FILL EARTH...

To fill the earth, a globe cannot be filled. A Flat earth surrounded by a massive ice wall can. This is like filling a bowl.

24 Can any hide himself in secret places that I shall not see him? saith the Lord. Do not I fill heaven and earth? saith the Lord.
Dan2: 35

SIDES OF EARTH...

Sides does not have to be sides of a square. There can be sides of a flat. Draw a line down the middle of a flat circle, two sides.

Jer 6: 22
Thus saith the Lord, Behold, a people cometh from the north country, and a great nation shall be raised from the sides of the earth

EARTH FOUNDATIONS.

Foundation means flat base. Whats the foundation of a ball? Of course you can say the invisible pillars are the foundations but they are not round and neither are they of the earth.

They are of the LORD.

OVERTURN EARTH...

stretcheth out the heavens as a curtain, and spreadeth them out as a tent to dwell in:

1 Samuel 2: 8 WTT Matthews bible.

The pillars of the earth are the LORDS and he has set the round earth upon them.

Flat earth does not contradict Gods word and a globe earth does not seem to contradict it either but draw a circle on a piece of paper, is it a globe?

No, it is flat.

So when the bible says circle of the earth it means circle not globe.

You can apply globe to round and circle but that does not make it right.

BORDERS OF THE EARTH...

Psalm 74

17 Thou hast set all the borders of the earth: thou hast made summer and winter.

FRAMED WORLDS...

Hebrews 11:3

Through faith we understand that the worlds were framed by the word of God, so that things which are seen were not made of things which do appear.

That is self-explanatory, how many pictures are you going to make in order for this verse to fit a globe?

Hebrews is stating flat worlds.

If all of science contradicts Gods word then why would the globe be an exception?

When I say all of Science I am talking about Pseudo (false) Science. I am not talking about sciences like aviation or electricity.

Origin Science such as Evolution, Cosmos, Pharmacy and the big bang theory are a few to name as pseudo.

These three false sciences and are used to justify the genuine truth science.

That is how Satan works; he is false, liar a murder and he wants to be God.

So he uses his own false hood with truths to make himself authentic which is exactly what these sciences do.

ENDS OF THE EARTH...

God has said in his word that there are ends of the earth.

A globe has no end but a circle does, this enforces the idea the circle is flat.

1 Sam 2: 10

Lord shall judge the ends of the earth

Psalm 22: 27

All the ends of the world shall remember and turn unto the Lord: and all the kindreds of the nations shall worship before thee.

Old Testament (27)

Deuteronomy (1)

1 Samuel (1)

Job (3)

Psalm (7)

Proverbs (2)

Isaiah (7)

Jeremiah (4)

Micah (1)

Zechariah (1)

New Testament (2)

Acts (1)

Romans (1)

Again a globe has no end but a flat circle does. A globe is infinity. Infinity is no end like evolution.

The infinity symbol (sometimes called the lemniscate) is a mathematical symbol representing the concept of infinity.

If you are not familiar with the infinity symbol, maybe this will help your memory. This is an occult symbol.

EDGES OF THE SEA...

Joshua 13

27 And in the valley, Betharam, and Bethnimrah, and Succoth, and Zaphon, the rest of the kingdom of Sihon king of Heshbon, Jordan and his border, even unto the edge of the sea of Chinnereth on the other side Jordan eastward.

You could say the edge would be the shore line, the word of God does not say shore line. It simply says edge of the sea.

FOUR CORNERS OF THE EARTH...

There are no corners of a globe.

Revelation 7:1

And after these things I saw four angels standing on the four corners of the earth, holding the four winds of the earth, that the wind should not blow on the earth, nor on the sea, nor on any tree.

Four angels cannot stand on the four corners of a globe.

How can four angels stand on the four corners of a Circle? I made a little diagram for you. A is for Angel obviously and you can see how they can be placed in the correct four corners

Corner in modern English has many meanings.

One of them is this.

an end; margin; edge.

any narrow, secluded, or secret place.

The Greek word in Rev 7 is Gonia denoting a physical corner.

Like a corner of a street in

Matthew 6:5 King James Version (KJV)

5 And when thou prayest, thou shalt not be as the hypocrites are: for

they love to pray standing in the synagogues and in the corners of the streets

Gonia also and denotes universal extent.

Consider that this may mean the wind is controlled by these four Angels.

THE SKY IS A TENT...

Isaiah 40: 22

It is he that sits upon the circle of the earth and the inhabitants there of are as grass hoppers; that stretches out the heavens as a curtain, and stretches them out as a tent to dwell in.

Genesis 1: 8

and God called the firmament heaven.

With these two verses you can clearly see the heaven is the firmament and if you go to a dictionary you quickly learn the firmament is the sky. Now the sky has been stretched like a curtain. A tent has a flat base and if the sky is like a tent then what is the earth?

EARTH IS A FOOTSTOOL...

49 Heaven is my throne, and earth is my footstool

How good is ball for a footstool!

FLAT EARTH...

There is that word that makes your blood cold! The bible clearly suggests a flat earth but does it actually use the direct words, flat earth?

The truth is, the word flat earth is used.

It was used by William Tyndale in his 1537 version. The very first English bible uses a lot of raw phrases that send shocks through the nervous system and this is one of them.

This is why I love this bible the most.

ii Samuel 11

and Urias said unto David: The arcke and Israel and Juda dwell in pauylsos (portions or tents)

and my LORDE Joab and the servants of my LORDE lye in tents upon the flat earthe:

Your thinking this is talking about a small flat area for a tent. Think.

one square centimetre of earth is called flat. This is surrounded by what? a further eight one square centimeters of flat earth. Keep multiplying and keep in mind this is flat earth not curved. What is happening? We are getting bigger flat earth. If you want the curve you need to have a flat curve earth, there is no flat earth, ever. Flat curve earth is double negative and can not exist.

We can keep justifying science instead of listening to what God says and say **of course we have rocks and mountains that denote a bumpy earth; Your probably thinking bumpy earth as opposed to flat earth.**

The tents were on the non bumpy earth.

That is great logic but where is the logic for a curve?

Look out into the ocean, the horizon as no curve.

The bumpy adn flat earth are bound on a flat earth.

This is travelling all over the flat earth!

The more you look the more flat this earth gets.

There seems to be more and more suggestion in the bible the earth is a plate and not a

globe.

Remember the story about Peters hunger?

On the morrow, as they went on their journey, and drew nigh unto the city, Peter went up upon the housetop to pray about the sixth hour:

And he became very hungry, and would have eaten: but while they made ready, he fell into a trance, And saw heaven opened, and a certain vessel descending upon him, as it had been a great sheet knit at the four corners, and let down to the earth:

Wherein were all manner of fourfooted beasts of the earth, and wild beasts, and creeping things, and fowls of the air.

And there came a voice to him, Rise, Peter; kill, and eat.

But Peter said, Not so, Lord; for I have never eaten any thing that is common or unclean.

And the voice spake unto him again the second time, What God hath cleansed, that call not thou common.

This was done thrice: and the vessel was received up again into heaven.

Now while Peter doubted in himself what this vision which he had seen should mean

Now it is clear Pete doubted his own interpretation on this dream. It is clear Peter would not eat of their food because of the LAW through Moses that told the Jews what they should and should not eat. Now God spoke Peter concerning animals and eating. God has shown Peter all the animals and then said go kill and eat.

While Peter thought on the vision, the Spirit said unto him, Behold, three men seek thee.

Arise therefore, and get thee down, and go with them, doubting nothing: for I have sent them.

Now Peter has been commanded to see doubting and go to these men. Peter speaks his interpretation to the men.

And he said unto them, Ye know how that it is an unlawful thing for a man that is a Jew to keep company, or come unto one of another nation; but God hath shewed me that I should not call any man common or unclean.

Peter has held vision and thinks it is talking about men. He thinks God has told him that men and women alike are neither common nor unclean.

This what Peter thinks.

The dream implied animals and not men.

The dream was about eating animals. It was not about eating men.

Now what I want to point out is this, the animals were on a sheet, why?

Why would God present animals on a big sheet?

If the earth is a globe would he not put the animals on a globe and show Peter that?

Or would he not just audibly voice out eat all animals?

No God specifically put the animals on a sheet.

Did he want Peter to think that it was his duty to make beds for animals? Were the animals cold? Did it represent catching animals? Was it a convenient way to present animals?

The reason God put the animals on a sheet is because he said, I have stretched out the earth like a sheet.

Psalm 136:6 To him that stretched out the earth above the waters: for his mercy endureth for ever.

The earth has been stretched out and the animals dwell there on. The earth is a sheet not a ball.

Now do I believe that the earth is flat.

I believe the word of God over the word of man.

You know what the word of man is and I have just showed you the word of God.

God says it is flat, I say it is flat.

Again this has nothing to do with you, mankind or me, it is all about what God says and what he says goes.

You might ask why I constantly deny everything man says.

Firstly I do not believe it is what man says, I believe it is what Satan says, so I am not denying man.

Secondly I am not denying anyone, God is denying everyone; through his word. I am just expounding on it.

Every lie I can shake off myself through the enlightenment of God's word makes me feel a little better.

Not because I am denying man but because I am proving God.

I am simply sharing with you what God shows me through his word, if you disagree then ok. Disagree but do not be all hot headed about it.

Just say I disagree, I respect you and you respect me.

Neither of us have the truth so let's not be in discord about it.

The fact is, flat earth concept is extremely obvious. It is obvious we are being lied to. It should be in no way hard to accept a flat earth.

It is not a Truman show.

How far do you travel?

How much impact does a flat earth have on you as opposed to a global one.

How much impact does a life of lies have on you?

I have been having doubts about what we have been taught for over a decade, and recently came upon the flat earth information. Furthermore, the flat earth information in the Bible — I always looked at it as, "oh, it's being figurative...". I am absolutely convinced now the earth is flat, and just like you said, God's word is proving man wrong every day. It's only a matter of time before man cannot hide the facts anymore. Thanks for sharing these scriptures!

I have just recently heard about the flat Earth theory. Every bible scripture you have quoted, could easily be talking about inner Earth and the foundation or inner sun and the flat Earth theory was told to sailors, so they would not travel to far and discover the two opening, Where Admiral Byrd traveled and wrote in his diary. Yet It doesn't bring light to the four corners statements. I have found that all planets are hollow and work in the same manner as an atom, as above, so below. I do in fact believe; that all things exist in all dimensions at one time, higher, lower and multiple., but all existing together. So the second dimension, or flat Earth does also exist, neither being easily seen by the other, with exceptions ; like these visions spoke of in many cultures. I also have found the truth of our existence in the Sumerian writings , but no mention or reference as to the Earth being flat. I will examine your site more.

I absolutely agree with what has been revealed here! If a person can realize these masonic entities/controllers have lied about everything else you can imagine that this is one of the biggest lies and cover ups at hand! When I first woke up and realized this maze of false reality, I found one rule to be true and I have lived by it for nearly 40 years! Everything in the reality they create for us to believe is a twisted rendition that is either a complete flat out lie or a tainted version of what is! It is your "consciousness" they are after. Your conscious energy believing the lies fuels them and makes the way clear for their service to satan(nasa)! As long as the people continue to be complacent and aloof to these matters they are in AWOL service to God! This is a great place for people to come for bottom line accurate" reality" information! The earth is "flat" and surrounded by the circular ice wall! it has been reported by several explorers throughout history and kept under wraps! Truth is stranger than fiction and way more compelling than Nasa's phony stories ,pictures and space program! I am at no loss in realizing just how fake,evil,and despicable they are.
