

# **YOU May Not Believe in a Real SATAN - But the Jewish Illuminati DOES!**

## **They WORSHIP him!**

**Lorraine Day, M.D.**

As Satan's agents on earth, here is what the Jewish Illuminati are doing for their god:

### **1. Sweden Spared Lockdown Because it Has Already Accepted Satan**

Sweden is one of the world's most irreligious countries. Only 1 out of 10 Swedes thinks religion is important in daily life. Several academic sources have, in recent years, placed atheism rates in Sweden between 46% and 85%. In fact, apparently the reason that Sweden is exempt from lockdowns is that the population, by and large, has already agreed to be microchipped.

When it comes to numbers of sexual partners, Sweden is probably among the most promiscuous countries in the world. It is not uncommon for a Swede to have more than 100 sex partners in a lifetime, even among females.

### **2. Catholic Church to be transformed into the One World Religion**

Archbishop Carlo Vigano says the Jewish Illuminati (Deep State) is working with the Catholic Church (Deep Church) to transform the Catholic Church into the "Spiritual Arm" of the New World Order.

This, of course, was predicted 2,000 years ago in Revelation, Chapter 13, where the First Beast is the Political New World Order that gets its authority directly from Satan, and the Second Beast ("looks like a lamb but speaks as a dragon") is Apostate Christianity, with the Catholic Church (that is controlled by the Jews from behind the scenes) amalgamated with all the Protestant churches, and eventually, all the pagan religions as well. Their combined goal will be to force everyone on earth to give up their belief in Jesus Christ, and eventually worship Lucifer - - another name for Satan.

### **3. Bill Gates concerned about reducing "vaccine hesitancy" - - How to "overcome" Americans' desire NOT to be MURDERED!**

This is truly Satanic Jewish "reasoning":

How do we – the Jews – overcome the American Gentiles desire to stay alive?

How do we - the Jews - deceive the American Gentiles into allowing us to KILL them?

(Jew) Bill Gates wants to enlist the religious leaders (the Jews have infiltrated ALL the churches) to help lead the Christian Gentiles (willingly?) to their SLAUGHTER by the Jews. After all, the Jews believe the Gentiles (they call us the *goyim* = lower than beasts) have no right to live anyway, so they have a right to kill us.

In the pictures below, ALL are Jewish, with the possible exception of Cheney, Rumsfeld and Rove, who have sold their souls and their kindred to Satan and the Jews.

These are pictures from a Satanic Rothschild party. They LOVE masks – but of a different sort than those they force us to wear.

**Over the next few hours we were caught in the drama of our animal-kinship leaders – rumors flew across the party about various leaders, human sacrifices were spoken of, and choices had to be made about where your loyalty lay.**

Explaining the Satanic Illuminati All-Seeing Eye in the pyramid, all part of the Satanic New World Order

### **The New World Order is already here!**

If there was not a One World Government already in power (from behind the scenes) they couldn't have locked down the whole world in One Week! This is the beginning of the End Times, everything spoken of in the book of Revelation will be unfolding soon.

The Jews believe, once they exterminate all the Gentiles, they will rule a world of "peace" for 10,000 years.

What they don't know, is that their EVIL New World Order/One World Government – when it is finally totally in place, will only rule for FIFTEEN DAYS. Then Jesus will come and DESTROY it ALL!
