I refer further to the report of the State Extraordinary Commission relative to the crimes in the city of Kiev. This report describes murders in the camps which will be also shown in the films today. I quote only one quotation from this report, which shows the methods of extermination of people in the Syretzk Camp. I quote Page 289 Paragraph 3, of the Russian text:

"Radomsky and Rieder used all kinds of devices for the extermination of Soviet citizens. For instance, they invented the following method of murder: **Several Soviet prisoners would be forced to climb a tree and others had to saw it down. The prisoners would fall together with the tree and be killed.**"
