

The Covid 19 Shot is Meant To KILL You!

That's ALL you Need to Know

Lorraine Day, M.D.

The alternative media is full of discussion about the ingredients in the various Covid 19 shots. That's exactly what the Illuminati wants everyone to do – argue about nonsensical distractions that are of no importance.

Do the shots contain graphene oxide?

Do they contain Prions?

Do they magnetize your body?

Do they contain chemicals that specifically cause blood clots?

How do they change your DNA?

NONE of those things matter! The Covid-19 injections are meant to KILL YOU!

And when you're DEAD, it will make NO Difference how you got there.

This is all about Population Extermination! I have been talking about this for over 20 years and here it is! But everyone is focused on things that don't matter.

And when people start talking about their "Constitutional Rights" and "Suing the Government" I shake my head and roll my eyes.

The Constitution was suspended in 1933 by (Jew) Franklin Delano Roosevelt (real name Rosenveldt). We have been under maritime law for almost 100 years. We have no rights! (Please note: THEY SHUT DOWN THE WHOLE WORLD IN ONE WEEK!) And even if the Constitution had not been suspended, we have been taken over by the Communist Jews – and they don't care a whit about our "Constitution." They rule by FORCE!

The Communist Jews, run by the Jewish Rothschilds in the City of London, also completely control the U.S. Government, including the President and the cabinet, the Senate and the House of Representatives, and the Courts. So, the chance you will win in a court controlled by these people is - - - ZERO!

And we are not going to be able to “fight our way out either.” It won’t be long until they come for your guns.

However, there IS a way of “escape” – not a physical escape since there is no where in the world to hide. They can find you wherever you go. But there is a spiritual escape, and that is through knowing Jesus Christ better than you know any human being on earth.

But no one is reading his or her Bible – and that’s one of the main reasons we are in this mess. America has fallen in love with Satan and has rejected God. So, God has stepped back and said, “If you don’t want Me, I’ll let you see how it is to have Satan run your world.”

And that is exactly what is happening. The Communist Jews are the agents of Satan. The Rothschilds confer directly with the devil - - and they worship the devil, as do virtually ALL of the leaders of the major countries in the world (including the U.S.), as do the international bankers, as do all of the international corporations, as do the owners of all the major media in the world, as do the Hollywood celebrities.

We now have a One World Government, run by the Communist Jews. The Covid-19 supposed “pandemic” is nothing but a “cover” for bringing Communism to American and to the whole world.

They plan to kill over SIX BILLION Gentiles – including ALL Christians. If you haven’t figured that out by now, it will soon become obvious. The supposed “Delta Variant” is nothing but a phantom to explain the coming massive number of deaths CAUSED by the KILL SHOTS! I discuss all of this, and how we got to this horrific point in our history, in my book, “The Deliberate Destruction of America and the World: Who’s Doing it and Why.” You can find it at this link: <https://www.drday.com/index.html#destruction>

And if you want to have ANY chance of surviving what is soon coming, then you better get out your Bible and start studying it – in depth. Also, on my website, I have over 300 Bible studies, including extensive studies on the books of Daniel and Revelation, the books in which ALL of this was predicted over 2,000 years ago. Here are the links:
