HAVE YOUR DIAMONDS REMOUNTED INTO ATTRACTIVE JEWELRY

Have you any antiquated jewelry containing diamonds which is not being worn because of its old-fashioned design? If so, you will be interested to know that we can remodel them into fashionable and attractive articles of jewelry. The result is surprising, yet the cost most reasonable.

Our designers are well able to create original designs. Bring or send your jewelry to us and we will cheerfully submit drawings and estimates without obligation.

These few examples represent some of our accomplishments.

JEWELLED RING

This example illustrates what can be done with old discarded jewelry. One can readily appreciate the beauty of this design, made of platinum and set with the diamonds removed from the old rings as shown.

SHOULDER PIN

The shoulder pin is one of the most popular articles of jewelry. You can have a shoulder pin made from your old discarded jewelry for little outlay. Communicate with us for further information.

EXQUISITE BAR PIN

Here we have a number of old pieces that were practically discarded because of their design. This bar pin was designed by our craftsman. The owner now enjoys a beautiful piece of jewelry, in addition to which the diamonds have been greatly enhanced. Information cheerfully submitted.

BEAUTIFUL RING

This platinum ring is an original design and shows what can be accomplished in our remodeling department. You can readily have an attractive ring made from your diamonds now perhaps in an old setting. Write us for further particulars.

FASHIONABLE DIAMOND SOLITAIRE

The diamond removed from the old ring was mounted into this very beautiful platinum ring of latest fashion. The cost was surprisingly moderate and the result most pleasing, as you can see in the illustration. Designs cheerfully submitted upon request.

OLD-FASHIONED WEDDING RINGS REMODELED INTO ATTRACTIVE STYLES

The continued vogue for decorated wedding rings has prompted many women to have their old-fashioned gold bands remodeled into the latest styles. The actual metal of the old ring is used so the cherished sentiment is retained. The ring may be overlaid with a platinum shell which is guaranteed not to break through.

Our modern facilities enable us to do this work in a high grade manner at a reasonable cost.

The illustrations below are representative of some of the most attractive styles. Your ring can be remodeled into one of these styles or, in fact, any other style that you may admire. You can make your choice, if you like, from the wedding rings shown on page No. 20. Further information will be gladly given upon request.

OLD-FASHIONED RING

Here is the old, cumbersome wedding ring, the style that Mother wore years ago. However, she need not be old-fashioned any longer, as modern facilities enable us to remodel her ring into one of the narrower widths as shown in opposite illustrations. These styles are most desirable and attractive, appealing to the feminine taste.

BETROTHAL RINGS FOR MEN

It is quite the vogue for the modern young woman to give her fiance an engagement ring. This is a revival of a beautiful old custom. These rings are suitable for this purpose.

The ring may be set with his birthstone or the stone signifying the month of the eventful occasion and engraved with the initials and date of the engagement; or at slight additional charge the stone may be carved with initials or crest.

All stones are genuine except where mentioned as synthetic or reconstructed; these are good imitations.

Prices for other birthstones on request. Illustrations are actual size.

**RICHELIEU
PEARL NECKLACES
AND CLASPS**

Richelieu pearls are well known for their quality and guaranteed not to peel, break or discolor. They are not even affected by water or perspiration; in fact, these pearls are indestructible. In appearance they are much like the genuine Oriental pearls, having the same soft, creamy sheen.

Should you admire a different clasp than the one which we quote with necklace, we will be glad to make full allowance for the clasp that is not used.

It is through achievements of the Gruen Watch Makers Guild that watches today are more dependable and more beautiful. Gruen first introduced ladies' wrist watches to America. They produced the famous Gruen VeriThin—and since, the Ultra VeriThin—described on the other side of this page, creating a new standard of thinness in reliable pocket timepieces for men.

The Guild's development of the Cartouche and Quadron movements, marking another epoch, now provides greater dependability in even their tiniest watches by affording larger and stronger parts.

These vital improvements to the art of watchmaking are, however, but a reflection of the devotion of this Guild to the high traditions of their inheritance which has been passed down, from father to son, by the direct descendants of the old guild watchmakers of Europe.

This allegiance to an ideal and the fruits therefrom have brought to Gruen Watches a recognized prestige. The artistry of their timepieces and the respect paid the name Gruen make them today—as ever—perfect gifts.

"KIND" BIRTH

A most attractive gift for the new born babe. It is a full size sterling silver teaspoon 5 3/4 inches long. The handle is grey finish and embossed front and back in the design of a stork, his long, thin legs resting on a chimney top, built up from the bowl of the spoon.

The bowl is embossed "Birth Record," and a place is arranged for engraving all the facts such a record should contain:

The full name and the place of birth. (There is a space for two names and one initial only: as Frank Smith, or Frank L. Smith, but not Frank Lawrence Smith). The hour (which is indicated by the engraved hands in the

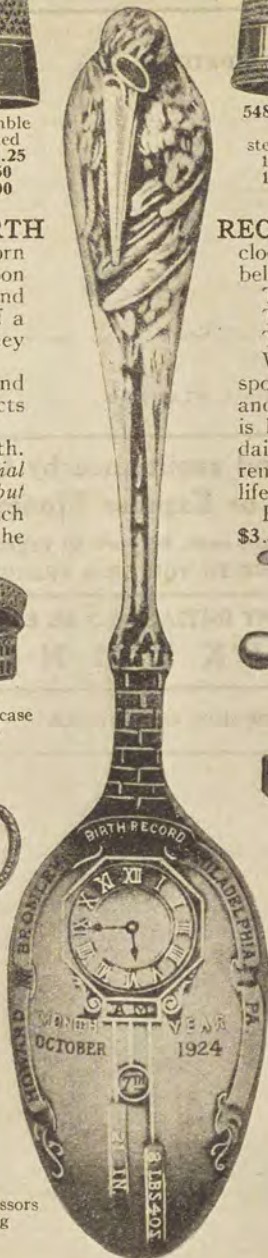

RECORD SPOON

clock dial and the letters A. M. or P. M. below).

The date, month and year.
The weight, in pounds and ounces.
The height, in inches.

When this full record is engraved in a spoon it naturally is cherished by the mother and held in high esteem by all. The spoon is heavy and well made, and may be used daily for years; still its sentimental value will remain and it will naturally be retained for a lifetime as a cherished souvenir.
