**I have provided 100% evidence that the corona virus has never been proven to exist and that there is a sinister motive behind what we are all experiencing at this moment in time.**

### **We guarantee:**

**1,5 million € (Euro \$) reward for a virologist who presents scientific proof of the existence of a corona virus, including documented control attempts of all steps taken in the proof.**

You're on!

### **We noticed...**

All virologists, have deceived themselves and the public when they claim the existence of disease-causing viruses such as SARS-CoV-2.

Virologists inadvertently kill cells in test tubes, believing that this is proof of the presence and isolation of a virus. Only from fragments of dying cells do virologists mentally construct a gene sequence and pass it off as fact. Therefore, the test procedures do not offer any significance or meaning. Typical structures of dying cells in the electron microscope are passed off as viruses. Such structures could never be detected or recognized in a human being so far!

## **Our goal**

These misguided developments have distanced medicine far from the reality and understanding of true health. We would like to contribute to a comprehensive understanding of disease and health for all people.

## Canada: The Covid Police State

## **Lawyers Promise ‘Nuremberg Trials’ Against All Behind COVID Scam**

Right now, a second Nuremberg tribunal that is in preparation, with a class action lawsuit being set up under the aegis of thousands of lawyers worldwide behind the American-German lawyer Reiner Fuellmich, who is prosecuting those responsible for the Covid-19 scandal manipulated by the Davos Forum.

In this respect, it is worth recalling that Reiner Fuellmich is the lawyer who succeeded in condemning the automobile giant Volkswagen in the case of the tampered catalytic converters. And it is this same lawyer who succeeded in condemning Deutsche Bank as a criminal enterprise.

According to Reiner Fuellmich, all the frauds committed by German companies are derisory compared to the damage that the Covid-19 crisis has caused and continues to cause. This Covid-19 crisis should be renamed the “Covid-19 Scandal” and all those responsible should be prosecuted for civil damages due to manipulations and falsified test protocols. Therefore, an international network of business lawyers will plead the biggest tort case of all time, the Covid-19 fraud scandal, which has meanwhile turned into the biggest crime against humanity ever committed.

A Covid-19 commission of enquiry has been set up on the initiative of a group of German lawyers with the aim of bringing an international class action lawsuit using Anglo-Saxon law.

Here is the summarized translation of the last communication of Dr. Fuellmich of 15/02/2021:

“The hearings of around 100 internationally renowned scientists, doctors, economists and lawyers, which have been conducted by the Berlin Commission of Inquiry into the Covid-19 affair since 10.07.2020, have in the meantime shown with a probability close to certainty that the Covid-19 scandal was at no time a health issue. Rather, it was about solidifying the illegitimate power (illegitimate because it was obtained by criminal methods) of the corrupt “Davos clique” by transferring the wealth of the people to the members of the Davos clique, destroying, among other things, small and medium-sized enterprises in particular. Platforms such as Amazon, Google, Uber, etc. could thus appropriate their market share and wealth.”

He says, "This has never been about the virus. This has never been about health. This has always been about taking everything away from us so that we would become dependent on them, plus population reduction, plus gaining complete control over those who are left...this is what all the evidence, all of the people who we interviewed on the Corona Committee, what this points to. This conclusion is inevitable.

"What we're dealing with is 0.000001% of the population trying to gain control over the rest of the world. This is not about money, because this group of people, maybe 3,000...they are the super rich...They're not going to need to buy a 10th or 3rd yacht or the 20th Maserati or whatever. So this is not really about money.

"But it is about money, because they're using it to bribe people in the hospitals, the doctors, the politicians. They're also using all kinds of psychological techniques in order to manipulate and threaten people...

## Let he who would be deceived, be deceived.

**“The individual is handicapped by coming face-to-face with a conspiracy so monstrous he cannot believe it exists. As hard as it is to fathom or accept, there are some among us seriously lacking in the qualities that make us the most human, especially empathy and conscience. And as a result of the aforementioned and a variety of other reasons, these individuals also tend to prey upon others without compunction or remorse. In fact, their lives are characterized by the repeated senseless and callous use and abuse of others. Over the years we've come up with almost as many labels for these disturbing personalities as we have unsatisfying explanations for their puzzling behavior. **They are the predators among us, and the only known intra-species predators at that. These days, they're most commonly referred to as psychopaths.**

## COVID19 vaccine should be avoided at all cost

For the first time in the history of vaccination, the so-called last generation mRNA vaccines intervene directly in the genetic material of the patient and therefore alter the individual genetic material, which represents the genetic manipulation, **something that was already forbidden and until then considered criminal.**

This intervention can be compared to genetically manipulated food, which is also highly controversial. Even if the media and politicians currently trivialize the problem and even stupidly call for a new type of vaccine to return to normality, this vaccination is problematic in terms of health, morality and ethics, and also in terms of genetic damage that, **unlike the damage caused by previous vaccines, will be irreversible and irreparable.**

Dear patients, after an unprecedented mRNA vaccine, you will no longer be able to treat the vaccine symptoms in a complementary way. They will have to live with the consequences, because they can no longer be cured simply by removing toxins from the human body, just as a person with a genetic defect like Down syndrome, Klinefelter syndrome, Turner syndrome, genetic cardiac arrest, hemophilia, cystic fibrosis, Rett syndrome, etc.), **because the genetic defect is forever!**

This means clearly: if a vaccination symptom develops after an mRNA vaccination, neither I nor any other therapist can help you, because **the damage caused by the vaccination will be genetically irreversible.** In my opinion, these new vaccines represent a **crime against humanity that has never been committed in such a big way in history.** As Dr. Wolfgang Wodarg, an experienced doctor, said: In fact, this “promising vaccine” for the vast majority of people should be FORBIDDEN, because **it is genetic manipulation! ” ....**

## Quote from Dr. Martin:

“Let’s make sure we are clear... **This is not a vaccine.** They are using the term “vaccine” to sneak this thing under public health exemptions. **This is not a vaccine.**”

“This is mRNA packaged in a fat envelope that is delivered to a cell. **It is a medical device designed to stimulate the human cell into becoming a pathogen creator.** It is not a vaccine. Vaccines actually are a legally defined term under public health law; they are a legally defined term under CDC and FDA standards [1]. And the vaccine specifically has to stimulate both the immunity within the person receiving it and it also has to disrupt transmission.

And that is not what this is. They (Moderna and Pfizer) have been abundantly clear in saying that **the mRNA strand that is going into the cell is not to stop the transmission, it is a treatment.** But if it was discussed as a treatment, it would not get the sympathetic ear of public health authorities because then people would say, “What other treatments are there?”

The use of the term vaccine is unconscionable for both the legal definition and also it is actually the sucker punch to open and free discourse... Moderna was started as a chemotherapy company for cancer, not a vaccine manufacturer for SARSCOV2. If we said we are going to give people prophylactic chemotherapy for the cancer they don’t yet have, we’d be laughed out of the room because it’s a stupid idea. That’s exactly what this is. **This is a mechanical device in the form of a very small package of technology that is being inserted into the human system to activate the cell to become a pathogen manufacturing site.**“
