

So, Can Someone Please Tell Me:

**What IS the “Great Legacy”
of Queen Elizabeth**

that everyone is talking about?

Lorraine Day, M.D.

- 1) Is it that she was a MURDERER – due to her complicity in the barbaric murder of Princess Diana (I explain this in my book, “Deliberate Destruction of America”) Is THAT her “legacy”?
- 2) Or, is it that she Knighted the biggest PEDOPHILE in the UK, Jimmy Saville, the man who provided children for sex to the English elite, as well as the royal family? Is THAT her “legacy”?

3) Or was it that she lived extravagantly in multiple palaces at the expense of her tax-paying subjects, most of whom can barely eke out a living? is THAT her “legacy”?

Buckingham Palace

Balmoral Castle in Scotland

4) Or is it that she is a LIAR by being complicit in CHANGING the name of her JEWISH family (Saxe-Coburg-Gotha) to something more “English-sounding_ - Windsor, which is a TOTAL LIE! Is THAT her “legacy”?

5) Or is it that she is a LIAR by pretending to be a “Christian” – a member of the Church of England, when, in reality, she and the entire “Royal” family are Christ-hating JEWS!

Just WHAT was it that Elizabeth did for her country, other than pretend to “like” them, while bleeding them dry of their tax money, being a Murderer, a Liar, and encouraging all the tyranny of the One World Government, ruled from the City of London by her friends, the Jewish Rothschilds?

I’m waiting for someone to tell me!
