miracles in our lives, but how soon we forget. We, too, tend to complain that, or at least behave as though, our problems are too large for the Lord.

2015: Christians all over America are praying for God to STOP the carnage that's going on around the world, and return America to its previous status as a "Christian" nation. But these Christians apparently are not studying the Bible, particularly Daniel and Revelation. The prophecies in those two books of the Bible have told us for over 2,000 years that what is happening now – would happen! And it's only going to get worse.

To pray that it will NOT happen, is absurd. It is clearly God's WILL that all this happen to bring about His purposes. Satan can do nothing unless God allows it. Read Job, Chapters 1 and 2.

"All if of God, through God and to (for) God." Rom 11:36

Apparently Christians do not like God's Plan because they're praying for a different Plan. Apparently Christians think they know better than God!

13. The Forty Years in the wilderness represents the life of each person:

It was God's plan to take the Israelites through the wilderness - which represents our life on earth - where they had no availability of water, food, air conditioning for cooling, no heat to keep them warm, no place to buy clothes or shoes. They had to learn to trust God for EVERYTHING. There was nothing they could do for themselves.

2015: The elitists are buying up the fresh water supplies of the world. There are 5 corporations that control virtually ALL the food growing areas in the U.S. Food will become so expensive that we won't be able to afford it – UNLESS – we agree to sign on with the government and abandon our belief in Jesus Christ.

The same thing will happen with our ability to have fuel for heating or electricity for air conditioning.

God is testing us to see if we will stand for Him – even to the point of death - or will we go over to the side of the enemy because we don't Trust God!

14. **We must look up to God each day for our direction: Every day**, the Israelites had to look up, to the cloud cover during the day or the pillar of fire by night, to see where the Lord wanted to take them.

2015: We too, must look UP – to the Lord – **every day**, to see where the Lord wants to take us. Christians, and Christian churches, are constantly trying to do God’s work – their own way. God knows what He needs done. HE is the One who makes the plans, and decides the process by which His plans are to be carried out.

Our only duty is to stay so close to the Lord with Bible study and prayer that He can work **through** us. And we may not even know HOW He is working **through** us.

15. **A vegan diet clears the mind so we can understand truth:** God gave the Israelites Manna – a vegan diet – a vast dietary change from their previous diet of flesh food - BEFORE He gave them the Ten Commandments.

2015: In order to understand God’s Word completely, our brain and our body must be cleansed, by a major change in diet. We must return to God’s ideal diet – fruits, grains and vegetables, in their original form – in order to understand Truth!

Furthermore, the diet in heaven and the earth made new will be a totally vegan diet because nothing will die. **We are not safe to save until we have no more desire to eat flesh food**, because the lives of the animals would be in jeopardy

16. **Pentecost rejected: The Israelites refused to have God run their lives personally.** At Sinai, God wanted to speak to the Israelites directly – not just through Moses (a human being) and God wanted to put the Law in the heart of the Israelites. This was to be the outpouring of God’s spirit (breath of holiness) at Pentecost, but the Israelites refused. They were afraid of God. They wanted a human intermediary – Moses – to speak to God, and then Moses was to speak to them, because, “If God speaks to us, we will die.” The Israelites did not want God to put the law – the Ten Commandments - in their heart so they could actually keep them, God had to write the Ten Commandments on stone, a situation in which the Israelites would never be able to keep them. They did not want to deal with God directly, they wanted to deal with “man” - Moses.

2015: Christians today are no different from the Old Testament Israelites. They want a church and a pastor as an intermediary. They don’t want to learn from

God directly by diligent and in-depth Bible study and fervent prayer, on their own. They want “man” – pastors – to tell them what to believe, rather than being led directly by God, even though the Bible says:

“You need no man to teach you. . . One is your teacher, Christ.” 1 John 2:27 and Matt 23:8

17. A Vegan diet brings Life and Health. Eating Flesh Food leads to death! The Israelites hated Manna – God’s ideal diet – a totally vegan diet. God gave a vegan diet to Adam and Eve in the Garden of Eden. God gave a vegan diet – manna – to the Israelites. And the diet in heaven and the new earth will also be a vegan diet because nothing will die. But the Israelites complained and begged for Flesh food until finally God demonstrated His “wrath” (giving them what they wanted – see Romans 1:18,24,26,28) by giving them Quail to eat “not for a day, or for 2 days or for 5 days or for 10 days, but for a whole month. . . until it comes out your nose (nostrils).” Numbers 11:10

“And thousands died with the flesh still between their teeth.” Numbers 11:33

Thousands died at the time, but some survived. And those who were involved in that flesh-eating orgy who survived it, did NOT enter the Promised Land. They all died in the wilderness.

2015: Christians today want to eat flesh food rather than eat God’s ideal diet of fruits, grains and vegetables. And they are paying the price with massive suffering from rampant disease and premature death in large part caused by their eating habits.

18. God’s Wrath is - - giving us what we want and letting us reap the consequences. So God finally gave them what they wanted - flesh food – Quail, until it came out their nose, the Bible tells us. And thousands died. THIS is God’s wrath (Romans 1:18, 24,26,28) – giving us what we want – even when He knows we will reap the consequences of our lust. But THAT is the way we learn.

Again, No ONE will enter heaven or the New Earth - - until he or she has conquered their lust for flesh food: No one who ate the flesh food in the wilderness entered the Promised Land. They all died in the desert. This tells us that no one will enter heaven or the New Earth UNTIL they have conquered their lust for flesh food. Not only must our character be like the character of Jesus, but also, the animals would not be safe. Someone would want to eat them.

19: Don't argue with God. Just DO what He says: When Moses was in the mount, the Israelites worshiped the Golden Calf, made for them by Aaron. When God initially called Moses to deliver the Israelites from Egypt, Moses argued with God, saying that he could not longer speak Egyptian because he had been away from Egypt for 40 years. Even though God promised that he would put the correct words in Moses' mouth, Moses continued to complain that he could not do it alone.

Finally, God agreed to allow Aaron to speak for Moses. But this was a terrible mistake on Moses' part. Aaron, though he became a high priest, caused significant trouble for Moses, not only with the Golden Calf incident – the beginnings of secret occultism in the Israelite community – but Aaron and their sister Miriam, began a mutiny against Moses. This resulted in Miriam being cursed with leprosy.

2015: When God tells you to do something, don't argue. Just Do It! God knows what you should be doing a whole lot more than you do. And don't ask other human beings whether or not you should do it. Just Do It! If you don't, you will encounter a disaster up the road, just as Moses did with Aaron and the golden calf episode.

20. The Ten Commandments can be kept ONLY if God has put them in your heart! God had to write the 10 Commandments on stone, because the Israelites did not want the Ten Commandments – the character of God - in their heart. But they were NEVER able to keep the commandments when were written on stone – and not in their heart. The entire Old Testament is a history of the Israelites wandering away from God – into paganism – and God raising up an individual prophet to warn them of their evil ways, and to direct them back to God.

This was such a constant pattern that God calls the time of the Israelites in the wilderness – the Rebellion (in the book of Hebrews).

2015: The same is true today. Christians aren't keeping the Ten Commandments. The vast majority of Christians worship on the wrong day (Sunday) breaking the 4th Commandment. Christians lie as much as non-Christians according to the book, "The Day America Told the Truth." Christians commit adultery at an ever-increasing rate. Christians are notorious for coveting their friends possessions ("keeping up with the Joneses"). Christians worship idols – particularly "money." Christians "Kill" by hating others in their heart.

21. SIN leads to Death: BECAUSE the Israelites would NOT allow God to put His law in their hearts (they wanted a human intermediary – Moses –

rather than having God running their lives directly), God had to give them very specific – and often harsh - Civil laws as well, because without God in their heart, they would be unable to restrain themselves, and their culture would degenerate into chaos. They would have to be restrained by Civil Laws! – man ruling over man (which never works successfully) rather than God ruling over man.

Why was there **so much death by stoning** as a penalty for breaking the Civil Laws given by God? The Exodus was not only a literal happening, but it represented God taking people out of Sin (Symbolized by Egypt) and taking them to the Promised Land (eventually – heaven and the New Earth). God was revealing to the Israelites – and to the rest of humanity through His Word – that SIN leads to Death.

The Israelites were in the wilderness for FORTY years – the average adult life of a human being of that – and this – era. Men were considered to come of age – become adults - at 30 years old. (That was when Jesus began His ministry.) The average life expectancy, according to the Bible was “three score and ten” – 70 years. So, forty years was the average adult life of a human being at that time, and God had to show in that short time that - - - Sin leads to Death!

2015: America and the whole world are going to degenerate into chaos and unbelievable horror because Christians and non-Christians still don't understand how Evil – Evil can get. They will have to witness it - and have it perpetrated on themselves – in order to fully understand it. That's why it's necessary to have a “Time of Trouble such as never was before on the face of the earth.”

22. Whatsoever a man sows, that shall he also reap: “Eye for an Eye, a tooth for a tooth. . .” (Exodus 21:24,26) . . . “God will not be mocked, whatsoever a man sows, that shall he also reap.” Galatians 6:7 Everyone will reap exactly what he has sown. And since very few people have ever burned anyone to death, a literal burning hellfire would NOT be just judgment for the sins of the majority of people who have ever lived.

But, on the other hand, NO ONE will get away with anything. It is the “reaping what we have sown” that will eventually turn us back to the Lord.

2015: Christians believe that Jesus died on the cross “so we don't have to die.” Christians believe that if their sins are forgiven, there will be no penalty. That's why they believe they can live, think, act, eat, and handle stress any way they like, and get sick and die, and God will REWARD them by taking them to heaven at the time of their death.

Christians are suffering from a “STRONG Delusion.”

“God will NOT be mocked. Whatsoever a man sows, that shall he also reap.”

Those “Christians” who believe that way are the object of what Jesus said,

“They honor Me with their lips, and they praise Me with their mouths, but their hearts are far from Me.” “I never knew you. Depart from Me, you workers of iniquity.” Mark 7:7 and Matt 7:21-23

23. God takes personal responsibility for Sin. That’s why Jesus died on the Cross. God’s civil laws reveal God’s character of Love.

And if a man shall open a **pit**, or if a man shall dig a **pit**, and not cover it, and an ox or an ass fall therein; The owner of the **pit** shall make [it] good, [and] give money unto the owner of them; and the dead [beast] shall be his. Exodus 21:33,34

2015: God is telling us that in the Garden of Eden, God, Himself, “dug the pit” by putting Satan in the Garden of Eden, in Adam and Eve’s “front yard.” Adam and Eve – represented by the ox or ass – FELL IN to the “pit” by falling into SIN. The “owner” of the pit – who was God – was responsible – by His own rules. The “Owner” then, had to pay the price for the SIN – which was Jesus’ death on the Cross.

24. God makes the plans – NOT us. We just carry out the plans GOD makes. The Israelites had to **look up to God everyday** (the cloud during the day and the pillar of fire by night) to see where God was leading them. They went out, not knowing where they were going, and had to learn to trust God each day. God did not tell them beforehand where he would lead them, just as He does not tell us before hand. We, like the Israelites, must learn to trust God every day for our directions.

2015: Unfortunately, thousands of years later, churches and pastors are making their own plans on how to do God’s work, rather than allowing God to work through Christians. God told Noah there would be a flood, and He told Noah to build a boat. But God did NOT allow Noah to decide how the ark would be built. God told Noah how long, how wide and how high the ark should be, what wood to use, and where to put the windows. Noah did exactly what God told him to do – and that’s why the ark stayed afloat during the flood.

Christians have the idea that God gave us a brain to “figure things out.” No! God gave us a brain to Do the things GOD has “figured out!”

God makes our plans – we do not. We just carry out the plans that GOD makes for us.

25. God does NOT endorse War! The Israelites took up arms many times, to fight their enemies, instead of letting God fight for them. It was God’s plan to drive out the enemies of the Israelites with hornets and bees (Exodus 23:28) – NOT with weapons - because the enemies of Israel were also God’s children and He loved them too.

But the Israelites were the ones who chose to fight to kill – NOT God. And because God chose not to forsake the Israelites, even though they were not doing HIS will, God is often wrongly accused of endorsing killing and war.

2015: Virtually ALL Christian denominations believe in “supporting our troops” even the Seventh-day Adventists who claim to be conscientious objectors. Our troops are nothing more than killers, working for the New World Order – International Jewry – who uses our young military men and women to seize and steal the resources of every country around the globe – to slaughter innocent men, women and children who are no threat to us and just want to be left alone.

As the Jew, Henry Kissinger has said,

“Military men are just dumb, stupid animals to be use as pawns in foreign policy.”

26. As we mature in Christ, our faith is tested even more. During the 40 years in the wilderness, the Israelites learned to trust God more and more. In fact, they had little choice to do otherwise. They recognized that they could not even furnish the basic necessities of their life by themselves. They needed God to provide them.

2015: Our troubles don’t necessarily diminish as we get closer and closer to the Lord. But we do learn to handle our troubles better – by giving them over to Him. Our faith must be tested in order for it to become real. How can we know if we WILL stand for the Lord when we have not ability to get food and water – unless that actually happens?

27. Disease is a Spiritual Problem: There were NO doctors in the wilderness. Because the “Forty Year wilderness experience” symbolizes

God bringing us OUT of sin and taking us, through the journey of our life, to the “Promised Land” (heaven and the New Earth). If God had endorsed doctors, why wouldn’t they be a part of the “wilderness” experience?

There certainly was plenty of disease in the “wilderness” but God is telling us, by the Israelites’ journey through the desert, that Disease is a Spiritual problem. It was always associated with the SIN of the specific individual who developed the disease, and was not “corporate” or “generic” in nature.

Christians often say, “I have cancer because there is sin in the world.” But disease is a result of reaping the individual sins in our OWN life.

And the disease was inspected by the priest – NOT a physician.

2015: Disease was – and is – a specific Spiritual problem of the one who has the disease, because he or she wants to live, eat, and handle stress their OWN way, rather than GOD’S way. God Promises:

“If you obey My laws (including His Health Laws), My commandments and My decrees, I WILL keep you FREE from EVERY disease.” Deut 7:11-15

Obviously, the churches have no clue as to what that involves because the churches are overflowing with people who are sick and dying.

28. No one went “to church” in the wilderness. There was NO church in the wilderness. In fact, in the entire Bible – both Old and New Testament, there was NEVER a “church” approved by God in which people came in and sat down to hear a sermon, or anything else. God ordered the Israelites in the wilderness to build a tabernacle, a temporary sanctuary, but ONLY the priests were allowed to enter. The people were forbidden to enter the Sanctuary.

And when the permanent Temple was built in Jerusalem, the same rules applied. NO ONE, other than the priests, were allowed to go inside.

2015: God NEVER wanted a “church” where a congregation would come to a building to worship – and to hear “man” tell him how to worship God. It was the pagans who built buildings to honor their many gods. But the worship of the true God of heaven was to be a personal relationship – one on one.

Jesus confirmed this when He was on earth. The disciples wanted to set up an organization, but Jesus responded, “The Unbelievers (mistranslated “Gentiles”)

lord it over each other, but it shall not be that way among you.” (Matthew 20:25,26)

God NEVER wanted an organized church, neither in the wilderness nor in the last 2,000 years.

Christianity is NOT a religion. It is a personal relationship with Jesus Christ – the same relationship that a father has with his children.

29. Sinners will NOT be burned up. The Israelites brought a lamb as a sacrifice for sin. The Israelite – the sinner - placed his hands on the head of the lamb, symbolically “transferring” his sin to the lamb, showing that the **sin** WAS separated from the sinner. Then the lamb which represented Jesus, the Lamb of God who takes away the sin of the world, was sacrificed and burned up on the altar - NOT the Israelite.

2015: God is revealing to us that Jesus died for our sin, and the SINNER will NOT be burned up in a literal hellfire. The “Lamb” was slaughtered and burned on the altar – NOT the Sinner! “Fire” in the Old Testament is literal. “Fire” in the New Testament is symbolic: it refers to spiritual purification

30. God is the Savior of ALL Mankind – Universal Restoration. The Achan Doctrine: During the battle of Jericho, a man named Achan took silver, gold, and a Babylonish garment from Jericho and buried them in the ground under his tent (Joshua 7:21). He stole that which was “devoted” to God. As a result, Israel lost the next battle against the city of Ai, and 36 men of Israel were killed. Joshua prayed to know why this disaster had befallen them, and God told him that there was sin in the camp. He investigated the matter and found that Achan had not given God all the “devoted” things. God had expressly charged the Israelites NOT to take “booty” from Jericho.

God has said that “All the gold is mine.” (Haggai 2:8) God refers to us as His “gold that He is refining in the fire” for salvation (Malachi 3:3). Achan’s evil act represents those who refuse to believe that God CAN and WILL save EVERYONE. They “hide the gold under their tent” by claiming that God is unable to save all His children. They refuse to acknowledge that “ALL the gold” belongs to God.

2015: The Achan Doctrine persists today in virtually ALL churches and denominations: It is man’s idea that God is unable to fulfill His own promise – to be the “Savior of ALL mankind.” (1 Timothy 4:10) It is the belief that God will FAIL in what He came to do: “TAKE AWAY the sin of the WHOLE world.”

“Behold, the Lamb of God who TAKES AWAY the sin of the (whole) world.” John 1:29

31. Sin leads to death. But the judgment “turns us back to right-doing.”

(Psalm 94:15) In the wilderness, the consequence of homosexuality, rape, disrespect to parents, stealing, rebelling against God, murder – was immediate literal death by stoning. The death was literal and immediate.

2015: The incidents in the Bible are there to show us that **now**, when we commit any of those sins, it will lead to our Spiritual death and separation from Jesus Christ. But that separation will not be permanent. Eventually, the consequences of our sin will be so severe for us that eventually we will recognize that we need Jesus Christ to run our life. The reaping what we have sown because of our sin - will turn us back to the Lord.

32. Moses misrepresented God’s character. Joshua symbolized Jesus.

When the Israelites complained of thirst – when no water was available in the desert, God told Moses to speak to the rock and water would spring from the rock to satisfy the Israelites’ thirst. The first time, Moses had struck the Rock – on the direct command of God, and water flowed freely from the Rock. The Rock represented Jesus Christ who is the “Living Water.”

But the second time, Moses was NOT to strike the rock, but was told by God to **speak** to the rock – NOT to strike it. But Moses, in his anger against the whining and complaining of the Israelites, struck the rock and said,

“Hear now, you rebels; must **we** fetch you water out of this rock?
And Moses lifted up his hand, and with his rod he **smote the rock twice**: and the water came out abundantly. . .” Numbers 20:10,11

Moses had disobeyed God by striking the Rock instead of speaking to it. The Rock represented Christ who was to be “struck” (crucified) **ONLY ONCE** - for the sin of the world. Christ was not to die repeatedly, as occurred with the continuous animal sacrifices that looked forward to the One Perfect Sacrifice – Jesus Christ.

And Moses also misrepresented God’s character by striking the rock in anger. God’s anger – His wrath – is very different from human anger. God’s anger is defined in Romans 1:18,24,26,28 as “giving us up to our **OWN** decisions” that eventually will cause us to **REAP** what we have **SOWN**. Even though the Israelites were misbehaving, God still loved them – as He loves us, even when **WE** are misbehaving. God was still

going to provide water for the Israelites, even though they were acting rebellious.

Because Moses sinned and misrepresented God and His character, Moses was NOT allowed to lead the Israelites into the Promised Land. That job was given to Joshua who bore the same name as Jesus when He was on earth. The name *Joshua* in English, is *Jesus* in Greek, and *Yeshua* in Hebrew.

So Joshua, in the wilderness, who led the Israelites into the physical Promised Land, represented Jesus – who will lead US into the Spiritual “Promised Land” of heaven and the New Earth.

2015: Christians today are also misrepresenting God’s character. They worship Him as a “Killer” God who is going to burn the “wicked” in hellfire, because they don’t love Him. Christians believe God will continue to torture people by burning in hellfire for eternity!

What a heinous God that would be!!

Yet God said to the Israelites, who were sacrificing their babies on the burning hands of the pagan god, Molech:

“You pass your children through the fire to Molech (child sacrifice by burning). I NEVER commanded you to do that. That thought would NEVER have entered My mind.” Jer 32:35

If the thought of burning human beings alive would “never have entered the mind of God” – then how could hellfire be true?

Jesus said:

“Love your enemies. Do Good to those who hate you. Pray for those who spitefully use you.” Matt 5:44

Then how could God burn up HIS enemies in hellfire when He tells US to “LOVE our enemies”?

33. We must be led by God – Not by man – and NOT by churches. Moses – representing humanity - could not lead the Israelites into the Promised Land because of his sin. Joshua – representing Jesus (who was God in human form) – was the one chosen by God to do it. (The name Joshua in Latin is Jesus. The name Joshua in Hebrew is Yeshua.)

2015: We also must be led by God – and NOT by “man” (pastors, churches and denominations) into the “Promised Land” of heaven and the New Earth. God said:

“I will be your God, and you shall be My people.” Jer 30:22 and Lev 26:12
(With no one in between)

34. God always turns the BAD into GOOD: Moses, because of his sin of striking the Rock and misrepresenting God and His character, was not allowed to go into the Promised land, but instead, he had to die in the wilderness. Moses’ disappointment was severe, but eventually God gave Moses something much better. After Moses’ death, he was buried by God. But some time later, God resurrected Moses (Jude, vs. 9) and took him to heaven. On the Mt. of transfiguration, Moses and Elijah are seen talking with the glorified Jesus.

2015: Elijah represents the group who will be living when Jesus comes, and will be taken to heaven without seeing death. Moses represents those who will die in the Lord, and be resurrected and taken to heaven when Jesus comes.

God always turns the Bad into Good: The coming Time of Trouble, which is fast upon us, God eventually will use for good – “to bring the many sons to glory.” Heb 2:10

35. God makes the Plans – down to the last detail. When God told Moses to build the tabernacle in the wilderness, God gave EVERY direction for the Sanctuary, down to the smallest detail. As in ALL things, GOD makes the Plans for us – ALL the Plans. We are NOT to make our own plans. Our job is to carry out the plans that GOD makes for us.

2015: The Bible says,

“O Lord, I know that the way of man is not in himself: It is not in man that cwalketh to direct his steps. Jeremiah 10:23

36. Disease is the result of one’s OWN sin. In the wilderness, as it is now, disease was – and still is - directly related to one’s own sin. Miriam sinned and developed leprosy. When the Israelites begged for flesh food, God finally gave them what they wanted – enough flesh food to eat until it came out of their nostrils (Numbers 11:20). And thousands died – many with the flesh still between their teeth (Numbers 11:23). When the people murmured against Moses because they had no bread or water, “the Lord sent fiery serpents among the people and they bit the people; and many people of Israel died.” (Numbers 21:6).

It was their OWN sin that lead to their OWN disease and their OWN death

2015: Churches teach that we develop disease because “we live in a sinful world.” And that it’s “not our fault.”

But it IS our fault.

God promises,

“If you obey My laws, My commandments and My decrees, I WILL keep you FREE from EVERY disease.” Deut 7:11-15

37. God only works through individuals – NOT organizations. God had been settling the disputes among the people through the wisdom He gave to Moses. However, Moses’ father-in-law, Jethro, suggested that Moses’ job was too difficult and that he should appoint others to help him. This advice did not come from God – but from “man” – the father-in-law of Moses (Exodus 18). Without consulting God, Moses proceeded to follow Jethro’s direction and appointed these leaders. Moses began to form an organization at the direction of “man” - and not God.

2015: Christians think God started the Organized church, endorses the Organized church, and works through the Organized church – but He doesn’t. Jesus Christ never set up an Organized church when He was on earth, and the word “church” is not even in the Bible. The word *ecclesia* – mistranslated as “church” in the Bible – does NOT mean “church.”

In Acts 19:8-41, we read of the incident when Paul was in Ephesus, preaching to the Ephesians about Jesus – and preaching against the goddess Diana. The livelihood of the Ephesians was largely dependent on their making of idols to the goddess Diana. Therefore, the Ephesians became a riotous mob, trying to lynch Paul. This riotous mob is referred to as an *ecclesia* (in the Greek). Obviously, the Bible translators could not refer to this riotous lynch mob as a “church” so they translated *ecclesia* as “assembly.”

But this incident proves that the word *ecclesia* does NOT mean “church.” It just means a group of people, who may not even know each other, that all believe the same thing – whether good or bad!

God never wanted an organized church. And He is in the process of dismantling all Organized churches. Just watch as current events unfold!

38. How could Jacob be a “Jew” when his twin brother, Esau, was a “Gentile”? The Edomites were enemies of the Israelites during their journey through the wilderness. Esau, the twin brother of Jacob, was the original leader of the Edomites and is identified as a “Gentile” while Jacob is described as a “Jew.”

How could Esau be a “Gentile” when Jacob is considered to have been a “Jew” when they were twins? The word “Gentile” is a mistranslation of the word “nations” or heathen, or Unbeliever – meaning those who worshiped pagan gods rather than the God of the Bible.

The word “Jew” does not appear in the Bible. It is a mistranslation of the word *Iudea* (later written as *Judean*) and referred to those who worshiped the God of the Bible – a Believer.

Jacob was a Believer in the true God of the Bible, while Esau was an Unbeliever – a pagan. The two twin brothers were NOT of different ethnicity. Ethnicity had nothing to do with it. They were of different “Spiritual” persuasions!

2015: This deliberate translational error in the Bible is one of the major bases for the state of the world today. The true Christians – the Believers (the Judeans) - are God’s chosen people – not the Jews, who actually HATE Jesus Christ. Their Talmud, their holiest book, states that Jesus is boiling in hot excrement, and that His mother, Mary, was a whore.

The Bible defines the nations (mistranslated Gentiles) as “those who know not God” – the Unbelievers. These designations Judean and nations denote how one worshipped. The translators arbitrarily and falsely called them Jews and Gentiles, trying to make the names into an ethnicity.

39. The Israelites were NOT Jews. They were Christians! Who were the Israelites? Jacob had been a deceiver most of his life. He stole the birthright from his brother by deceiving both his brother and his father, Isaac. Finally, Jacob, after being deceived by his father-in-law, Laban, regarding the gift of a wife (Laban gave Jacob Leah rather than Rachel, who he loved), he reaped the deception that he had sown and decided to live his life differently.

Because Jacob’s heart was changed, the angel gave him a new name – Israel – to match his new character. Jacob’s genes did not change, but his character did. The name Israel was the spiritual name given to Jacob, because he became one with God.

The descendants of Jacob, now called Israel, also worshiped the true God and became known as Israelites, a name that denoted who they worshiped, and NOT any special ethnicity. Certainly, the Israelites were NOT “Jews” ethnically. In fact, there is no such thing as an ethnic “Jew.”

Jacob’s offspring, as noted above, were called “Israelites” because they were the offspring of “Israel” a man whose character had been changed by reaping what he had sown.

The Israelites were Christians because they were looking for the Messiah, Jesus Christ!

2015: We too must become “one with God” in order to successfully go through the coming Time of Trouble.

40. God’s ways are ALWAYS better than ours. When the Israelites were ready to cross the Jordan to enter the Promised Land – the Land of Canaan, God gave Joshua the battle plan to conquer Jericho, a battle plan that would seem nonsensical from a military point of view – march around the city for 7 days and blow the trumpets.

But God had made the plans and Joshua followed God’s plan, rather than making his own Battle plan. The assault was extremely successful, as it always is if we allow GOD to make all our plans and if we follow HIS lead.

2015: Today, as it was 3,000 years ago, Christians believe they can make better plans than God. As noted above, churches tell their members what work they should do for God, rather than allowing God to accomplish His OWN plans by working through man.

41. Making our OWN plans always leads to disaster. The next city to conquer was Ai. But Joshua, not God, made the plans and it became a huge disaster.

Only when we follow God’s plans explicitly will we have continued success. And “success” is measured God’s way – not according to the world.

2015: The only government that works is one run by God. The United States is purported to be a “Christian” nation, but look where we are: public schools who are not allowed to teach about God, promotion of abortion – the slaughter of innocent babies, kindergartners and 1st and 2nd graders taught about sex,

homosexuality, and promiscuity, school children taught evolution and prohibited to learn about creation. This is what happens when man rules over man.

42. “Be ye not unequally yoked together with Unbelievers.” 2

Corinthians 6:14 God specifically forbid the Israelites to intermarry with the pagans living in the land of Canaan. But, once again, the Israelites turned their back on God and chose NOT to follow His directions. They intermarried with the pagan Canaanites and eventually wandered so far from God that they began worshiping pagan gods, and even sacrificed their children in the fire to the pagan god, Molech.

And the Israelites built “high places in the groves” for the specific purpose of worshiping pagan gods.

2015: Americans worship fame and money. This is idolatry at its worst. Christians are “unequally yoked together with unbeliever” by having the government – not Jesus Christ – as their head, by becoming a 501c3 government corporation.

And the churches promote the United Nations, a godless, pagan, organization that wants to enslave the world, and eventually promote the worship of Lucifer!

43. Jesus was NOT a Jew! Rahab was a Canaanite prostitute who had helped the Israelites who came to spy out the land before conquering it. For this act of kindness, she was saved in the conquest of Jericho and later married Salmon and became the mother of Boaz, who married Ruth

Neither Rahab nor Ruth were Israelites – and they were certainly not “Jews” yet they were both in the line of Christ. This is just one more reason that Jesus could not have been a “Jew.” (For more information, see “Who is the Church: who is Israel?” at www.goodnewsaboutgod.com)

2015: 98% of the “Jews” in the world today are actually Gentiles: descendants of Barbarian Mongol Turks, who accepted the culture and religion of Judaism in the 8th Century A.D. in the area of Khazaria, what is today the nation of Ukraine. The Jews of today are NOT the descendants of the Israelites of the Old Testament, they are NOT God’s “Chosen people” and they have no right to the land of Palestine.

44. The Israelites did NOT trust God. Nor do today’s Christians. Even though God provided everything for the Israelites during their journey through the forty years in the wilderness, they were continuously stubborn, constantly complaining, and always falling into apostasy. They had NO FAITH – even though they believed they were worshipers of the true God.

2015: In the same way, “Christians” of today BELIEVE they trust God, but in fact, they trust in “man” – they trust in doctors, pastors, and the government for their respective “healing”, salvation, and safety, while claiming to trust in God!

Nothing has changed.

45. The Lord has a very “little flock.” The only two original Israelites who entered the Promised Land were Caleb and Joshua. All the others, including Moses, died in the wilderness. Caleb and Joshua were the only two of the twelve who spied out the Promised Land who really believed God.

There were over a million Israelites in the wilderness, but only TWO actually believed God. Truly, the Lord has a “little flock” (Luke 12:32).

When Jesus was on earth, at His crucifixion there were only 5 people who stayed by Him: His mother, Mary, one disciple, John, Mary Magdalene, and two other women. All the rest fled for their life, including 10 of his 12 disciples.

2015: Already, the churches are compromising their doctrines. They are changing their attitude on homosexuality, rock music, and the Ten Commandments – to become more “relevant for the present times.” Essentially, churches have become country clubs for social gatherings rather than a place to spend time with the Lord and learn about His ways and His character.

46. God – not us – is responsible for our salvation, and the salvation of everyone in the world. God brought the Israelites into the Promised Land because of who HE is, NOT because of who THEY were. God describes the Israelites as a stiff-necked, stubborn people, who were always wandering away from God.

2015: It is the same today. “Christians” are a stubborn, stiff-necked people who have wandered FAR from God and His Bible truths. But after ALL have reaped what they have sown, God will save ALL – not because of who WE are – but because of who HE is!

47. The Seventh-day Sabbath – Saturday - IS the Lord’s Day! When God gave the Ten Commandments at Sinai (Exodus 20), He commanded us to keep the Seventh-day, Saturday, Sabbath because He is our Creator and He is worthy of our worship. He made the heaven, the earth, and all that in them is. The Seventh-day Sabbath is a memorial of Creation.

In Deuteronomy, Chapter 5, the Ten Commandments are repeated, but here we are told to keep the Seventh-day, Saturday, Sabbath because God is our Redeemer.

“Remember that you were slaves in the land of Egypt (symbolic for sin) and that the Lord thy God brought you out through a mighty hand and by a stretched out arm. Therefore, the Lord thy God commanded thee to keep the Sabbath day.” Deuteronomy 5:15

So the Seventh-day Sabbath – Saturday – is a memorial of Creation AND Re-Creation (Redemption) because God eventually will make each person a “New Creature in Christ.”

The Israelites were warned NOT to worship the sun – the creation – rather than worshipping the Creator!

“And lest thou lift up thine eyes unto heaven, and when thou seest the **sun**, and the moon, and the stars, [even] all the host of heaven, shouldest be driven to worship them, and serve them, which the LORD thy God hath divided unto all nations under the whole heaven.” Deuteronomy 4:19

2015: Yet, practically the whole “Christian” world has turned its back on the Seventh-day Sabbath, and has chosen to worship the creation – the Sun god – on Sunday, rather than worshipping the Lord on His Holy Day – the Seventh-day Sabbath- - Saturday.

After all, Jesus, Himself, said, “ The Son of Man is Lord of the Sabbath.” (Mark 2:28)

The Seventh-day Sabbath – Saturday – IS the “Lord’s Day.”

48. The Seventh-day Sabbath – Saturday – was given to ALL Mankind.

The Seventh-day Sabbath – Saturday – was given to us by God – long before the Exodus - as the day for us to worship of Him. It was given by God, in the Garden of Eden, to Adam and Eve, the parents of all humanity. It was given to ALL the offspring of Adam and Eve – everyone on earth. The Sabbath was made for All mankind. (Mark 2:27)

Before God gave the Ten Commandments, in Exodus 20, the Israelites were told that the manna would fall on six days only, with a double portion falling on the sixth day - Friday. None would fall on the Seventh-day Sabbath. (Exodus, Chapter 16): None of the Israelites asked, “Why?” They knew why. They had known about the Seventh-day Sabbath for all

their lives, long before it was given in the Ten Commandments at Mt. Sinai.

2015: Today, almost every Christian church has abandoned God's Seventh-day Saturday Sabbath, and turned to worshipping on Sunday, the pagan day of sun worship. The Saturday Sabbath is a memorial of God's creation. (Exodus 20: 8) If Christians had continued to keep the proper day holy, America would not have embraced the false ideology of evolution.

49. God will provide ALL our needs. God brought the Israelites through the desert, for forty years, where there was no possibility of them caring for themselves. God provided their water miraculously from a rock, their food - manna that fell miraculously from heaven, a cloud cover by day so they would not be scorched by the desert sun, a pillar of fire that covered them by night to keep them warm, and their clothes and shoes never wore out – for forty long years.

2015: We are living in the end times, a time when we will have to trust God to provide ALL our needs, just as He did with the Israelites. God is the same yesterday, today and forever (Hebrews 13:8), and He watches over His word to perform it. (Ezekiel 12:25)

He will NEVER leave us or forsake us. (Hebrews 13:5)

“My God will supply all your needs. . .” Phil 4:19

50. Sanctification is the work of a lifetime: It took 40 years in the wilderness, the equivalent of an adult lifetime, for the Israelites to get from Egypt to the Promised Land. Many died in the wilderness. It was the second generation, plus Caleb and Joshua from the first generation, who entered the promised land. The Second Generation had never lived in Egypt, and did not lust for what they did not know. It was easier for them to trust God, because in the wilderness, they had no other recourse.

2015: Again, that's why God is bringing another Time of Trouble. The persecution of Christians will become so intense that we must make a choice regarding in whom we believe: man or God.

The Bible says:

“We ought to obey God – rather than man.” Acts 5:29

Conclusion: God is, at this very time in history, re-creating the Exodus – a spiritual Exodus. Instead of leading the literal Israelites out of Egypt, He is

leading His true Christian followers out of sin – into the glorious liberty of God – to become one with Him. Everything will be taken from us by the enemies of Christ. God is testing us to see if we will trust Him with everything in our life. Are we willing to put our life in His hands and trust Him to lead us through the Time of Trouble?

That's the choice every man, woman and child on earth will have to make!
