

If you Don't Think We Have Been Taken Over by the Communist Jews

You Better Think Again!

The white liberal is the worst enemy to America, and the worst enemy to the black man... The liberal elements of whites are those who have perfected the art of sellings themselves to the Negro as a friend of the Negro, getting sympathy of the Negro, getting the allegiance of the Negro, and getting the mind of the Negro.

Then the Negro sides with the white liberal, and the white liberal uses the Negro against the white conservative. So that anything that the Negro does is never for his own good, never for his own advancement, never for his own progress. He's only a pawn in the hands of the white liberal.

Sad...

Welcome to communist America :
We can't speak our mind.
We can't think differently than those with
the mob mentality.
We are afraid to leave our homes.
We are not allowed to freely show
patriotism.
We are no longer able to enjoy travel,
sporting events, concerts or
celebrations.
We are told when to be home.
We are forced to subscribe to fear over a
health crisis.
We are controlled by the media.
We are not allowed to worship.
We are forced to erase history.
We are forced to apologize.
We are forced to kneel.
It all only took 4 months ..
