

We are NOT “ALL in this Together”

**This is the Jewish Illuminati’s Evil Plan
to Exterminate Gentiles!!**

Turn OFF your TV - - and Turn ON your BRAIN!

Lorraine Day, M.D.

All the television networks are owned by the Jews. They are propagandizing you every minute of every day by the following:

1) Telling you repeatedly ad nauseum, the LIE that “We are ALL in this together.” The truth is: This is the JEWS against the Gentiles. They want us DEAD!

You will notice that when Dr. Fauci (either a Jew himself, or a willing tool of the Jews) is in the stands, watching the football game, he is NOT wearing a mask. Also, as soon as the TV cameras are off, he takes off his mask, even though other people are close to him (who are also NOT wearing masks).

These are rules for the Goyim, the word used by Jews for Gentiles – that means “lower than beasts.”

You can be sure that when the elitist Jews have their own parties, they are NOT wearing masks!

2) The casinos are open, the homosexual bathhouses are open, Walmart is open, and BLM can trash and pillage all they want, but people are not allowed to go to church??

3) And now some of these moronic “authorities” are saying people need to wear masks in their cars, in their homes, and also they should add goggles and plastic face masks? They are gloating behind our backs about the control they have over us!

This has NOTHING to do with prevention of disease. This is a Power Grab by the Elitist Jewish New World Order!

4) The hospitals are empty, the nurses are spending their time learning new dance routines, and the elderly patients are being put on ventilators to “blow out” their lungs until they’re dead!

This is NOT about health! This is about Population Extermination.

5) In Melbourne, Australia, there is an 8:00 P.M. curfew, only one person per household per day is allowed to leave for essentials (like food), except others in the home are allowed to leave for one hour of exercise outside per day. Police are allowed to enter every house at will, apparently to search for anything they want, without a warrant.

This is NOT about health – this is Rank COMMUNISM!

6) (Jew) Bill Gates says a) almost everyone will experience significant side effects from the vaccination, b) the vaccinations will “work” only in about 50-60% of people (actually they won’t work in ANYONE), c) the immunity they are supposed to provide will be short-lived – maybe only a few months (they’re trying to cover their tracks in advance because the vaccinations will NOT provide ANY immunity), and d) people will have to get vaccinated over and over again.

This is NOT about health – it’s about KILLING SIX BILLION GENTILES!

Why would you put your faith in a government that Wants You and Your Family DEAD?!
