God Bless You..."

Emil Hanker

I have found it extremely enlightening and informative and have experienced some positive shifts from some of the methods. I have also found that sometimes, as soon as I relax, I revert back to my old self with the resulting negative outcomes. So I get the book out again and re-read some of the chapters to jog my lapsed memory and then I get back on track again.

Gaye Springer

"Money Making Secrets of Mind Power Masters clarifies the one unchanging true secret to prosperity: It all starts in your mind! There's enough "how to" prosperity wisdom and insight here to make Bill Gates blush. Highly recommended to anyone longing for a more prosperous lifestyle."

Dr. Jill Ammon-Wexler

Michael Lee
