

The NEXT Way They Plan to Kill Us!

Satanically Ingenious!

Lorraine Day, M.D.

For centuries, governments have always controlled their populations by the use of FEAR – usually FEAR of an invasion by some foreign power. Those who are now controlling the (hidden) One World Government, the Jewish Illuminati led by the Rothschilds, have always been concerned about the problem of controlling the population of the world (what is left of it after they exterminate most of them) when there is no more possibility of war: when the New World Order has disarmed EVERY country and EVERY person, which is their goal.

The book, Report from Iron Mountain, written in 1967, discusses a meeting secretly held at Iron Mountain (apparently in New York) where just a few attendees were invited, the major characteristic required was that they have no conscience – that they would be able to kill their own mother if that were necessary.

They discussed many different ways to control a population when there could be no more threat of “War.” Finally, they all agreed on the “best” way: Environmentalism. They would propagandize the population into believing that THEY – the people – are the problem, that the population needs to be reduced dramatically, and rapidly, or the global warming caused by industry (and people just breathing) would make the earth uninhabitable. “The earth is over-populated” would be the message, even though it would be possible – right now – to fit everyone in the world into the state of Texas, with just 2 people in each house, on a lot 25 feet wide and 100 feet deep, with a backyard large enough to grow their own food.

Of course, that would not leave enough room for roads, or parks or business buildings, but I have made my point: You could fit EVERY PERSON on earth into the state of Texas – so the world is NOT over-populated. If the Satanic leaders of the Illuminati would spend their time teaching countries how to prosper and support their own industries, rather than depriving them of life-sustaining education and materials, the 3rd

world countries racked with poverty, could become sustainable 2nd or 1st world countries.

Population Extermination has been going on for over 100 years!

In fact, LONG BEFORE the Iron Mountain meeting, there was a major “thinning” of the population of America and the world that had been taking place for many decades: by Vaccinations!

For over a hundred years, Americans have been propagandized about the importance of vaccinations. Most Americans believed it, and dutifully had their children vaccinated (mandatory for attending school) and many adults also got the flu vaccine and other types of vaccines themselves. The result of those vaccinations was Attention Deficit/Hyperactivity Disorder (ADHD), Sudden Infant Death Syndrome, Autism, and Autism Spectrum Disorders (various levels of Autistic behavior).

NONE of these problems existed BEFORE the introduction of Vaccinations.

Yet, Americans seemed not to see these horrific results, and continued to vaccinate their children. So this form of “Population Extermination” by vaccination has been going on for almost 100 years.

The KILLING Escalated: The FAKE Covid-19 “Pandemic”

Then along came the (FAKE) Covid-19 “pandemic.” A disease that had no symptoms, but supposedly could be transmitted to another person who would also develop - - - no symptoms. But everyone had been programmed to believe that “vaccines are good” so people lined up to take the Covid shot.

It is estimated by reliable sources that at least TWENTY MILLION people have been murdered by the New World Order using the Covid shot, incorrectly called a *vaccine*, and another TWO BILLION seriously injured, all of whom may end up dying from their adverse reactions.

Because of this obvious carnage, at least some people are finally waking up to the idea that their government is intent on killing them. They now understand that this is Population Extermination!

The recent bivalent “vaccine” – a supposed combination of the flu shot and a Covid booster – has only been given to 4.4 million Americans. The rest of the population, over 300 million people, are no longer interested in giving up their life for the Illuminati/One World Government.

<https://www.voanews.com/a/many-americans-in-no-rush-to-get-bivalent-covid-19-booster-/6769239.html>

Of course, our enemies already had a plan in mind for this probability.

The “War” between Russia and Ukraine began at least 6 months ago. Recently, I posted an article suggesting that the war is FAKE. Oh yes, some people have died, but it is highly unlikely that there would be a REAL “war” between (Jew) Putin of Russia, who wears his yarmulke and hob-nobs with his Jewish rabbis, and (Jew) Zelensky, who also wears his yarmulke and hob-nobs with HIS Jewish rabbis, particularly when the Illuminati that runs the world is composed of JEWS (Rothschilds, Rockefellers, Soros, Adelsons, Clintons, Obamas, etc.) who wear THEIR yarmulkes and hob-nob with THEIR rabbis.

The “War” has been an excellent excuse for the U.S. to send BILLIONS of Dollars of military armaments to Ukraine, thus depleting the United States’ ability to defend itself if attacked by Russia or China – which, of course, is exactly what the Communist rulers of America want.

It is rumored that Ukraine is selling all these armaments on the black market. If this happens to be true, that would be more evidence that the “War” is Fake. If the war were real, there would be a need for Ukraine to actually USE, in battle, the armaments received from the U.S.

During World War II, and even during the Vietnam conflict, pictures in the press showed the devastation caused by the U.S. bombing. NONE of those types of pictures (even fake ones) have been shown from Ukraine or Russia.

And in the last couple of days, news media have reported on the “Massive damage done by a “truck bomb” to a 12-mile -ong bridge connecting mainland Russia to the Crimea – an area that Russia has recently annexed. Pictures (obviously FAKE) were shown of a large area of bridge, disconnected and underwater, with even more damage done to the bridge structure.

Yet, the “Massive” damage, was repaired within ONE DAY!

And now Putin is threatening to use Nuclear Weapons!

Here we go! Scare the entire world with the possibility of WWIII – a War with NUCLEAR bombs – that will not only kill people with the bombing, but could wipe out BILLIONS in the world from radiation sickness and death.

And now, just this past week, it has been revealed that the U.S. Government has spent \$290 MILLION for “Anti-radiation” drugs to “save the lives of Americans” –

the very people they have been trying to slaughter for the last two years with the Covid Kill shots!

Again, this is Satanically Ingenious!

EVERYBODY believes that Nuclear Bombs exist. EVERYBODY has seen pictures of the mushroom cloud supposedly associated with a nuclear bomb. And almost EVERYBODY has heard about the U.S. bombing of Hiroshima and Nagasaki with Atomic Bombs at the end of World War II. And almost EVERYBODY knows that the meltdowns at the nuclear energy plants at Chernobyl and Fukushima have made those areas uninhabitable.

So, EVERYBODY will line up to take these Anti-Radiation drugs that their “benevolent” government has dutifully obtained for the population – “to protect” them!

But NO ONE is thinking.

The atomic bombs dropped on those cities were said to contain Plutonium 239 and Uranium 235. The half-life of Uranium 234 (the time for the radiation to fall to one-half of its original amount) is 700 MILLION YEARS! The half-life of Plutonium 239 is 20,000 YEARS. That would mean that neither Hiroshima nor Nagasaki could have been re-inhabited for thousands to millions of years.

Yet they were BOTH rebuilt within TWO YEARS, and have been going strong ever since. And their people have NOT been dying of radiation sickness.

Why?

Because Hiroshima and Nagasaki were NOT bombed with Nuclear weapons, they were fire bombed, just like Tokyo, because Nuclear weapons do NOT exist, as I show in my book, “The Deliberate Destruction of America and the World: Who’s Doing it and Why.”

Nuclear energy **was** being produced at both Chernobyl and Fukushima, but it can only be produced SLOWLY – NOT Rapidly! In other words, it cannot be made to suddenly combust, as would be required with a bomb.

That’s why both **Chernobyl and Fukushima are uninhabitable**, but **Nagasaki and Hiroshima were rebuilt within two years!**

The world has been propagandized thoroughly since 1945 – almost 80 years – to believe that **Nuclear Weapons DO exist**, and that the U.S., Russia, and other countries have “Stockpiles” of Nuclear weapons. It’s the old “game” of “control the people with

fear, so they'll give up all their rights." EVERYBODY believes that Nuclear Weapons exist, and that hundreds of thousands of Japanese people at Hiroshima and Nagasaki died from radiation poisoning.

(These Japanese cities were bombed in 1945 when I was 8 years old. I remember the news media telling us school children that if an atomic bomb exploded in our city, we should "get under our desk." Even at the age of 8, it made no sense to me that my schoolroom desk could protect me from an atomic bomb and radiation fallout!)

So, BILLIONS of people, including millions of Americans, will Line Up to take the Anti-Radiation drug that our government has bought for - - - "our safety!"

And that drug will undoubtedly contain MORE POISON to Massively INCREASE the slaughter started by the Covid 19 Kill Shot, until few, if any, Americans, will remain alive. And the same thing will happen to the rest of the world's population.

It could have the same outcome as drinking the Kool Aid at the Jonestown Massacre in 1978.

Then the Illuminati's Plan for Population Extermination - - - will be Complete!

For the PROOF that Nuclear weapons do NOT exist, read for yourself:

DEATH OBJECT: EXPLODING the NUCLEAR WEAPONS Hoax, by Akio Nakatani. You can obtain it from Amazon.com for \$12.95

Chernobyl today:

Uninhabitable. Today Pripyat is a ghost-town, its apartment buildings, shops, restaurants, hospital, schools, cultural center and sports facilities derelict and its streets overgrown with trees. The city lies in the inner exclusion zone around Chernobyl.

How large an area was affected by the radioactive fallout? Some **150,000 square kilometres in Belarus, Russia and Ukraine** are contaminated and stretch northward of the plant site as far as 500 kilometres. An area spanning 30 kilometres around the plant is considered the "exclusion zone" and is essentially uninhabited.

Chernobyl today

Chernobyl Ghost Town today

Fukushima Today: Nuclear Ghost Town in Japan

2011 Fukushima Disaster

Japan's government announced a decision to begin dumping more than a million tons of treated but still radioactive wastewater from the crippled Fukushima nuclear plant into the Pacific Ocean in two years.

The plant was severely damaged in a 2011 magnitude 9.0 quake and tsunami that left about 20,000 people in northeast Japan dead or missing.

Hiroshima and Nagasaki

How long did it take to rebuild after Hiroshima bombing?

Approximately two years

The restoration process took **approximately two years** and the city's population, which had dwindled to about eighty thousand after the bombing, doubled in a short time. Until

March 1946 the ruins were cleared, and the buildings that were damaged but still standing underwent controlled demolition.

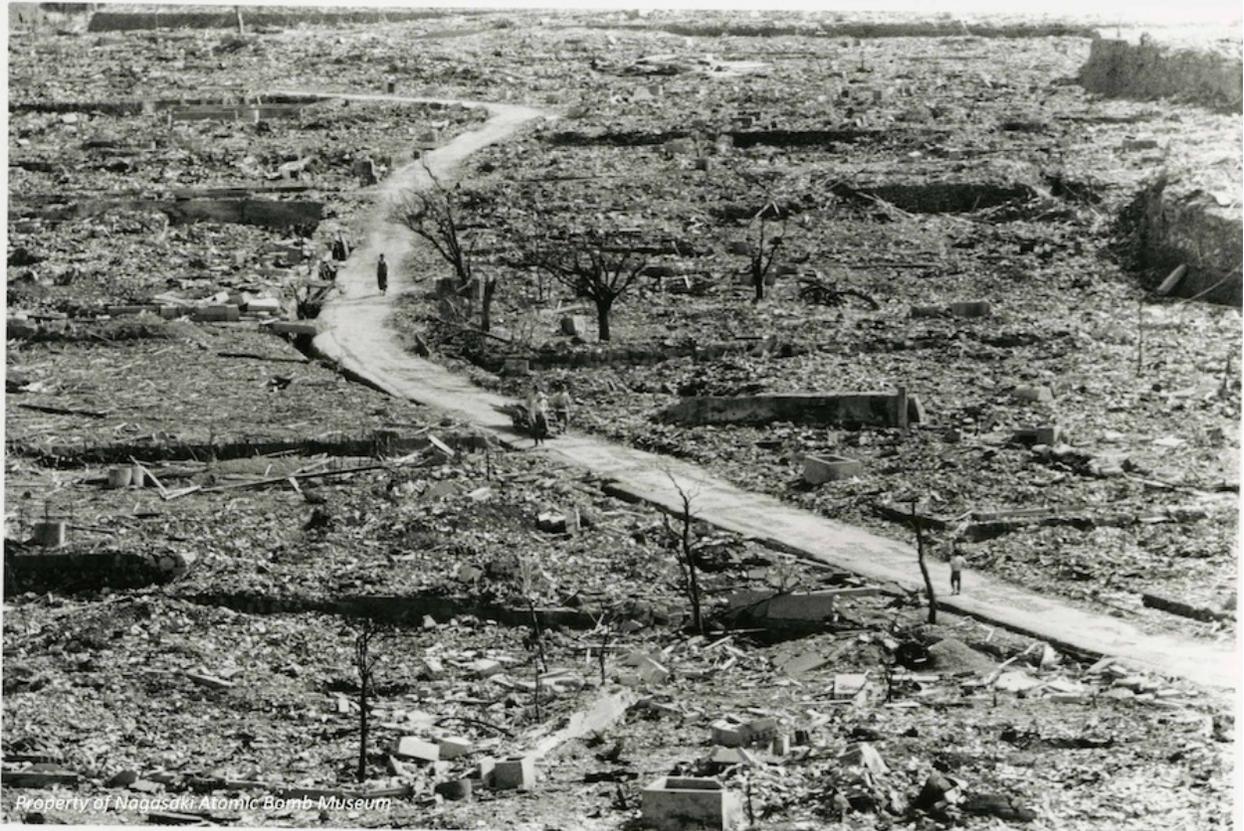

How long did it take to rebuild Nagasaki

Within two years

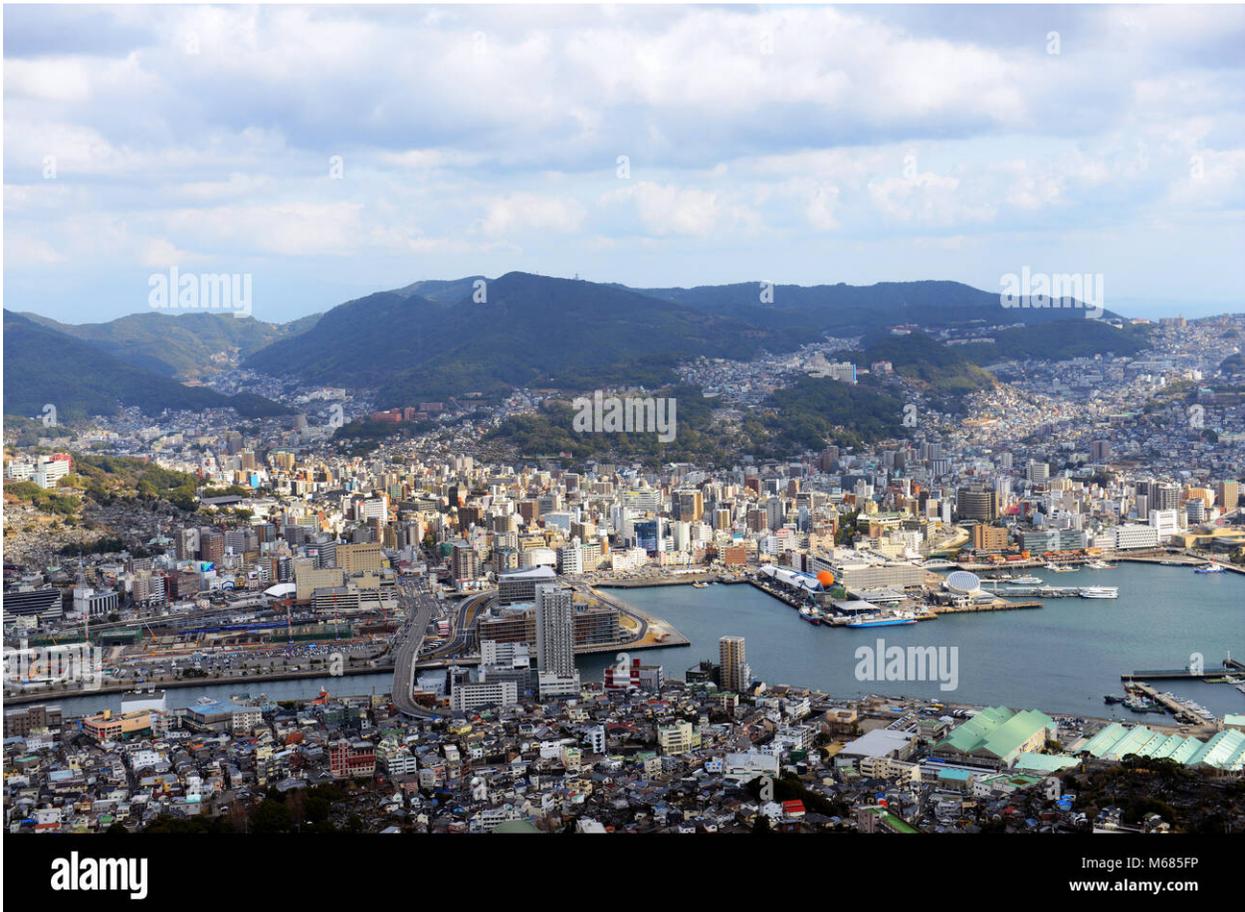

The restoration of Nagasaki was slower due to financial difficulties and did not start until **1946 (one year after the bombing)**. The city changed dramatically following the explosion and new buildings were constructed, including civilian factories that replaced the military industrial buildings that were destroyed.

Hiroshima and Nagasaki: Immediately after the bombing (See below)

Hiroshima today

Nagasaki today

Hiroshima and Nagasaki were Fire-bombed. They were not attacked with an Atomic Bomb. Firebombing produces massive damage.

Firebombing of Tokyo

On the night of March 9, 1945, U.S. warplanes launch a new bombing offensive against Japan, dropping 2,000 tons of incendiary bombs on Tokyo over the course of the next 48 hours. Almost 16 square miles in and around the Japanese capital were incinerated, and between 80,000 and 130,000 Japanese civilians were killed in the worst single firestorm in recorded history.

Massive damage from firebombing of Tokyo

Tokyo today

Both Hiroshima and Nagasaki were Fire-Bombed, just like Tokyo. That's why all 3 cities could be rebuilt so rapidly.

Journalist observers who flew over all the cities in Japan (over 60 cities) shortly after they were bombed, reported that they ALL appeared the same. There was NO DIFFERENCE between the damage done to the firebombed cities compared to the two cities that were (supposedly) destroyed by "Atomic bombs." (It's in the book by Akio Nakatani.)

The Propaganda about "Nuclear weapons" has been drilled into the minds of Americans and people all over the world ever since 1945. But that is a HOAX - - just like

- a) going to the Moon was a HOAX,
- b) the Holocaust was a HOAX,
- c) the existence of viruses is a HOAX,
- d) the idea that Germs CAUSE disease is a HOAX,
- e) the idea that vaccinations are necessary to stay well is a HOAX,

f) the idea that chemotherapy and radiation (both of which CAUSE cancer) can CURE cancer – is a HOAX,

g) the propaganda that there were deaths at Sandy Hook – is a HOAX

h) the propaganda that there were deaths at the Boston (Smoke) bombing - is a HOAX

i) the claim that Osama bin Laden was involved in the Twin Towers bombing – is a HOAX (It was a Controlled Demolition done by U.S. Government and Israel)

j) the claim that the U.S. government observes the Constitution – is a HOAX. (Every courtroom has gold fringe on the American flag, which means we are under Maritime law, and NOT Constitutional law. Under the Constitution, you are innocent until proven guilty. Under Maritime law, you are presumed guilty until YOU PROVE your innocence.)

k) Global Warming is a HOAX – designed to make Americans think the earth is over-populated, and that human beings are the CAUSE of Global Warming. ALL the NATURAL Lakes in California are FULL. ALL the lakes associated with RESERVOIRS – are Empty (because they have been purposely drained.)

l) the idea that Fluoride in the water prevents cavities – is a HOAX! Fluoride does NOT Prevent Cavities. Fluoride is a POISON that damages EVERY system in the body, including the brain. Fluoride is a major component of the general anesthetics we surgeons use in the operating room – that make your brain COMATOSE in a few seconds. Fluoride is also a crucial ingredient in the major types of SSRI anti-depressive drugs people are given – drugs that induce people to kill themselves and kill others (sometimes, even their children).

m) the idea that elections in the U.S. are REAL - and not rigged – is a HOAX. The voting machines are made by Israeli/Jewish manufacturers, and ALL can be completely controlled, even remotely. There hasn't been a NON-RIGGED election in the U.S. for well over 80 years.

n) the Doctrine of Hellfire – is a HOAX. The word “hell” is NEVER mentioned in the Bible, neither in the Old Testament or the New Testament in the Original Greek or Hebrew. The word “hell” has been “written into” the Bible by the translators (as I show in my book, “Who Rewrote the Bible?”). This is just a way for the churches to control THEIR membership (just like the government controls the people) through FEAR.

o) the Doctrine that Jesus Was Resurrected on Sunday – is a HOAX. Neither the word “Sunday” nor the words “first day of the week” are found ANYWHERE in the Bible, in the original Greek and Hebrew. Those words were “written into” the Bible by the translators (as I show in my book, “Who Rewrote the Bible?”)

p) the idea that Donald Trump can “save America.” Donald Trump is ALSO a Jew, who wears a yarmulke, and hangs out with the rabbis. Donald Trump is Controlled Opposition.

And I could go on indefinitely!

EVERYTHING is a LIE. The world has left God, so God has given the world over to the one THEY have chosen – Satan – but only Temporarily! And the Bible tells us that Satan is “the father of Lies.”

The Jewish Rothschilds and their Satanic Illuminati friends have additional ways to kill us, and they’re all coming soon: massive (planned) famines, severe (planned) water shortages, more wars, more FAKE pandemics, forced vaccinations, concentration camps, etc.

But the bottom line is: Don’t Drink the Kool-Aid!

Don’t fall for the LIE that the U.S. Government “is here to help you” avoid radiation sickness.

THEY WANT US DEAD!
