**RINGS FOR MEN AND WOMEN**

Most women prefer stone rings of this character because of their mannish appearance and heavy weight. They are well made of gold and set with genuine stones, with the exception of those mentioned as synthetic, which are good imitation stones.

Men prefer these rings because of their substantial weight and the fact that a crest can be cut in the stone. Estimates for cutting of crest submitted upon request.

HANDY PINS**

Small pins in pairs are used for a number of purposes. Women wear them to fasten on cuffs and also as sleeve ornaments; they are indispensable for babies, and nothing would be a more appropriate gift to a little girl than a dainty pair of pins.

The assortment shown includes many varied styles. The engraved ones are especially effective for children, the pierced designs with platinum fronts set with attractive gems are much admired by women.

Prices quoted are for the pair; single pins furnished at the same rate. Bar pins to match many of these handy pins are shown on pages 30, 31 and 32.

### RICHELIEU PEARL NECKLACES AND CLASPS

Richeheu pearls are guaranteed not to peel, break or discolor—they are not affected by water or perspiration; in fact, these pearls are indestructible. In appearance they are very similar to the genuine Oriental pearls, having the same soft, creamy sheen.

You will notice there is only a difference of \$5.00 in the prices of the 60 and 72 inch necklaces. This is because the 72 inch necklaces are strung with knots between the beads, requiring the same number of pearls as the 60 inch necklaces without knots.

If you want a different clasp than the one which we quote with any necklace, full allowance will be made for the clasp not used.

**SCARF PINS FOR MEN OF EVERY AGE**

It is only a question of which pin to select, because the styles are all new and attractive and of our usual high standard of excellence.

The pins are made of 14 karat gold, some decorated with platinum, others entirely of platinum. The stones used are genuine, with the exception of those quoted with synthetic stones, which are good imitation quality.

**SPLENDID GOLD-FILLED GIFTS FOR MEN**

The assortment of chains on this page is plentiful, and while different style chains are shown, the Waldemar is probably the most desirable. This chain is worn from pocket to pocket. The vest (single) and Dickens (double) appeal to men of more conservative taste. All chains are full length, although only a short section is illustrated.

The belt chain is very practical. The leather belt is slipped through the loop as shown and the watch is attached to the other end and worn in the trousers pocket. The sports chains are worn similarly; the large ring as shown grips hold of belt loop on trousers.

Illustrations of lockets are actual size.

**BLACK EBONY, PLAIN FINISH**

The workmanship of these pieces is excellent and the bristles contained in the brushes are of extra good quality. The wood is genuine black ebony, beautifully finished.

Ebony with the silver inlaid disc adds a touch of distinctiveness and beauty to each piece. The contrast between the silver and dull finish ebony is very striking. The disc is large enough for initials or monogram, which we engrave free.
